Local Journalism Rachel Matthews,Guy Hodgson,2023-07-13 Local Journalism investigates the range of meanings associated with the ‘local newspaper’ and considers how digital technology has disrupted the fabric of the local news industry. Divided into two parts, this book first provides a theoretical account of how normative meanings associated with the local newspaper have been challenged by the impact of digital technology and then goes on to explore these questions via case studies drawn from a variety of contexts including the US, Ireland, Denmark, the UK and Spain. It suggests three thematic ways of understanding the role of the legacy local newspaper in a post-digital environment, namely as an information provider, commercial entity and community champion. While much scholarship talks of their demise, this book argues for a more nuanced understanding of the local newspaper and its continued significance to people, places and commercial interests. Local Journalism will benefit students, academics and researchers in the areas of journalism, media studies and sociology.

Sports Business Management George Foster,Norm O'Reilly,Antonio Dávila,2020-08-09 This new edition of a widely adopted textbook equips students with a comprehensive understanding of the sport industry. With a focus on management, strategy, marketing and finance, the decision-making approach of the book emphasizes key concepts while translating them into practice. Content specific to each of the vital stakeholders in the sport business is included. Foster, O'Reilly and Dávila present a set of modular chapters supported with international examples. Supplementary materials available to instructors include mini-cases, full case studies, activities, in-class lecture materials and exercises to help students apply the decision-making approach to real-world situations. The book includes content about sport organizations, such as the Olympic Games, FIFA World Cup, the European Premier Leagues and Major North American Professional Sport Leagues. Stanford cases are updated for the second edition and entirely new chapters cover the latest topics, including esports, sports gambling, fantasy sports and crisis management. This is an ideal textbook for upper-level undergraduate and postgraduate students of sports business and management.

The National Basketball Association Frank P. Jozsa,2011 The National Basketball Association (NBA) is widely recognized as an entertaining and innovative league whose teams play regular season and postseason games in packed arenas at home and away sites in the United States and Canada. This book discusses the development, growth, and success of the 61-year-old NBA from a business perspective. Covering the late 1940s to 2009, it focuses on the league's expansions and mergers, team territories and relocations, franchise organizations and operations, basketball arenas and markets, and NBA domestic and international affairs. Readers will gain an insight into when, how, and why the NBA emerged, reformed, and gradually matured to become one of the world's most dominant, prosperous, and popular professional sports organizations today.

Focus On: 100 Most Popular National Basketball Association All-Stars Wikipedia contributors,

The Encyclopedia of Contemporary Spanish Films Salvador Jimenez Murguía,Alex Pinar,2018-05-18 Under the Franco regime (1939-1976), films produced in Spain were of poor quality, promoted the regime’s agenda, or were heavily censored. After the dictator’s death, the Spanish film industry transitioned into a new era, one in which artists were able to more freely express themselves and tackle subjects that had been previously stifled. Today, films produced in Spain are among the most highly regarded in world cinema. The Encyclopedia of Contemporary Spanish Films features nearly 300 entries on the written by a host of international scholars and film critics. Beginning with movies released after Franco’s death, this volume documents four decades of films, directors, actresses and actors of Spanish cinema. Offering a comprehensive survey of films, the entries address such topics as art, culture, society and politics. Each includes comprehensive production details and provides brief suggestions for further reading. Through its examination of the films of the post-Franco period, this volume offers readers valuable insights into Spanish history, politics, and culture. An indispensable guide to one of the great world cinemas, The Encyclopedia of Contemporary Spanish Films will be of interest to students, academics, and the general public alike.

Mike Torrez Jorge Iber,2016-08-02 The history of baseball is filled with players whose careers were defined by one bad play. Mike Torrez is remembered as the pitcher who gave up the infamous three-run homer to Bucky Bleeping Dent in the 1978 playoffs tie-breaker between the Red Sox and Yankees. Yet Torrez's life added up to much more than his worst moment on the mound. Coming from a vibrant Mexican American community that settled in Topeka, Kansas, in the early 1900s, he made it to the Majors by his own talent and efforts, with the help of an athletic program for Mexican youth that spread through the Midwest, Texas and Mexico during the 20th century. He was in the middle of many transformative events of the 1970s--such as the rise of free agency--and was an ethnic role model in the years before the Fernandomania of 1981. This book covers Torrez's life and career as the winningest Mexican American pitcher in Major League history.

Media Law in Spain Ana Azurmendi,Carles Llorens,2018-06-11 Derived from the renowned multi-volume International Encyclopaedia of Laws, this analysis of media law in Spain surveys the massively altered and enlarged legal landscape traditionally encompassed in laws pertaining to freedom of expression and regulation of communications. Everywhere, a shift from mass media to mass self-communication has put enormous pressure on traditional law models. An introduction describing the main actors and salient aspects of media markets is followed by in-depth analyses of print media, radio and television broadcasting, the Internet, commercial communications, political advertising, concentration in media markets, and media regulation. Among the topics that arise for discussion are privacy, cultural policy, protection of minors, competition policy, access to digital gateways, protection of journalists’ sources, standardization and interoperability, and liability of intermediaries. Relevant case law is considered throughout, as are various ethical codes. A clear, comprehensive overview of media legislation, case law, and doctrine, presented from the practitioner’s point of view, this book is a valuable time-saving resource for all concerned with media and communication freedom. Lawyers representing parties with interests in Spain will welcome this very useful guide, and academics and researchers will appreciate its value in the study of comparative media law.

The Emerald Handbook of Computer-Mediated Communication and Social Media Jeremy Harris Lipschultz,Karen Freberg,Regina Luttrell,2022-06-27 Uniquely relating social media communication research to its computer-mediated communication foundation, as well as digital and emerging media trends, this handbook is an indispensable resource whether you're a graduate student or a seasoned practitioner.

The Sports Hall of Fame Encyclopedia David Blevins,2012 Provides a comprehensive listing, including biographical information and statistics, of each athlete inducted into one of the major sports halls of fame.

Globalizing Sport George H. Sage,2015-11-17 Sport is enjoyed by millions of people across the world, and both watching and playing sport constitutes a major part of modern leisure time. But sport is also a huge worldwide industry. In Globalizing Sport, George Sage invites readers to explore a deeper understanding of the global dynamics of sport - not only competitions but of the big businesses of money, media coverage, athletic apparel and more. He shows how phenomena such as migration, labour, commerce and politics affect the athletes and the fans, continually reshaping the business and experience of sport. Globalizing Sport puts sport in its political, economic and social context, revealing its connections with businesses, countries, media outlets and education systems.

Centres and Peripheries David Hutchison,2011-01-18 The essays in this collection explore centre/periphery relationships in journalism on a wide geographical canvas—the British Isles, Europe, North America and Australasia. The authors—academics and journalists—discuss a range of issues including: • Varying news agendas • News agendas and regional/national identities • News agendas and ownership patterns • The viability of regional/non-metropolitan media hubs • Media policy at national and non-national levels • Language and non-metropolitan journalism • Peripheries within peripheries The authors take full account of the technological and financial challenges facing journalism in the digital age.

Graphic Sports Joe Aggrey,1997-12-23

American Sports [4 volumes] Murry R. Nelson,2013-05-23 America loves sports. This book examines and details the proof of this fascination seen throughout American society—in our literature, film, and music; our clothing and food; and the iconography of the nation. This momentous four-volume work examines and details the cultural aspects of sport and how sport pervasively reflects—and affects—myriad aspects of American society from the early 1900s to the present day. Written in a straightforward, readable manner, the entries cover both historical and contemporary aspects of sport and American culture. Unlike purely historical encyclopedias on sports, the contributions within these volumes cover related subject matter such as poetry, novels, music, films, plays, television shows, art and artists, mythologies, artifacts, and people. While this encyclopedia set is ideal for general readers who need information on the diverse aspects of sport in American culture for research purposes or are merely reading for enjoyment, the detailed nature of the entries will also prove useful as an initial source for scholars of sport and American culture. Each entry provides a number of both print and online resources for further investigation of the topic.

Principles and Practice of Sport Management Lisa Pike Masteralexis,Mary Hums,2023-06-30 Updated and revised with the latest data in the field, *Principles and Practice of Sport Management, Seventh Edition* provides students with the foundation they need to prepare for a variety of sport management careers. Good News for Moderns Nero James Pruitt,2015-06-27 There are many ways to be a Christian. In *Good News for Moderns* author Nero James Pruitt shows that within the pages of the New Testament there is room for a diversity of Christianities. This is a diversity that is not talked about often but, when properly understood, expands the perception of what a Christian is. Consider the words of Justin Martyr the second century Christian writer recognized as a saint by the Catholic Church, the Anglicans and the Eastern Orthodox in about 150 AD: We are taught that Christ is the first born of God, and we have shown that He is the reason (word) of whom the whole human race partake. And those who live according to reason are Christians, even though they are counted atheists. Such were Socrates and Heraclitus among the Greeks, and those like them.... Consider the words of John Adams the second President of the United States in 1816: The Ten Commandments and the Sermon on the Mount contain my religion. Consider the words Bill Clinton the forty-second President of the United States: In 1955, I had absorbed enough of my church's teachings to know that I was a sinner and to want Jesus to save me Finally, consider the words of the writer of the small New Testament Book of III John: Whoever does good is from God... *Good News for Moderns* is based on Pruitt's reading of the scriptures and over one hundred authors of various points of view. In our busy time it is brief slightly more than one hundred thousand words supplemented by slightly less than one hundred thousand words of end-notes. It recognizes that human life moves by fast in what seems like an infinity of time and space and the book closes this way: By listing many who have come before us and the immensity of time and space I have underscored the brevity of our lives because as a Psalmist taught, recognizing our own mortality is the path to wisdom.

Handbook of Sports and Media Arthur A. Raney,Jennings Bryant,2009-03-04 This distinctive Handbook covers the breadth of sports and media scholarship, one of the up-and-coming topics bridging media entertainment, sports management, and popular culture. Organized into historical, institutional, spectator, and critical studies perspectives, this volume brings together the work of many researchers into one quintessential volume, defining the full scope of the subject area. Editors Arthur Raney and Jennings Bryant have recruited contributors from around the world to identify and synthesize the research representing numerous facets of the sports-media relationship. As a unique collection on a very timely topic, the volume offers chapters examining the development of sports media; production, coverage, and economics of sports media; sports media audiences; sports promotion; and race and gender issues in sports and media. Unique in its orientation and breadth, the *Handbook of Sports and Media* is destined to play a major role in the future development of this fast-growing area of study. It is a must-have work for scholars, researchers, and graduate students working in media entertainment, media psychology, mass media/mass communication, sports marketing and management, popular communication, popular culture, and cultural studies.

Spain Basketball League News Introduction

In the digital age, access to information has become easier than ever before. The ability to download Spain Basketball League News has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Spain Basketball League News has opened up a world of possibilities. Downloading Spain Basketball League News provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Spain Basketball League News has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to

access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Spain Basketball League News. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Spain Basketball League News. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Spain Basketball League News, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Spain Basketball League News has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Spain Basketball League News Books

1. Where can I buy Spain Basketball League News books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
