Travel as a Political Act Rick Steves,2018-02-06 Change the world one trip at a time. In this illuminating collection of stories and lessons from the road, acclaimed travel writer Rick Steves shares a powerful message that resonates now more than ever. With the world facing divisive and often frightening events, from Trump, Brexit, and Erdogan, to climate change, nativism, and populism, there's never been a more important time to travel. Rick believes the risks of travel are widely exaggerated, and that fear is for people who don't get out much. After years of living out of a suitcase, he still marvels at how different cultures find different truths to be self-evident. By sharing his experiences from Europe, Central America, Asia, and the Middle East, Rick shows how we can learn more about own country by viewing it from afar. With gripping stories from Rick's decades of exploration, this fully revised edition of Travel as a Political Act is an antidote to the current climate of xenophobia. When we travel thoughtfully, we bring back the most beautiful souvenir of all: a broader perspective on the world that we all call home. All royalties from the sale of Travel as a Political Act are donated to support the work of Bread for the World, a non-partisan organization working to end hunger at home and abroad.

Language Hacking German Benny Lewis,2017-11-14 It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, #LanguageHacking shows you how to learn and speak German through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only other people can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in German from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

German Short Stories for Beginners With 1.000 Most Common German Words Central Park Language Learning,2020-05-21 Sprichst du Deutsch? You'll Answer JA In No Time If You Use This Learning Technique. What's the best way to learn a foreign language?Most people would say that it's important to learn grammar and vocabulary. After all, this is how languages have been taught in Europe for many centuries.

However, modern linguistics and cognitive science prove traditional methods wrong. The most important learning strategy, according to great linguists such as Stephen Krashen, is providing a lot of so-called comprehensible input. This means reading and listening to a lot of texts that are challenging but still more or less understandable. When you get a lot of such input, your mind figures out the grammar intuitively, just like it figured out the grammar of your first language. This book offers a collection of seventeen short stories for beginners written in German. The stories range from really easy, suitable for students who've just started learning German, to somewhat more complex (there are three difficulty levels all in all). Read them when you've got some free time, or listen to them in the car, and very soon you'll notice that you speak German without thinking about all that grammar, with the intuitive ease of a native speaker! Here's what you'll find: - - Sixteen short stories in German, written in a beginner-friendly language - Two audio recordings of each story: one extra slow so that you can understand every word, and one at normal speed - Three difficulty levels so that you can choose stories that are perfect for your unique learning process - A variety of topics so that you won't get bored - Vocabulary lists after every story to make sure that you've understood every word Listening to these stories is guaranteed to boost your German skills even if you tried other learning methods and weren't successful. After all, you did master your first language by listening to it a lot, right? Do you want to learn German quickly and easily? Scroll up, click on Buy Now with 1-Click, and Get Your Copy Now!

Are you tired of the traditional methods teachers tell you to use? What if we told you there is a better, more care-free way of learning German and expanding your vocabulary to unprecedented levels? Well, guess what? There is! One of the best ways to learn German is by using practical conversation guides The problem? You might feel like you don't know where to start, or you may feel lost trying to read whatever pops up on the internet. That's exactly why we created this book. German Phrases + Pronunciation Guide = Faster Learning We know how difficult it may seem to learn a foreign language from scratch, let alone trying to put all that learning into practice. But what you might not realize is that it's fairly easy to fully incorporate the essentials of a language if you use pronunciation guides as a shortcut. Pronunciation guides allow you to virtually read out loud a certain 'pronunciation clue' and without realizing it, you will be speaking almost perfect German. This will in time allow you to expand your vocabulary quickly, understand new concepts, and overall get a better grasp of the German language. Practical conversation guides work because they eliminate the stress of forcing yourself to learn. Instead, when you read out loud the different sections we've prepared for you, you will learn German with much less struggle! Your goal is to simply focus on a section at a time (they only take a few minutes to read). Each chapter takes on multiple topics, including tips on how to build rapport with others, grocery shopping, and asking for directions, just to name a few. We wanted these sections to be fun, interesting, and appealing, motivating you to keep on reading. That's the very best way to learn, don't you think? BONUS: Pronunciation Guides + Detailed Multiple Choice Exercises In this book you'll find over fifteen chapters covering a multitude of topics in German. Each chapter contains tables with three columns. You start by reading the first column -word or phrase in English-, then you move on to the second -translation to German-, and then to the third one and read it out loud -it includes a pronunciation clue for that particular word or phrase. Once you're done with this line, you move on to the next one, and so forth until you complete the chapter. It's that easy and fun.
