Girls Who Travel Nicole Trilivas, 2015-12-01 A hilarious, deftly written debut novel about a woman whose wanderlust is

about to show her that sometimes you don't have to travel very far to become the person you want to be... There are many reasons women shouldn't travel alone. But as foul-mouthed, sweet-toothed Kika Shores knows, there are many more reasons why they should. After all, most women want a lot more out of life than just having fun. Kika, for one, wants to experience the world. But ever since she returned from her yearlong backpacking tour, she's been steeped in misery, battling rush hour with all the other suits. Getting back on the road is all she wants. So when she's offered a nanny job in London – the land of Cadbury Cream Eggs – she's happy at the prospect of going back overseas and getting paid for it. But as she's about to discover, the most exhilarating adventures can happen when you stay in one place... Wise, witty, and hilarious, *Girls Who Travel* is an unforgettable novel about the highs and lows of getting what you want—and how it's the things you least expect that can change your life.

On Safari in Africa Patrick Brakspear, 2008

Confessions of an African Safari Guide Lloyd Camp, 2020-05-06

So, who is the jeep-jockey in the khaki uniform and the sweat-stained hat, this person you entrust your life to when you venture into the African wilderness? What's his back-story, why is he even in this bush-guiding gig, really...and what does he think of you? What secrets does he keep, what chances does he take and what lies does he tell? And which colleagues and clients does he remember? And why? Lloyd Camp wrote about how thrilling and addictive African wildlife safaris are in his first book, *Africa Bites*. In *Confessions*, Lloyd's thoughtful stories continue to intrigue, provoke and amuse. The enthralling and often bizarre world of safari guiding continually delivers evocative theatre; now, Lloyd reveals some of the truths and tricks that ensure a dazzling safari experience, while also underscoring the fervour, foibles and frailties of safari guides. His stories interrogate the actions of the people he has worked with, laugh at some fondly held safari legends told as inviolate truths, and question many of the casual life assumptions of the safari guests in his care. Lloyd is not afraid

to lampoon himself...or to poke fun at anyone else! This is a refreshingly forthright view - edgy, heart-warming, personal, pointed, often hilarious, sometimes dark - of the strange and compelling people, ludicrous predicaments and harsh realities that he has encountered on his journeys through the African wilderness. And if you think you recognise yourself in this book, you're right!

Botswana & Namibia Lonely Planet, Alan Murphy, Anthony Ham, Trent Holden, Matthew Firestone, Kate Morgan, 2013 Botswana and Namibia fused together by epic landscape, including Fish River Canyon the Kalahari and the Okavango Delta and some of the concentration and diversity of wildlife this is truly Africa.
