Off the Wall Gourmet Marshmallows Teresa Wagner, 2014-11-15 I was born and raised in Santa Monica, California. One of my earliest memories is cooking in the kitchen with my grandmother, Daisy Ragsdale. She taught me how to make a variety of candies from scratch, when back then it was a pinch and a dash. We loved looking over cookbooks together, something I enjoy to this day. It was while engrossed in this pleasure one day that I discovered a recipe for homemade marshmallows. I was immediately taken with the possibility of almost limitless variations - and I was off and running. My first foray into the marshmallow world was a mint creation. After dipping the cut squares into white and dark chocolate, I topped them with toasted coconut and nuts. (Sounded good to me!) I received such an overwhelming response from friends and family that I started experimenting with new and bold flavors. And that's where this off the wall cookbook came from. Enjoy! ~~ Teresa Wagner ~~

Recipes for marshmallow flavors for every day and even holidays are included in this collection, including churro, toasted coconut, mint chocolate chip, pumpkin spice, peppermint,

In addition to marshmallows that are stuffed or dipped, you'll find recipes to compliment the marshmallows like homemade graham crackers, oatmeal cream pies, and many more. Fast forward, and her @plantyou brand continues to grow and grow, reaching +470k followers in just a few short years. Her secret? Easy, accessible recipes that don't require any special ingredients, tools, or know-how; what really makes her recipes stand out are the helpful infographics that accompany them,

Danielle Walker's Against All Grain Celebrations Danielle Walker,2016-09-27
NEW YORK TIMES BESTSELLER • 125 recipes for grain-free, dairy-free, and gluten-free comfort food dishes for holidays and special occasions NAMED ONE OF THE FIVE BEST GLUTEN-FREE COOKBOOKS OF ALL TIME BY MINDBODYGREEN When people adopt a new diet for health or personal reasons, they worry most about the parties, holidays, and events with strong food traditions, fearing their fond memories will be lost along with the newly eliminated food groups. After suffering for years with a debilitating autoimmune disease and missing many of these special occasions herself, Danielle Walker has revived the joy that cooking for holidays can bring in Danielle Walker's Against All Grain Celebrations, a collection of recipes and menus for twelve special occasions throughout the year. Featuring a variety of birthday cakes, finger foods to serve at a baby or bridal shower, and re-creations of backyard barbecue

standards like peach cobbler and corn bread, Danielle includes all of the classics. There's a full Thanksgiving spread—complete with turkey and stuffing, creamy green bean casserole, and pies—and menus for Christmas dinner; a New Year's Eve cocktail party and Easter brunch are covered, along with suggestions for beverages and cocktails and the all-important desserts. Recipes can be mixed and matched among the various occasions, and many of the dishes are simple enough for everyday cooking. Stunning full-color photographs of every dish make browsing the pages as delightful as cooking the recipes, and beautiful party images provide approachable and creative entertaining ideas. Making recipes using unfamiliar ingredients can cause anxiety, and while trying a new menu on a regular weeknight leaves some room for error, the meal simply cannot fail when you have a table full of guests celebrating a special occasion. Danielle has transformed her most cherished family traditions into trustworthy recipes you can feel confident serving, whether you're hosting a special guest with food allergies, or cooking for a crowd of regular grain-eaters.

Binging with Babish Andrew Rea, 2019 Recipes recreated from beloved movies and TV shows by the host of one of the most popular food programs on the internet

Heirloom Kitchen Anna Francese Gass, 2019-04-30 A gorgeous, full-color illustrated cookbook and personal cultural history, filled with 100 mouthwatering recipes from around the world, that celebrates the culinary traditions of strong, empowering immigrant women and the remarkable diversity that is American food. As a child of Italian immigrants, Anna Francese Gass grew up eating her mother’s Calabrian cooking. But when this professional cook realized she had no clue how to make her family’s beloved meatballs—a recipe that existed only in her mother’s memory—Anna embarked on a project to record and preserve her mother’s recipes for generations to come. In addition to her recipes, Anna’s mother shared stories from her time in Italy that her daughter had never heard before, intriguing tales that whetted Anna’s appetite to learn more. Reaching out to her friends whose mothers were also immigrants, Anna began cooking with dozens of women who were eager to share their unique memories and the foods of their homelands. In Heirloom Kitchen,

Anna brings together the stories and dishes of forty-five strong, exceptional women, all immigrants to the United States, whose heirloom recipes have helped shape the landscape of American food. Organized by region, the 100 tantalizing recipes include: Magda's Pork Adobo from the Philippines Shari's Fersenjoon, a walnut and pomegranate stew, from Iran Tina's dumplings from Northern China Anna's mother's Calabrian Meatballs from Southern Italy In addition to the dishes, these women share their recollections of coming to America, stories of hardship and happiness that illuminate the power of food—how cooking became a comfort and a respite in a new land for these women, as well as a tether to their native cultural identities. Accented with 175 photographs, including food shots, old family photographs, and ephemera of the cooks' first years in America—such as Soon Sun's recipe book pristinely handwritten in Korean or Bea's cherished silver pitcher, a final gift from her own mother before leaving Serbia—Heirloom Kitchen is a testament to empowerment and strength, perseverance and inclusivity, and a warm and inspiring reminder that the story of immigrant food is, at its core, a story of American food.
