And learning these idioms and phrases will not only help you speak better, it'll help you understand Americans better. In this course, you'll join an American family as they go about their day-to-day lives. Along the way, you will master over 300 of today's most common English idioms and expressions! All idioms are defined in both English and Chinese. Discover why thousands of students from around the world are turning to *Speak English Like an American* to improve their everyday English skills...this book & CD sets is a fun and effective way to improve your English.

Speak English Like an American Amy Gillett, 2005

Speak Business English Like an American Amy Gillett, 2006 CD and book designed to teach idioms and expressions used in the American business world.

Amerika-jin No Yōni Eigo O Hanasō Amy Gillett, 2004

Do You Speak American? Robert Macneil, William Cran, 2007-12-18 Is American English in decline? Are regional dialects dying out? Is there a difference between men and women in how they adapt to linguistic variations? These questions, and more, about our language catapulted Robert MacNeil and William Cran—the authors (with Robert McCrum) of the language classic *The Story of English*—across the country in search of the answers. *Do You Speak American?* is the tale of their discoveries, which provocatively show how the standard for American English—if a standard exists—is changing quickly and dramatically. On a journey that takes them from the Northeast, through Appalachia and the Deep South, and west to California, the authors observe everyday verbal interactions and in a host of interviews with native speakers glean the linguistic quirks and traditions characteristic of each area. While examining the histories and controversies surrounding both written and spoken American English, they address anxieties and assumptions that, when explored, are highly emotional, such as the growing influence of Spanish as a threat to American English and the special treatment of African-American vernacular English. And, challenging the purists who think grammatical standards are in serious deterioration and that media saturation of our culture is homogenizing our speech, they surprise us with unpredictable responses. With insight and wit, MacNeil and Cran bring us a compelling book that is at once a celebration and a potent study of our singular

language. Each wave of immigration has brought new words to enrich the American language. Do you recognize the origin of 1. blunderbuss, sleigh, stoop, coleslaw, boss, waffle? Or 2. dumb, ouch, shyster, check, kaput, scram, bumper? Or 3. phooey, pastrami, glitch, kibbitz, schnozzle? Or 4. broccoli, espresso, pizza, pasta, macaroni, radio? Or 5. smithereens, lollapalooza, speakeasy, hooligan? Or 6. vamoose, chaps, stampede, mustang, ranch, corral? 1. Dutch 2. German 3. Yiddish 4. Italian 5. Irish 6. Spanish

American Accent Training Ann Cook, 2000 Directed to speakers of English as a second language, a multi-media guide to pronouncing American English uses a pure-sound approach to speaking to help imitate the fluid ways of American speech.

Speak English Fluently Like a Native American in Just One Week Shuchi Mishra, 2018-11-04 Book Description In this book, I am talking about how to speak like a Native American in just one week, short and simple. Therefore, if you wish to speak clear and confident English like an American even without visiting the United States, you'll be able to achieve this by following the simple steps that are explained in detail in this book. The goal of this book is for you to be understood and confident while you speak. You have spent years and years studying and practicing the English language. You are fluent in English but if your pronunciation is unclear then your message will not be heard or understood. For you to be effective in your English pronunciation, you must learn to speak English in a way that others will easily understand you. I firmly believe that anyone can learn to use fluent English pronunciation no matter your age or whether you live in the United States or in another country. If you follow this book step by step, you will be able to speak like a native American. These days English is taught increasingly as an international language. To use English as an international language, the only real issues are those that affect intelligibility. The important thing is to be able to communicate with others, be they native or non-native speakers. Everybody has an accent, although, if you think that a person doesn't have an accent, this could be because they have the same accent as you. A person's accent is part of their history and their identity. If you are working for any US client, you might be in trouble, if you don't speak like a native American. American accent is the most popular accent in the world. Spread around the world by American cinema, music, television etc, this is the easiest accent for most people to understand, whether native speakers or non-native speakers. This is understood by most people worldwide. Most people expect to hear the accent they're familiar with. Anything else stands out. **Speak English Like A Native American Will Help You** in your career advancement look more professional boost your career tremendously **Who This Book Is For** If you are in the management role, English clearly is important so that you don't feel hesitant to speak up or ask questions. Otherwise, you will feel like a bit of a 'second-class citizen' if you don't have a good accent. If you are managing international meetings, and need to be understood by a lot of different nationalities in the meetings. If you are misunderstood by people around you, and it's frustrating to have to repeat yourself again and again. If you want to move to Australia/England/ the U.S. This book will take your English to the next level. You can start real conversations with native English speakers. You have studied English for years and yet you still do not speak well. When you speak English, you make grammar mistakes. Your pronunciation is not clear. Worst of all, you feel nervous and shy when you try to speak English. You read English well, but after all these years you still cannot speak well. The problem is we learn traditional grammar in schools/colleges. With traditional grammar, you can become a good writer but not a good fluent speaker. You can read but still, you feel shy to speak English. English is not just a list of words and grammar rules. Speaking fluent English is usually just about knowing the right thing to say in any given situation. This book will tell you how to feel stronger, calmer, and more powerful when speaking English. You may find it difficult to learn and speak English in the absence of right guidance. This book provides a blueprint to practice everyday conversation. Is it

possible to learn a new language? Can it be possible for you to speak like a true native American? Of course the answer is yes! And I will show you how, enjoy

Speaking American Richard W. Bailey,2012-01-23 Investigates the history and continuing evolution of American English, from the 16th century to the present, to celebrate the endless variety and remarkable inventiveness that have always been at the heart of our language. By the author of *Images of English: A Cultural History of the Language*.

101 American English Idioms Harry Collis,1987-02-09 An introduction to American colloquialisms through the use of explanatory dialogue or narrative.

Speaking American Josh Katz,2020-09 Did you know that your answers to just a handful of questions can predict the zip code of where you grew up? *Speaking American* offers a visual atlas of the American vernacular--who says what, and where they say it--revealing the history of our nation, our regions, and the language that divides and unites us.

If Only They Didn't Speak English Jon Sopel,2017-09-07 'You see, if only they didn't speak English in America, then we'd treat it as a foreign country - and probably understand it a lot better' 'the sanest man in America' - Bill Bryson 'Jon Sopel nails it' - Emily Maitlis **With a brand new chapter, charting Trump's first year in power** As the BBC's North America Editor, Jon Sopel has had a pretty busy time of it lately. In the time it's taken for a reality star to go from laughing stock to leader of the free world, Jon has travelled the length and breadth of the United States, experiencing it from a perspective that most of us could only dream of: he has flown aboard Air Force One, interviewed President Obama and has even been described as 'a beauty' by none other than Donald Trump. Through music, film, literature, TV and even through the food we eat and the clothes that we wear we all have a highly developed sense of what America is and through our shared, tangled history we claim a special relationship. But America today feels about as alien a country as you could imagine. It is fearful, angry and impatient for change. In this fascinating, insightful portrait of American life and politics, Jon Sopel sets out to answer our questions about a country that once stood for the grandest of dreams, but which is now mired in a storm of political extremism, racial division and increasingly perverse beliefs.

Talk English Ken Xiao,2016-09-19 You have studied English for years, yet you still don't speak English well. You've tried many methods and you still make grammar mistakes, you still can't speak English fluently, and you still can't pronounce English words correctly. You can read English, but you feel too nervous or too shy to speak English. The good news is, this is very normal. You have simply used ineffective methods to learn to speak English. Ken has been in your situation before, but now he can speak English like a native, and he accomplished that in six months. In this book, Ken is going to teach you how to completely get rid of your accent and develop an American or British accent to speak English just like a native speaker, and he'll teach you how to accomplish that in just six months. In this book, you'll: *learn to speak like a native in six months or less*learn to do that on a busy schedule*learn to speak English without translating it first*learn grammar without memorizing grammar rules*learn to build a vocabulary that lasts*learn to pronounce English words like native American or native British*learn to speak English fluently, correctly, naturally, effectively, effortlessly*and more... to speak English like a native speaker. You have studied English for years, yet you still can't speak English well. The reason is simply: The methods you used were ineffective. Change your approach now. Learn from the success who has walked in your shoes before and is getting the result you want. Effortlessly follow the step-by-step instructions in the book to achieve the highest level of fluency to help you speak English like a native speaker. Add to Cart

Learning to Speak American Colette Dartford,2018-05-15 Can a house renovation in

the gorgeous Napa Valley let two bereaved parents learn to love again? A moving and engaging debut novel . . . shortens the dark nights' Santa Montefiore. An emotional and uplifting story of starting again, perfect for fans of Hilary Boyd and The Tea Planter's Wife. Having suffered in silence since the tragic death of their young daughter, Lola and Duncan Drummond's last chance to rediscover their love for one another lies in an anniversary holiday to the gorgeous Napa Valley. Unable to talk about what happened, Duncan reaches out to his wife the only way he knows how - he buys her a derelict house, the restoration of which might just restore their relationship. As Lola works on the house she begins to realise the liberating power of letting go. But just as she begins to open up, Duncan's life begins to fall apart. After all the heartbreak, can Lola and Duncan learn to love again? 'A heartrending story, well-told, about coping with unimaginable loss. Dartford evokes strong, sympathetic characters while writing fluently and from the heart. I raced through it.' Hilary Boyd, author of Thursdays in the Park 'A beautiful read, lyrically written, poignant and emotional' - Nicola Cornick, internationally bestselling author of House of Shadows 'Does everything a good book should do; it made me smile, it made me cry, it taught me lessons about life and love I didn't know before' - Claire Dyer, author of The Moment

Speak Better Business English and Make More Money Amy Gillett, 2010-06-25

Pronouncing American English Gertrude F. Orion, 1997 A pronunciation guide for students of English as a second language, concentrating on sounds, stress and intonation.

McGraw-Hill's Conversational American English Richard Spears, Betty Birner, Steven Kleinedler, Luc Nisset, 2010-09-22 Learn more than 3,000 English expressions and speak and understand the language easily As a new speaker of English, you may hear some expressions in your daily conversations that you do not understand--yet. McGraw-Hill's Conversational American English will help you learn these expressions, so not only do you know what a person is saying to you, but that you can use the expression yourself! More than 3,000 expressions are organized by theme, so you can find what you are looking for quickly. And each topic is illustrated to further help you understand context. The book features: Common expressions are batched into 350 themes, ranging from general greetings and asking how someone is, to the more specific needs, like showing disbelief, asking someone's intentions, and expressions for a forgotten word or name A comprehensive thematic glossary provides an additional means for the learner to locate expressions by key words and concepts Topics include: Basic Social Encounters, Greetings, Small Talk, Introductions, Ending a Conversation, Good-Byes, Agreeing, Disagreeing Conversational Encounters, Focusing Attention, Launching the Conversation, Making Friends, Complex Matters, Disputes, Discussion and Resolution, Polite Encounters, Prefaces, Communication Barriers

Improve Your American English Accent (Book w/ CD) Charlsie Childs, 2003-12-31

Sound like a native English speaker in six easy lessons Even though you know the vocabulary and the endless grammar rules, you still find it difficult to pronounce English words correctly. This struggle with your new language can make communicating with native English speakers a frustrating experience for both you and them. Now you can gain confidence in your English skills and speak like an American with this focused, nonintimidating program. Improve Your American English Accent is an easy and enjoyable way to learn and master the most challenging American English speech characteristics, such as: The most troublesome of sixteen American English vowel sounds The duration of vowel sounds Differences in stressed and unstressed syllables and words How a sound is changed by the sounds that come before and after it Stress in words and phrases and how it influences timing The CDs present six 35-minute lessons, each one covering key obstacles faced by nonnative English speakers. Author Charlsie Childs is your own personal tutor, talking you through her proven methods for overcoming the tricks of

English pronunciation. Accompanying the CDs is a booklet containing written pronunciation guidelines and transcriptions of the sounds, words, and sentences you encounter on the recording.

How I Learnt to Speak in English? Neetu Sugandh, 2016-10-27 A true story as well as techniques and notes of someone who was rejected in her first job because of not being able to communicate in English fluently. Learn how she was appointed as a communication trainer in the same organization after a few months. What did she do? And, how did she do it? This book has her experience, notes, and techniques she followed to learn the language effectively in just a few months. The book is recommended for anyone who is interested in learning English in an easy and independent manner or refreshing their English basics quickly. It is also recommended for those who train on spoken English and want to understand their learners in a better way. It will not only make you learn but also keep you motivated to learn till you complete the book. The author has put special emphasis on learning minimal definitions and focusing on the correct usage of English. The English video game table or the wish list table is one of its key features.

Speak Like An American Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to

download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Speak Like An American free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Speak Like An American free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find

websites that offer free PDF downloads on a specific topic. While downloading Speak Like An American free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Speak Like An American. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Speak Like An American any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Speak Like An American Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility.
