

Space Dog

Vivian French, Sue Heap

Laika the Space Dog Jeni Wittrock, 2014-07-01 Simple text and full-color illustrations describe the true story of Laika, the first dog in outer space--

Space Dog Mini Grey, 2015-10-27 Meet Space Dog, Astrocat, and Mousetronaut in this hilarious adventure about teamwork and unexpected friendship from the award-winning creator of Traction Man. Space Dog is zooming through Cake Space on the SS Kennel when he receives the first of many distress calls from the vast Spooniverse. Can he rescue the Cereal People, plug up the Ketchup Volcanoes, and defeat the Cheese Ants? All on his own? He might need some help. But Space Dogs, Astrocats, and Mousetronauts have always been sworn enemies! Can they put aside their differences to save the Spooniverse? This hilarious offering from the award-winning Mini Grey is a non-stop adventure, a celebration of imaginative play, and a triumphant story in which sworn enemies become . . . sworn friends!

Laika's Window Kurt Caswell, 2018-09-18 Laika began her life as a stray dog on the streets of Moscow and died in 1957 aboard the Soviet satellite Sputnik II. Initially the USSR reported that Laika, the first animal to orbit the earth, had survived in space for seven days, providing valuable data that would make future manned space flight possible. People believed that Laika died a painless death as her oxygen ran out. Only in recent decades has the real story become public: Laika died after only a few hours in orbit when her capsule overheated. Laika's Window positions Laika as a long overdue hero for leading the way to human space exploration. Kurt Caswell examines Laika's life and death and the speculation surrounding both. Profiling the scientists behind Sputnik II, he studies the

political climate driven by the Cold War and the Space Race that expedited the satellite's development. Through this intimate portrait of Laika, we begin to understand what the dog experienced in the days and hours before the launch, what she likely experienced during her last moments, and what her flight means to history and to humanity. While a few of the other space dog flights rival Laika's in endurance and technological advancements, Caswell argues that Laika's flight serves as a tipping point in space exploration "beyond which the dream of exploring nearby and distant planets opened into a kind of fever from which humanity has never recovered." Examining the depth of human empathy—what we are willing to risk and sacrifice in the name of scientific achievement and our exploration of the cosmos, and how politics and marketing can influence it—Laika's Window is also about our search to overcome loneliness and the role animals play in our drive to look far beyond the earth for answers.

Space Dog to the Rescue Vivian French, Sue Heap, 2000-04-01 Space Dog journeys to the Beeper planet to find out why their moon is dripping.

Soviet Space Dogs Olesya Turkina, 2014 Tells the true stories of Laika, Belka, Strelka, and the other space dogs who were sent on experimental space flight explorations by the Soviet Union between 1951 and 1956.

Space Dogs Justin Ball, Evan Croker, 2009-02-19 It all begins with Laika, the first dog in space. Launched into orbit by the Soviet Union, Laika's craft is accidentally sucked through a wormhole and onto the Planet Gersbach, inhabited by highly intelligent but very tiny people. When a mysterious disturbance of gravity (D.O.G.) threatens to destroy Gersbach, Commanders Belka and Strelka are just the men to seek and destroy the source

of D.O.G. Their vehicle: A highly sophisticated craft that looks exactly like a terrier. Blending in with the locals on earth should be no problem. And with the help of the Buckleys, a lovable Earth family with problems of their own, the mission to save their planet may still prevail.

Space Dog and Roy Natalie Standiford,1998 Roy, who has always wanted a dog, thinks he's found the perfect pet when an explorer from the planet Queekrg, whose inhabitants are all dogs, crash lands in the backyard.

Space Dog Finds Treasure Vivian French,Sue Heap,2000-04-01 Eye Patch, an evil space pirate, is determined to steal the Star King's treasure and send Space Dog on a wild goose chase.

Dogs in Space Nancy Coffelt,1996-03 Dogs in space visit each of the planets in the solar system, finding no one at home anywhere, and return to Earth.

Space Dog and the Pet Show Natalie Standiford,1999

Space Dog Visits Planet Earth Vivian French,2000-10-01 Space Dog must rescue Green Moon and Pink Arkle from the sticky web that the Spindlers have woven from all the smoke and bad smells that come from long tubes attached to every building on a planet called Earth.

Space Dogs Martin Parr,2019-06-11 This fascinating book tells the story of the soviet space dogs, illustrated with legendary photographer Martin Parr's vintage space-dog memorabilia. In the 1950s the space race between the USA and the USSR was well and truly on, and was for both a matter of pride and propaganda. But before man ventured into the cosmos, his four-legged friends would pave the way for space exploration. The first

canine cosmonaut was Laika, meaning 'barker'. The little stray could never have anticipated that she would one day float 200 miles above the Moscow streets. She would be canonized as a proletarian hero, appearing on stamps, postcards and souvenirs. Her successors were Belka and Strelka, the first dogs to successfully return safely to Earth, and with them, the cult of the space dog was born. In a regime that eschewed celebrating individual achievement, the space dogs became Soviet superstars, with a vast array of merchandise, books and films in their honor. A must for read for fans of Soviet Space Dogs by Olesya Turkina and Designed in the USSR: 1950-1989 by Moscow Design Museum..

Space Dog in Trouble Natalie Standiford, 1998 Packed with pooches, aliens, and plenty of laughs, these four tales about that stellar canine Space Dog are truly out of this world!

Space Dogs Chris Dubbs, 2003 Back when scientists knew nothing about space travel, back when rockets were new, a group of Russian cosmonauts rode rockets to the edge of space and into earth orbit. These pioneer space travelers were dogs, space dogs of the Soviet space program. For 15 years, space dogs occupied the world stage, blazing trails as the first astronauts. Their flights taught scientists how living beings reacted to rocket travel and tested the equipment that would be used for human space flight. The age of the space dog extended from the first launch in 1951 until the final, record-breaking dog flight in 1966. Some dogs won world-wide fame. Most of them, however, worked-and died-in obscurity. They were all pioneers of space travel. And no one has ever told their story. Until now. Space Dogs dramatizes the training of the dogs, the harrowing early flights, the tragic accidents, the fame that came to the program after the launch of Laika in Sputnik 2,

and the final flights leading up to the first manned flight.Space Dogs includes never-before-published photos from the archives of Novosti, the Russian News Agency.

Dogs in Space: The Amazing True Story of Belka and Strelka Victoria

Southgate,2018-05-03 Meet Belka and Strelka, the two dogs who changed the face of space history and became international celebrities in the process! In 1960, two stray dogs were plucked from the streets of Moscow to become space pioneers. This quirky and delightful picture book tells the incredible true story of these heroic strays. Selected from a number of potential canine cosmonauts, Belka and Strelka are put through their paces on the ground, as they practice rocket simulations and wearing spacesuits, before being launched into outer space as the first ever living creatures to successfully orbit the Earth. Miraculously, the dogs survive the mission and upon their return embark on a tour of the USSR, clad in their carefully tailored jumpsuits - one red, one green - becoming international celebrities. As for their legacy, less than a year after their safe return the Soviet space programme felt confident enough to send the first human into space.

Space Dog the Hero Natalie Standiford,1991-02-01 After a burglary in the neighborhood, Roy's father decides that the extraterrestrial canine, Space Dog, should earn his keep as a watch dog, a difficult task for the cowardly mutt.

The Adventures of Space Dog Sir Captain Patrick,2022-02-14 The story about a dog who misses home when he's in space, and misses space when he's at home--perfect for children who yearn to be in two places at once and have an interest in dogs, space exploration, and cute aliens. Space Dog had a dream, and his dream came true to see the stars in a ship painted blue. But he already misses his planet and friends as he waves

through a window at the world he lived. Join Space Dog on his unforgettable adventure to see the Universe's most amazing sights in his rocket ship Old Blue! Can you spot the friends he meets along the way? You may even learn something new! The Adventures of Space Dog series doesn't hide its feelings as Space Dog tries to find the balance between exploration and being at home with his family and friends. It's an unforgettable ride learning facts about outer space, lessons about life, and of course ADVENTURE!

Space Dog the Hero Natalie Standiford, 1999 Space Dog, who is really an alien from the planet Queekrg, has a hard time pretending to be a watchdog when Roy's father goes away on a business trip.

Space Boy and His Dog Dian Curtis Regan, 2015-04-07 Niko may live on boring old Earth with his family, but he's always finding a new adventure. Using the spaceship that he built from a box in his backyard and a little imagination, he flies off into space with his robot, Radar, and his dog, Tag. The only one NOT invited is his sister Posh who keeps trying to insert herself into Niko's story. In this first mission, Niko and crew (and maybe also pesky Posh) fly to the moon in search of a lost cat. Illustrated in comic-book style and featuring easy-to-read text packed with humor, Space Boy and His Dog is Niko's first adventure, with two more books planned in the series.

Space Dog Meets Space Cat Vivian French, Sue Heap, 2000-06-01 Space Dog solves a strange case of howling in outer space. Space Dog.

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching

creation, Tender Moments: **Space Dog** . This emotionally charged ebook, available for download in a PDF format (Download in PDF: *), is a celebration of love in all its forms. Download now and let the warmth of these stories envelop your heart.
