Tales from the University of South Carolina Gamecocks Locker Room Tom Price, 2015-08-11 With one of the most amazing football turnarounds in NCAA history, from 0-21 in 1998-99 to a 2001 Outback Bowl victory over Ohio State and six subsequent championships since, the South Carolina Gamecocks rang in the new century with a bang. For 45 years, author Tom Price was in Columbia, South Carolina recording the stories that have made the Gamecocks one of America's greatest collegiate sports teams. Whether it's tales of football, basketball, soccer, baseball, golf, track and field, or any one of the Gamecocks' many other sports, this book, first published in 2001, captures it all through engaging anecdotes gleaned from the author's many years of personal experience and interviews with athletes and others connected with the university. Perfect for the shelf of any fan of the garnet and black! Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

**Game of My Life South Carolina Gamecocks** Rick Scoppe, Charlie Bennett, 2013-07-01 Several prominent South Carolina football players of the past share their fondest single-game experience and memories. Some of these games are the greatest in school history, while others are ordinary save for significant personal meaning. In each case, it is the player who singles out the game, the moment in time that to him is the most defining of his Gamecock football career. Together these stories weave a tapestry of South Carolina Gamecock football history. Heisman Trophy-winner George Rogers, as well as other legends like ponytailed QB Steve Taneyhill; record-setting QB Todd Ellis; Dan Reaves, an eventual Super Bowl head coach; running back Brandon Bennett; and running back Rob DeBoer are profiled in this unique book. Game of My Life South Carolina Gamecocks takes readers down memory lane, while also providing an in-depth look into the men and games that helped shape and build the Gamecock football heritage.

*Hidden History of Gamecocks Football* David Caraviello, 2020-08-10 Since the earliest days of football, the Gamecocks have helped make the sport a favorite in the Palmetto State. In the early 1900s, the team joined many other schools banning college football because of the injuries and deaths nationwide. Martha Williams Brice donated \$2.75 million from her estate to help bring about an aggressive and overdue expansion. After executing one dazzling play after another and surviving three down-to-the-wire games in ACC play, the Gamecocks won their first and only conference championship in 1969. Author David Caraviello offers a behind-the-scenes look at Gamecock football history.

**A Gamecock Odyssey** Alan Piercy, 2023-11-14 Meet the coaches, athletes, and notable characters that laid the foundation for today's Gamecock Nation. The summer of 1971 was especially hot in Columbia and not just because of the weather. It was that year that a long-simmering conflict between the University of South Carolina and the Atlantic Coast Conference (ACC) reached the point of boiling over. Frustrations over the ACC's recruiting and admission standards, and growing pressure from influential athletics director and head football coach Paul Dietzel, led the board of trustees to cast a vote in favor of leaving the conference that USC had helped to found eighteen years earlier. This vote would mark the beginning of a new independent era of Gamecock athletics, but few at the time could have imagined the resulting twenty-year odyssey. In *A Gamecock Odyssey: University of South Carolina Sports in the Independent Era*, Alan Piercy chronicles the significant events and describes the larger-than-life characters of the years following the university's departure from the ACC. The University of South Carolina experienced some of the highest highs and lowest lows in its athletics history. Tales of interpersonal clashes between football head coach Paul Dietzel and men's basketball head coach Frank McGuire; the rise and fall of women's basketball coach Pam Parsons; George Rogers and his magical Heisman Trophy-winning season; the birth of USC's beloved mascot, Cocker; and other USC sports stories converge, stirring feelings of amusement, nostalgia, and pride. With colorful storytelling and Gamecock pride, Piercy gives college sports fans a behind-the-scenes tour of these raucous decades. He explains how South Carolina's independent era tells the broader story of NCAA sports conference realignment, Title IX, the impact of the civil rights movement on college athletics, the evolution of college sports media coverage, and the development of college sports into a multi-billion-dollar business sustained by TV broadcast and licensing rights. *A Gamecock Odyssey* captures the spirit of the time and shows the reader how those years influenced today's Gamecock culture and national obsession with college athletics.

**Gamecock 2** Travis Haney, 2012-04-08 The Gamecocks baseball team's surprising, heart-pounding run to the 2010 College World Series title seemed to many as if it could not be paralleled, in its excitement or its overall meaning to the school and the state of South Carolina. In 2011, though, they topped what they had already done, returning home champions and parading in style to the State House steps. In 2010, they honored the life of 7-year-old Bayler Teal, a cancer victim who died during the College World Series. In 2011, they celebrated the life of Omaha native Charlie Peters, a 13-year-old cancer survivor who served as a batboy for the team. The Gamecocks celebrated with a traditional dogpile near the pitcher's mound, Peters jumped on top of the mass of players and coaches.

*A History of College Football in South Carolina* Fritz P. Hamer, John Daye, 2009-11-09 The Medicos, the Purple Hurricane, the Seceders— all South Carolina football mascots that long ago drifted into history. From as early as 1889, college football began to take hold of South Carolina. The fans of the state's first intercollegiate game could hardly have foreseen how it would steadily grow from a competition between amateurs into tightly organized teams with well-paid coaches and demanding alumni, all with a passionate desire to win. This volume goes beyond Clemson and Carolina to trace the history of college teams from all over the state, including Wofford, Furman, SC State, Presbyterian College, Erskine, Claflin, The Citadel, MUSC, the College of Charleston, Newberry College, Benedict College and Allen University. Join museum curator Fritz Hamer and longtime South Carolina high school football coach John Daye as they celebrate the state's most notable coaches, players and rivalries, as well as the many unsung heroes who have helped to make the sport a statewide obsession.

**The Championship** David Henry Lucas, 2013-08 The game of American Football is in its 144th year. The modern-day game of football took its present form about 100 years ago when the NCAA was formed. It is not my intention to give a history of the game, but to give you, my reader a glimpse into what life was like for a college football player at the University of South Carolina in the second half of the 1960s. The game of football is genius, and although there have been some minor rule changes, the game we played then, is the same game played today. Only the strategies have evolved along with the popularity of the sport. Life as a college football player in the 1960's did afford time for other endeavors and fun, so also within these pages are tales of fraternity life that are straight out of the movie *Animal House* and travel adventures that spanned this great country all the way to the 'Last Frontier'. The 60's were a time of generational and cultural transformation. We, as student athletes, were dealing with this transformation as was everyone else. In football at South Carolina, there was a major coaching change that complicated life at the same time. But we did come together as players and coaches and we accomplished something that had never been achieved before at South Carolina. The 1969 South Carolina Football team went undefeated in conference play and won the ACC Championship. I was fortunate to have played on the team. While life as a student-athlete wasn't always easy, I am grateful for the opportunity to compete as a Gamecock and to have received a stellar education. I am equally grateful for the people I have met along the way, many who have become lifelong friends. We were able to capture our first Conference Championship together and I think all of us—fans, coaches, staff and players, cherish those memories more each day. I feel certain that very soon, another team of South Carolina athletes, coaches and staff will not only win Conference Championships, but will create memories, they too can cherish for a lifetime. I hope you enjoy this journey from the gridiron at the University of South Carolina to the wilds of Southeastern Alaska almost as much as I did taking it. Go Cocks! **Here We Go!** David Cloninger, 2017-11-06 Most people thought it would take a miracle to bring the Gamecocks' women's basketball team to the nation's top teams, but Dawn Staley has always beaten the odds. She stood at the podium on May 10, 2008, and promised to bring national prominence to South Carolina, and with a lot of hard work, Staley's vision for the Gamecocks' women's basketball team came true over the next nine

years, culminating in the 2017 national championship. Her willingness to keep striving and to deliver on her promise was met with early resistance, but it paid off with several winning seasons, terrific recruits, and finally, the only prize Staley had not obtained in a lifetime of championship basketball. David Cloninger takes you on the team's journey to the national title.

**Gamecock Glory** Travis Haney,2011-03-18 After more than one hundred years of craving a champion, the University of South Carolina finally has one. The 2010 Gamecock baseball team won six consecutive games over eight summer nights to take the College World Series and lay claim to the school's first major national championship. From dancing around in a dark locker room to singing Silent Night? on the team bus after every victory in Omaha, these Gamecocks were as fun-loving as they were talented. And they did it all in the name of one special boy, seven-year-old Bayler Teal. Bayler passed away before he could see his beloved Gamecocks triumph, but the team's victory is a tribute to their number one fan. Join the Post and Courier's Travis Haney as he recounts this incredible team's historic season.

High School Football in South Carolina John Boyanoski,2010-08-05 South Carolina has a proud tradition of high school football stretching back to the 1890s, making the sport one of the most celebrated in the state. Discover how Florence High School-- sometimes dubbed the Yellow Jackets or the Golden Tornadoes--won the first four state titles, a record that has been tied but never broken. And learn about the aftermath of a 1922 game between Columbia and Charleston, when violent Columbia fans hurled eggs at the Charleston train as the players left for home. Through the 1960s, the sport withstood the immense pressure of integration until 157 teams ballooned into 193 by the end of the decade. John Boyanoski reveals the trophies, tears, and triumphs of the Palmetto State's time-honored football legacy.

*Classic Clashes of the Carolina-Clemson Football Rivalry* Travis Haney,Larry Williams,2011-11-16 Former Clemson coach Charley Pell once said that the outcome of the Carolina-Clemson rivalry decides who walks down the street as state champion and who hides in a closet for a year. That's the way it goes in the Palmetto State when these two football teams get together. Playing for the first time in 1896 on a soggy day at the state fair in Columbia, the Gamecocks and the Tigers began a tradition that has lasted over a century. Join award-winning sportswriters Travis Haney and Larry Williams as they recount the greatest moments of the longest uninterrupted series in the South, with firsthand accounts from coaches, players and spectators.
