Jack of Spades Joyce Carol Oates,2015-05-05 An exquisite, psychologically complex thriller about opposing forces within the mind of one ambitious writer and the delicate line between genius and madness. Andrew J. Rush has achieved the kind of critical and commercial success most authors only dream about: He has a top agent and publisher in New York, and his twenty-eight mystery novels have sold millions of copies. Only Stephen King, one of the few mystery writers whose fame exceeds his own, is capable of inspiring a twinge of envy in Rush. But Rush is hiding a dark secret. Under the pseudonym “Jack of Spades,” he pens another string of novels—noir thrillers that are violent, lurid, and masochistic. These are novels that the upstanding Rush wouldn’t be caught reading, let alone writing. When his daughter comes across a Jack of Spades novel he has carelessly left out, she picks it up

and begins to ask questions. Meanwhile, Rush receives a court summons in the mail explaining that a local woman has accused him of plagiarizing her own self-published fiction. Before long, Rush's reputation, career, and family life all come under threat—and in his mind he begins to hear the taunting voice of the Jack of Spades. “Sleek and suspenseful . . . Readers are sure to be gripped and unsettled by [Oates's] depiction of a seemingly mild-mannered character whose psychopathology simmers frighteningly close to the surface.” —Publishers Weekly, starred review “Just when you think you've got her all figured out, Joyce Carol Oates sneaks up behind and confounds you yet again. She does it with a wicked flourish in Jack of Spades.” —The New York Times Book Review

Sessional Papers of the Dominion of Canada Canada. Parliament, 1891 Report of the Dominion fishery commission on the fisheries of the province of Ontario, 1893, issued as vol. 26, no. 7, supplement.

The Queen of Spades Aleksan Sergeyevich Pushkin, 2015-09-20 Pushkin's story tells of the Russianized German card player, Hermann--an engineer in the army in Russia--who becomes obsessed with the secret of three consecutive winning cards after hearing a story about an old countess' winnings years prior. His obsession drives him to manipulate the countess' ward, Lizaveta Ivanovna, into letting him into their home. Mutual Aid Dean Spade,2020-10-27 Mutual aid is the radical act of caring for each other while working to change the world. Around the globe, people are faced with a spiralling succession of crises, from the Covid-19 pandemic and climate change-induced fires, floods, and storms to the ongoing horrors of mass incarceration, racist policing, brutal immigration enforcement, endemic gender violence, and severe wealth inequality. As governments fail to respond to—or actively engineer—each crisis, ordinary people are finding bold and innovative ways to share resources and support the vulnerable. Survival work, when done alongside social movement demands for transformative change, is called mutual aid. This book is about mutual aid: why it is so important, what it looks like, and how to do it. It provides a grassroots theory of mutual aid, describes how mutual aid is a crucial part of

powerful movements for social justice, and offers concrete tools for organizing, such as how to work in groups, how to foster a collective decision-making process, how to prevent and address conflict, and how to deal with burnout. Writing for those new to activism as well as those who have been in social movements for a long time, Dean Spade draws on years of organizing to offer a radical vision of community mobilization, social transformation, compassionate activism, and solidarity.

Sessional Papers, 1891 Report of the Dominion fishery commission on the fisheries of the province of Ontario, 1893, issued as vol. 26, no. 7, supplement.

Ace of Spades Faridah Àbíké-Íyímídé, 2021-06-01 Gossip Girl meets Get Out in Ace of Spades, a YA contemporary thriller by debut author Faridah Àbíké-Íyímídé about two students, Devon & Chiamaka, and their struggles against an anonymous bully. All you need to know is . . . I'm here to divide and conquer. Like all great tyrants do. —Aces When two Niveus Private Academy students, Devon Richards and Chiamaka Adebayo, are selected to be part of the elite school's senior class prefects, it looks like their year is off to an amazing start. After all, not only does it look great on

college applications, but it officially puts each of them in the running for valedictorian, too. Shortly after the announcement is made, though, someone who goes by Aces begins using anonymous text messages to reveal secrets about the two of them that turn their lives upside down and threaten every aspect of their carefully planned futures. As Aces shows no sign of stopping, what seemed like a sick prank quickly turns into a dangerous game, with all the cards stacked against them. Can Devon and Chiamaka stop Aces before things become incredibly deadly? With heart-pounding suspense and relevant social commentary comes a high-octane thriller from debut author Faridah Àbíké-Íyímídé.
