Keepers of Tradition Maggie Holtzberg,2008 Throughout Massachusetts, artists carry on and revitalize deeply rooted traditions that take many expressive forms--from Native American basketry to Yankee wooden boats, Armenian lace, Chinese seals, Puerto Rican santos, and Irish music and dance. These keepers of

tradition are recognized in their communities as outstanding practitioners of craft, music, dance, and sacred arts. Yet much of this work is hidden to the public at large, remaining essentially unknown beyond the local community in which it flourishes. This beautifully illustrated volume celebrates and shares the work of a wide array of these living artists. Passed down from person to person within both long-settled and new immigrant communities, traditional art involves the shaping of deeply held cultural values into meaningful artistic forms. *Keepers of Tradition* presents material drawn from eight years of intensive field research by folklorists at the Massachusetts Cultural Council--an investigation that has taken researchers into the homes, kitchens, workshops, dance halls, places of worship, parade routes, and festival sites where traditional art is produced, used, valued, and displayed. Featuring more than sixty artists from communities across the state, *Keepers of Tradition* showcases high levels of mastery in diverse media--the uniformity and handiness of a Nantucket Lightship basket, the Native quill work on a tobacco pouch, the vibrant colors and textures of a Caribbean Carnival costume, the exquisite gestures of Cambodian dance. At the same time, the text describes the deeply personal and cultural context for each piece of work. This volume is published in conjunction with an exhibition of the same name, organized by the Massachusetts Cultural Council and the National Heritage Museum in Lexington, Massachusetts, and on view there from May 2008 through February 2009.

Vow of Thieves Mary E. Pearson, 2019-08-06 *Vow of Thieves* is the thrilling sequel to *Dance of Thieves*, set in the same world as Mary E. Pearson's New York Times-bestselling *Remnant Chronicles*. But an ominous warning mars their journey back,

and they soon find themselves captured in a tangled web of deceit woven by their greatest enemies and unlikeliest allies, a place where betrayals run deeper and more deadly than either had thought possible, and where timeless ambitions threaten to destroy them both.

You Are Still Here Kyogen Carlson, 2021-08-17 “There’s so much to learn and so much to know. It’s good to keep moving forward. And yet whatever we have is, in a very profound way, absolutely complete and always enough.”—Kyogen Carlson
Kyogen Carlson (1948–2014) was a Soto Zen priest whose writings, teachings, and commitment to interfaith dialogue supported and inspired countless Buddhist, Christian, and other spiritual practitioners. Set to the rhythm of the seasons, *You Are Still Here* is the first published collection of Carlson’s dharma talks. It illuminates key elements of contemporary Zen practice, such as the experience of zazen meditation, the pitfalls and intimacies of the teacher-student relationship and of sangha life, the role of community in personal practice, and the importance of interfaith dialogue reaching across political lines. Carlson’s teachings also underscore his commitment to lay Buddhist practice and women’s lineages, both significant contributions to American Buddhism. The beautifully distilled talks have been carefully edited and introduced by Sallie Jiko Tisdale, a respected writer, teacher, and Dharma heir to Carlson. Her masterful presentation highlights the significance of these illuminating teachings, while preserving Carlson’s distinct style of authenticity, humor, and conviction on the Zen path.

Minecraft: The Mountain Max Brooks, 2021-03-02 In the thrilling sequel to the New York Times bestselling novel *Minecraft: The Island*, a stranded hero stumbles upon another castaway—and discovers that teamwork might just be the secret to survival. Wandering a vast, icy tundra, the explorer has never felt more alone. Is there anything out here? Did I do the right

thing by leaving the safety of my island? Should I give up and go back? So many questions, and no time to ponder—not when dark is falling and dangerous mobs are on the horizon. Gurgling zombies and snarling wolves lurk in the night, and they're closing in. With nowhere to hide, the lone traveler flees up a mountain, trapped and out of options . . . until a mysterious figure arrives, fighting off the horde singlehandedly. The unexpected savior is Summer, a fellow castaway and master of survival in these frozen wastes. Excited to find another person in this strange, blocky world, the explorer teams up with Summer, whose impressive mountain fortress as a safe haven . . . for now. But teamwork is a new skill for two people used to working alone. If they want to make it home, they will have to learn to work together—or risk losing everything.

Celebrating Diwali Elizabeth Morgan, 2022 Many different groups of people have holidays that celebrate the victory of light

over darkness. For example, the Jewish people celebrate Hanukkah every winter. They think of it as a festival, or celebration, of lights. Another popular festival of lights is Diwali. It's known mainly as a Hindu holiday, but it's also celebrated by people who follow the belief systems of Jainism and Sikhism. There are many stories and traditions connected to this festival of lights, and they reach back thousands of years--

Your Music and People Derek Sivers, 2022-05 a philosophy of getting your work to the world by being creative, considerate, resourceful, and connected

Journey Through Fire and Ice Deanne Burch, 2021-01-31 At the age of twenty-three, Deanne Burch accompanied her husband, Ernest Tiger Burch to the Inuit village of Kivalina, Alaska, a barrier island 23 miles above the Arctic Circle. Tiger was conducting a participant study of the natives, whereas Deanne was a city girl - ethnocentric, naïve, and completely unprepared for the journey she was about to embark on. In Kivalina, she lived on the edge of two worlds - the one she left behind and the one where she reluctantly participated in all aspects of the women's lives. Skinning seals, cleaning and drying fish, cutting beluga and caribou to store became her way of life. Plumbing, running water and electricity were not available. Loneliness was a constant companion, although she tried to be accepted by the Inuit women who were suspicious of all white women. Gradually Deanne adapted to living in a culture she knew nothing about. The midnight sun was followed by relentless darkness and brutal weather. With this came a journey into the unknown. First was a fateful camping trip where they nearly lost their lives, followed six days later by a fire in their house, an event that left Tiger badly burned. During the three months Tiger spent in the hospital, his only wish was to return to Kivalina and finish what he had started. Despite horrific burns on his face and hands and seared lungs from which he never recuperated, Tiger and Deanne returned to the village to complete the study. Instead of believing

in fairy tales and happy endings, Deanne became a woman of strength ready to face the next challenge. Over fifty years later she remembers the young girl who left on an unknown journey. A journey that will live in her heart forever.
