Gender, Power, and Identity in The Films of Stanley Kubrick Karen A. Ritzenhoff,Dijana Metlić,Jeremi Szaniawski,2022-10-21 This volume features a set of thought-provoking and long overdue approaches to situating Stanley Kubrick's films in contemporary debates around gender, race, and age—with a focus on women's representations. Offering new historical and critical perspectives on Kubrick's cinema, the book asks how his work should be viewed bearing in mind issues of gender equality, sexual harassment, and abuse. The authors tackle issues such as Kubrick's at times questionable relationships with his actresses and former wives; the dynamics of power, misogyny, and miscegenation in his films; and auteur apologism, among others. The selections delineate these complex contours of Kubrick's work by drawing on archival sources, engaging in close readings of specific films, and exploring Kubrick through unorthodox venture points. With an interdisciplinary scope and social justice-centered focus, this book offers new perspectives on a well-established area of study. It will appeal to scholars and upper-level students of film studies, media studies, gender studies, and visual culture, as well as to fans of the director interested in revisiting his work from a new perspective.

Spartacus in the Television Arena Michael G. Cornelius,2015-03-11 Spartacus, the Thracian gladiator turned rebel leader, endures as a near-mythic hero who fought for the oppressed against a Roman oligarchy built on the backs of slave labor. The image of Spartacus as a noble if doomed avenger is familiar and his story has been retold through history as a cautionary tale about social injustice. The television series Spartacus takes a different view, with a violent depiction of the man and his times and a focus on the archetype of the gladiator--powerful, courageous and righteous. This collection of new essays studies the series as an exploration of masculinity. In the world of Spartacus, men jockey for social position, question the nature of their lives, examine their relationships with women and with each other, and explore their roles in society and the universe. The series also offers a compelling study of the composite nature of historical narrative in television and film, where key facts from original sources are interwoven with period embellishments, presenting audiences with a history and a fiction whose lines remain blurred by a distant yet all-too-familiar past.

Buffy: Season Nine Library Edition Volume 2 Various,2015-07-07 When Buffy is unemployed and killing fewer vampires than ever, a group of Slayer-driven special forces called Deepscan gives her hope for a more prosperous future. Meanwhile, Willow embarks on a singular journey to reclaim her identity and her magic in strange worlds where she confronts extraordinary beasts, resists magical temptations, and must discover the gateway home again. Collects the third volume of Buffy Season 9 and Willow: Wonderland in a deluxe hardcover format with sketchbook extras!

Ancient Worlds in Film and Television Almut-Barbara Renger,Jon Solomon,2012-11-13 This volume reinvigorates the field of Classical Reception by investigating present-day culture, society, and politics, particularly gender, gender roles, and filmic constructions of masculinity and femininity which shape and are shaped by interacting economic, political, and ideological practices.

Rome Season Two Monica Cyrino,2015-05-18 Antony and Cleopatra, sex, war, and politics: Rome, Season Two is explored in this exciting collection of original essays.Set in the turbulent years after Caesars assassination in 44 BC, Season Two of the HBO-BBC series Rome lays bare a city shaken by the violent power struggle between Octavian, Caesars adopted son and heir, and Mark Antony, his most trusted general, bound in the seductive spell of Cleopatra. Rome, Season Two: Trial and Triumph is the first academic volume to explore the second season of this critically acclaimed and commercially successful drama. It brings together seventeen pioneering and provocative essays written by an international cast of leading classical scholars and media critics. Focusing on the series historical framework, visual and narrative style, thematic overtones, and interaction with contemporary popular culture, this collection also engages with the authenticity of the production and considers its place in the tradition of epic films and television series set in ancient Rome. This volume is both scholarly and entertaining and will be an invaluable resource for students and scholars in Classics and Ancient History as well as Film and Media Studies.a Monica S. Cyrino is Professor of Classics at the University of New Mexico, USA.

Dreams in American Television Narratives Cynthia Burkhead,2013-05-23 Dreams in Television Narratives is the first comprehensive analysis of one of American television's most frequently utilized tropes, the dream. From its beginning, television has been a storytelling medium. Whether delivered to a live audience or played out on a sound stage, narratives and those who write them have always been the crux of the television program. While film can claim a long history of scholarly inquiry into the connection between film and dreams, no comprehensive research exists on the subject of television dreams. Locating its primary function as narrative, the author uses examples from American sitcoms and dramatic programs, analyzing the narrative functions of dreams using, as its frame, Carl Jung's narrative stages of the dream: exposition, development, culmination, and conclusion. While television dreams are analyzed throughout, case studies of the television programs The Sopranos and Buffy the Vampire Slayer are included to show in detail how dreams function throughout a television series. Includes a compendium of over 1000 television episodes that include dreams, a valuable tool for any television scholar or enthusiast.

Descended from Hercules Robert A. Rushing,2016-10-15 Muscles, six-pack abs, skin, and sweat fill the screen in the tawdry and tantalizing peplum films associated with epic Italian cinema of the 1950s and 1960s.Using techniques like slow motion and stopped time, these films instill the hero's vitality with timeless admiration and immerse the hero's body in a world that is lavishly eroticized but without sexual desire. Thesesword and sandal films represent a century-long cinematic biopolitical intervention that offers the spectator an imagined form of the male body—one free of illness, degeneracy, and the burdens of poverty—that defends goodness with brute strength and perseverance, and serves as a model of ideal citizenry.Robert A. Rushing traces these epic heroes from Maciste in Cabiria in the early silent era to contemporary transnational figures like Arnold Schwarzenegger in Conan the Barbarian, and to films such as Zach Snyder's 300.Rushing explores how the very tactile modes of representation cement the genre's ideological grip on the viewer.

TV antiquity Sylvie Magerstädt,2019-03-14 TV antiquity explores representations of ancient Greece and Rome throughout television history. The first comprehensive overview of the 'swords and sandals' genre on the small screen, it argues that these shows offer a distinct perspective on the ancient world. The book traces the historic development of fictional representations of antiquity from the staged black-and-white shows of the 1950s and 1960s to the most recent digital spectacles. One of its key insights is that the structure of serial television is at times better suited to exploring the complex mythic and historic plots of antiquity. Featuring a range of case studies, from popular serials like I, Claudius (1976) and Rome (2005–8) to lesser known works like The Caesars (1968) and The Eagle of the Ninth (1976), the book illustrates how broader cultural, political and economic issues have over time influenced the representation of antiquity on television.

The Gladiators vs. Spartacus, Volume 2 Abraham Polonsky,2020-12-21 This publication of Abraham Polonsky's unproduced screenplay for The Gladiators is a tribute to one of Hollywood's premiere post-WW II directors and writers whose career was severely impacted by the blacklist. His script for The Gladiators survives to remind us that he could, and did, transform a difficult and complex novel of an ancient slave rebellion into a screenplay worthy of Arthur Koestler's bold fictional vision. Through a combination of the ambivalence of its executive producer and star, plus bad timing, it never went before the cameras. This book is published in the hope that The Gladiators will be

produced for cinema or television.

Blood and Sand C. V. Wyk,Christine Isabel Van Wyk,2018-01-16 The legendary Spartacus is recast as a fierce female warrior in this action-packed tale of a 17-year-old princess and a handsome gladiator who dared take on the Roman Republic.

The Blood and Sand Tales Steven S. DeKnight,2010-05 The companion Graphic Novel to the hit TV series from Starz Media! In one such tale, Arkadios is a once-proud Greek warrior that now finds himself enslaved by the Romans. Now he dreams of only one thing: revenge! He'll cut the head from his captor, even if he has to chop a gory-swath through an arena full of gladiators just to get there.

I Can Make You Hate Charlie Brooker,2012-10-02 Would you like to eat whatever you want and still lose weight? Who wouldn't? Keep dreaming, imbecile. In the meantime, if you'd like to read something that alternates between laugh-out-loud-funny and apocalyptically angry, keep holding this book. Steal it if necessary. In his latest collection of rants, raves, hastily spluttered articles and scarcely literate scrawl, Charlie Brooker proves that there is almost nothing in this universe, big or small, that can't reduce a human being to a state of pure blind hatred. It won't help you lose weight, feel smarter, sleep more soundly, or feel happier about yourself. It WILL provide you with literally hours of distraction and merriment. It can also be used to stun an intruder, if you hit him with it correctly (hint: strike hard, using the spine, on the bridge of the nose). ONLY A PRICK WOULDN'T BUY THIS BOOK. DON'T BE THAT PRICK.

Badass Braids Shannon Burns,2018-04-10 Recreate the braids, buns, and twists of your favorite historical, sci-fi, and fantasy heroes and heroines with Badass Braids. Step-by-step, illustrated instructions will show you how to make the hairstyles from Game of Thrones, The Hunger Games, Star Trek, Star Wars, The Legend of Zelda, Vikings, The Lord of the Rings, and more. When she's not studying for her PhD in social neuroscience, Silvousplaits (a.k.a. Shannon Burns) is creating and posting weekly instructional videos on her YouTube channel of DIY hair art that mimics the hairstyles of valiant men and women in the best historical, sci-fi, and fantasy shows and movies. In Badass Braids, Shannon shows you how to transform your hair, step by step. The book covers braids and styles from a full spectrum of fantasy worlds (and galaxies), from ancient adversaries and viking warriors to romantic renegades and sci-fi heroines. With an introduction to the styling techniques for different kinds of basic braids, interviews with behind-the-scenes stylists and actors, and original styles inspired by fan-favorites, you will learn to recreate the hairstyles of Katniss Everdeen (The Hunger Games: Mockingjay), Anne Boleyn (The Tudors), the Norse king Ragnar Lothbrok (Vikings), Daenerys Targaryen (Game of Thrones), and many more. Badass Braids is the perfect gift for geeky men and women of all ages!

The Hero Reloaded Rosario López Gregoris,Cristóbal Macías Villalobos,2020-03-15 What was a hero in Classical Antiquity? Why is it that their characteristics have transcended chronological and cultural barriers while they are still role models in our days? How have their features changed to be embodied by comic superheroes and film? How is their essence vulgarized and turned into a mass consumption product? What has happened with their literary and artistic representation along centuries of elitist Western culture? This book aims at posing these and other questions about heroes, allowing us to open a cultural reflection over the role of the classical world in the present, its meaning in mass media, and the capacity of the Greek and Roman civilizations to dialogue with the modern world. This dialogue offers a glimpse into modern cultural necessities and tendencies which can be seen in several aspects, such as the hero's vulnerability, the archetype's banalization, the possibility to extend the heroic essence to individuals in search of identities – vital as well as gender or class identities. In some products (videogames, heavy metal music) our research enables a deeper understanding of the hero's more obvious characteristics, such as their physical and moral strength. All these tendencies – contemporary and consumable, contradictory with one another, yet vigorous above all – acquire visibility by means of a polyhedral vehicle which is rich in possibilities of rereading and reworking: the Greco-Roman hero. In such a virtual and postmodern world as the one we inhabit, it comes not without surprise that we still resort to an idea like the hero, which is as old as the West.

STARZ Spartacus Antony Augoustakis,2016-11-16 Gladiator, rebel slave leader, revolutionary: the figure of Spartacus frequently serves as an icon of resistance against oppression in modern political movements, while his legend has inspired numerous receptions over the centuries in many different media. With its visually excessive style of graphic sex and CGI-enhanced violence, the four seasons of the premium cable television series STARZ Spartacus tells the story of the historical Thracian gladiator who led a slave uprising against the Roman Republican army from 73 to 71 BC. STARZ Spartacus: Reimagining an Icon on Screen is the first scholarly volume to explore the entirety of this critically acclaimed and commercially successful drama series. This new volume brings together pioneering and provocative essays written by an international cast of leading classical scholars and experienced media critics. Turning a sharp eye on the series' historical framework, visual and narrative style, thematic overtones, and interaction with contemporary popular culture, this volume also engages with the authenticity of the production and considers its place in the tradition of epic films and television series set in ancient Rome. At once both erudite and entertaining, STARZ Spartacus: Reimagining an Icon on Screen is an invaluable resource for both students and scholars eager to confront a new Spartacus, as the hero of the slave revolt is recast for a twenty-first century audience.

Television, Sex and Society Beth Johnson,James Aston,Basil Glynn,2012-06-14 Focuses upon contemporary expressions and representations of televisual sex, discussing British, US and Asian television, to engage with ideas of gender, genre and dramatic politics.

Of Muscles and Men Michael G. Cornelius,2011-09-29 Few movie genres have highlighted the male body more effectively than the “sword-and-sandal” film, where the rippling torso and the bulging muscle are displayed for all to appreciate. Carrying his phallic sword and dressed in traditional garb calculated to bring attention to his magnificent physique, the sword-and-sandal hero is capable of toppling great nations, rescuing heroines, defeating monsters, and generally saving the day. Each of these essays examines the issues of masculinity and utility addressed in the sword-and-sandal genre. The contributors offer insights on a film form which showcases its male protagonists as heroic, violent, fleshy, and, in the end, extremely useful.

Our Ancient Wars Victor Caston,Silke-Maria Weineck,2016-02-05 Many famous texts from classical antiquity—by historians like Thucydides, tragedians like Sophocles and Euripides, the comic poet Aristophanes, the philosopher Plato, and, above all, Homer—present powerful and profound accounts of wartime experience, both on and off the battlefield. These texts also provide useful ways of thinking about the complexities and consequences of wars throughout history, and the concept of war broadly construed, providing vital new perspectives on conflict in our own era. Our Ancient Wars features essays by top scholars from across academic disciplines—classicists and historians, philosophers and political theorists, literary scholars, some with firsthand experience of war and some without—engaging with classical texts to understand how differently they were read in other times and places. Contributors articulate difficult but necessary questions about contemporary conceptions of war and conflict. Contributors include Victor Caston, Page duBois, Susanne Götter, Peter Meineck, Sara Monson, David Potter, Kurt Raaflaub, Arlene

Saxonhouse, Seth Schein, Nancy Sherman, Hans van Wees, Silke-Maria Weineck, and Paul Woodruff.

A Companion to the City of Rome Claire Holleran,Amanda Claridge,2018-07-10 A Companion to the City of Rome presents a series oforiginal essays from top experts that offer an authoritative andup-to-date overview of current research on the development of thecity of Rome from its origins until circa AD 600. Offers a unique interdisciplinary, closely focused thematicapproach and wide chronological scope making it an indispensablereference work on ancient Rome Includes several new developments on areas of research that areavailable in English for the first time Newly commissioned essays written by experts in a variety ofrelated fields Original and up-to-date readings pertaining to the city of Romeon a wide variety of topics including Rome’s urban landscape,population, economy, civic life, and key events

Spartacus: Rebellion Ben Kane,2012-08-16 He marches to freedom - or to bloody war. The epic story of Spartacus the legendary gladiator. From the Sunday Times bestselling author of Hannibal: Enemy of Rome and Spartacus: The Gladiator. The mighty slave army, led by Spartacus, has crushed all before it, scattering the legions of Rome. Now invincible, he marches towards the Alps and freedom. But storm clouds are growing on the horizon. Crassus, the richest man in Rome, has raised an army to rival Spartacus, and there are murmurings of rebellion in Spartacus’ own army. Spartacus, on the brink of glory, must make a crucial decision - to go forward over the Alps to freedom, or back to face the might of Rome and try to break its power forever. 'Compulsive, relentless ... vividly recounted in muscular prose' Daily Telegraph 'A brutal, blood-spattered novel' BBC History Magazine

Spartacus Blood Sand 2 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or

user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Spartacus Blood Sand 2 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Spartacus Blood Sand 2 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and

genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Spartacus Blood Sand 2 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Spartacus Blood Sand 2. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Spartacus Blood Sand 2 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Spartacus Blood Sand 2 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Spartacus Blood Sand 2 is one of the best book in our library for free trial. We provide copy of Spartacus Blood Sand 2 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Spartacus Blood Sand 2. Where to download Spartacus Blood Sand 2 online for free? Are you looking for

Spartacus Blood Sand 2 PDF? This is definitely going to save you time and cash in something you should think about.
