Learn Spanish For Kids Paul Nava, 2021-04-26 THE FIRST BOOK THAT TEACHES THE BASIC SPANISH WORDS TO THE LITTLE ONES WITHOUT LOOKING LIKE A SCHOOL BOOK. This book teaches children the same things as a grammar book, but through fun stories to listen to. This is because, for a child, there's no better way to learn a language than by listening to stories. Think about it: Stories are engaging, compelling, keep the children's attention high, and are able to teach important things without the children even noticing it. Conversely, grammar books (those filled with infinite lists of words, verbs, idioms, and so on) tend to make children RUN AWAY. They're so bored... Imagine that stories are the pole of the magnet that attracts children, while grammar books are the opposite one that pushes them away. So, what will children learn by listening to these short, fun, and relaxing stories? Let me break this down for you: ♦Letters of the Alphabet ♦Numbers ♦The Days of the Week ♦Months of the Year ♦Objects in the House ♦Clothing ♦Food ♦Emotions ♦Animals Children won't even notice they're learning all of that! The little ones can listen to the stories during the day while playing, or before going to sleep as bedtime stories (we know that listening to something before falling asleep causes it to be imprinted in our memory). So, whenever children will listen to these stories... ..Let them become bilingual effortlessly - because once they grow up it becomes much more difficult.

A Spanish Phrasebook for Educators Ruth Darby, 2021-03-31 This book has been written for English speaking teachers who have Spanish speaking children in their classes, and for home-educating parents who would like to introduce some Spanish words and phrases into their education routines. Over 46 themes you will learn vocabulary groups relevant to work and play with primary school age children. Included are lexical groups routines, relationships, games and learning. Pronunciation guides are given throughout. This short and quirky guide to Spanish is for teaching English children Spanish phrases, or for helping Spanish children integrate and feel welcomed into English speaking settings. Inspired by teachers

and children, I hope you will enjoy the gentle humour as you recognise the phrases that we, and our children, really use. When I picture people using this book I imagine educators choosing words, phrases and questions that they think will be particularly useful, and aiming to use them with their children. I have written this for you, whether you have a Spanish speaking child who you are helping to integrate with English speaking peers, or you have English speaking children who want to learn Spanish phrases that are relevant to them. I encourage you to mix the two languages. This is known as code switching. It is a natural way to learn, and because it is unforced, it is easier and more likely to be successful. Thank you for making the effort for your children.

Spanish for Children Julia Kraut, 2009-03-31 Imagine having an energetic and passionate Spanish teacher walk right into your home and sit down to teach your students. That can virtually happen when children learn with Spanish for Children author Julia Kraut on the corresponding DVD and Chant CD set. Pronunciation will become a breeze and don't be surprised to hear even your youngest children picking up the catchy chants and songs. Each lesson (average length 15 minutes), corresponds to the weekly chapter in the Primer, and features Julia and her students chanting their weekly grammar charts and vocabulary, with visual images of the words. Following the vocabulary lesson, Julia Kraut carefully and thoroughly explains Spanish grammar, with the goal of teaching students to create their own sentences, and express exactly what they need to say, rather than simply mimicking common phrases.
