I Was Born for This Alice Oseman,2022-10-18 From the bestselling creator of HEARTSTOPPER and LOVELESS, a deeply funny and deeply moving exploration of identity, friendship, and fame. For Angel Rahimi life is about one thing: The Ark -- a boy band that's taking the world by storm. Being part of The Ark's fandom has given her everything she loves -- her friend Juliet, her dreams, her place in the world. Her Muslim family doesn't understand the band's allure -- but Angel feels there are things about her they'll never understand. Jimmy Kaga-Ricci owes everything to The Ark. He's their frontman -- and playing in a band with his mates is all he ever dreamed of doing, even it only amplifies his anxiety. The fans are very accepting that he's trans -- but they also keep shipping with him with his longtime friend and bandmate, Rowan. But Jimmy and Rowan are just friends -- and Rowan has a secret girlfriend the fans can never know about. Dreams don't always turn out the way you think and when Jimmy and Angel are unexpectedly thrust together, they find out how strange and surprising facing up to reality can be. A funny, wise, and heartbreakingly true coming of age novel. *I Was Born for This* is a stunning reflection of modern teenage life, and the power of believing in something -- especially yourself.

Desert Solitaire Edward Abbey,2011-08-21 This memoir of life in the American desert by the author of The Monkey Wrench Gang is a nature writing classic on par with Rachel Carson's Silent Spring. In Desert Solitaire, Edward Abbey recounts his many escapades, adventures, and epiphanies as an Arches National Park ranger outside Moab, Utah. Brimming with arresting insights, impassioned arguments for wilderness conservation, and a raconteur's wit, it is one of Abbey's most critically acclaimed works. Through stories and philosophical musings, Abbey reflects on the condition of our remaining wilderness, the future of a civilization, and his own internal struggle with morality. As the world continues its rapid development, Abbey's cry to maintain the natural beauty of the West remains just as relevant today as when this book first appeared in 1968.

Sailing Solitaire James and Nancy Aadland,2008-11-25 Jim and Nancy had a different dream for their retirement. They imagined

themselves traveling to remote settlements on tropical Islands in their sailboat - meeting the people, learning the history, enjoying the environment, and giving a little back along the way. Their biggest challenge was how to accomplish that without the means of the rich and famous. They were a late-in-life couple; starting over in their forties. They didn't have trust funds and stock portfolios - just government jobs with modest pensions, 401K's and social security. They didn't even have a boat yet. What they did have was a plan. Sail with Jim and Nancy on their 41 foot sailboat, Solitaire, during their first year as cruisers. Read Jim's journals and Nancy's logs as they travel from New England to the Bahamas; learning one lesson after another and getting ready to venture into more remote areas of the world.
