Fluent in 3 Months Benny Lewis,2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time language hacker, someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or the language gene to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

Simple Czech Vanda Vaníčková,2024-02-18 You might have heard that Czech is a difficult language to learn... But not when you have the right guidance! Are you a Czech-speaking parent aiming to raise bilingual kids? Or maybe you're planning a trip to the Czech Republic and want to get the fundamentals of the language under your belt before you travel. Perhaps you simply have a thirst for learning new languages and you're trying to introduce your family to as many as you can. Whatever your reason for seeking out a guide to speaking Czech, you've just hit the jackpot! Language learning is most effective when you can immerse yourself in it - and that means hearing it from a native speaker as well as reading it. This unique introduction to the Czech language is designed to be read and listened to in tandem, the text supporting the audiobook so that you have the language coming in on two channels, allowing you to really absorb it and get a feel for how it works. Each lesson has been designed to be simple and fun for all ages - whether you're an adult with several languages under your belt already, or you're aiming to introduce a toddler to the Czech language. In fact, it's a fun and effective language-learning experience for the whole family, and by the time you've reached the end of it, you'll know and understand a wide range of Czech words and phrases - ready to use whenever you need them. You're about to uncover a fresh approach to learning Czech. Inside this fun and simple guide, you'll discover: ● All 42 letters in the Czech alphabet - and how to pronounce them with an authentic accent ● Simple and effective exercises to help you identify letters when you hear them (and practice pronouncing them as you go along) ● The basic words you'll definitely want to know if you're visiting the Czech Republic (with comprehensive exercises to help you retain them) ● How to navigate time in Czech - learn the days of the week, the months of the year, and the seasons ● Czech counting - become the master of 1-100 so you can order as many ice creams as you need! ● Simple Czech words in a range of categories - everything from transport to clothing and body parts covered so you have a strong foundation to build on ● The essentials of food and drink (make sure you know how to understand the fundamental words on a menu and order what you really want) ● Practical exercises to consolidate your understanding and practice your skills with every section And much more. Czech is often cited as one of the more complicated languages you can learn - but when you take the right approach, you can easily get to grips with the basics. And when you do that, you have a solid foundation on which you can build later. No matter how hard you've found language learning in the past, this fun and simple guide, written and narrated by a native speaker, will have the words rolling off your tongue in no time.
