Ann Sophia Stephens, Charles Jacobs Peterson

Fairy Bears 4: Sparkle Julie Sykes,2011-09-23 Fairy Bears are the size of bumblebees and live beneath a giant sycamore tree in Firefly Meadow. Fairy Bears always do their best, working hard 'to care for the world and all its plants, animals and children'. This is the Fairy Bear Promise. You'll have to be quick to see them, and you'll have to believe in magic . . . Sparkle loves pretty things, so when her task is to help a colony of butterflies, she's thrilled! But after meeting lonely Isabel she wants to help her as well. Can Sparkle bring a smile to Isabel's face and have enough magic to help the butterflies too?

GLOW OF THE HEART Yasmine Lasheen, There's a reason why you loved that music more than any other, why those lines you read never left you, why you could open up to that person and not to anyone else, why that place felt familiar from the very beginning, why that smile tickled your heart, those tears ached your soul, there's a reason why some people and things occupied real pieces of you more than any, because each one of them is really who you are.

Glimpsed G.F. Miller,2021-01-05 "Filled with tongue-in-cheek humor...a gently fantastical world brimming with teen shenanigans." —Publishers Weekly Perfect for fans of Geekerella and Jenn Bennett, this charming, sparkly rom-com follows a wish-granting teen forced to question if she's really doing good—and if she has the power to make her own dreams come true. Charity is a fairy godmother. She doesn't wear a poofy dress or go around waving a wand, but she does make sure the deepest desires of the student population at Jack London High School come true. And she knows what they want even better than they do because she can glimpse their perfect futures. But when Charity fulfills a glimpse that gets Vindhya crowned homecoming queen, it ends in disaster. Suddenly, every wish Charity has ever granted is called into question. Has she really been helping people? Where do these glimpses come from, anyway? What if she's not getting the whole picture? Making this existential crisis way worse is Noah—the adorkable and (in Charity's opinion) diabolical ex of one of her past clients—who blames her for sabotaging his prom plans and claims her interventions are doing more harm than good. He demands that she stop granting wishes and help him get his girl back. At first, Charity has no choice but to play along. But soon, Noah becomes an unexpected ally in getting to the bottom of the glimpses. Before long, Charity dares to call him her friend...and even starts to wish he were something more. But can the fairy godmother ever get the happily ever after?

The Heart of the Texan Alpha Solange Daye,2024-02-04 What is happening to me?' I groan in my mind. 'I shouldn't care so much about this human.' 'You care for her because she belongs to you,' my wolf replies. 'She is a human,' I remind him. 'She is stumbling over her words like an idiot. Nope. Absolutely not. I will not take this human as my mate. She is not worthy to be a Luna,' 'You are stubborn to change. Just like the rest of your pack,' my wolf replies. 'I am not like them,' I growl at my wolf. 'Then prove it,' my wolf demands. *** Accused of human abuse, Luke is banished and disgraced, he is forced to prove himself to his father before he can return to the pack. Taking a job on a local farm, Luke is mortified to find out that his mate is a human. Luke tries to stay away from Kat because he knows that he will never claim her as his Luna. But the more time he spends with

Kat, the stronger the bond between them becomes. Can he put aside his feelings for humans and claim his mate? Or will he let her go?
