The Special One: The Dark Side of Jose Mourinho Diego Torres,2014-04-10 An explosive and shocking biography of Jose Mourinho - revealing the dark side of 'the special one'.

One Special Summer Jacqueline Kennedy Onassis,2006 In 1951, eighteen-year-old Lee Bouvier and her twenty-two-year-old sister Jacqueline took their first trip to Europe together. Jackie had already spent a year in France living with a French family and attending the Sorbonne. Her many cards and letters had made her sister Lee want nothing more than to see Europe with Jackie. Having convinced their parents, the two young ladies set off to see the continent. As they traveled, they sketched and kept notes, creating an illustrated journal of their time abroad, which they presented to their parents as a thank you upon their return; that delightful chronicle is ONE SPECIAL SUMMER. Join Jackie and Lee for a tantalizing glimpse of a lost world: crossing the Atlantic by ocean liner, visits with counts and ambassadors in Paris, art lessons in Venice, and white gloves in the afternoon. Smile at the social agonies all young women suffer in common--how to politely consume an oversized hors d'oeuvre, the horror of slipping undergarments, and the art of fending off unwanted romantic advances.

Being the Other One Kate Strohm, 2018-03-27 When there's a disabled child in the family, how are normally developing siblings affected? According to Kate Strohm, a counselor and health educator, siblings of the disabled face particular emotional challenges that are often overlooked. Able siblings commonly struggle with feelings of isolation, grief, anger, and anxiety—and these and other emotional issues can have lifelong effects. *Being the Other One* is based on the author's own experience (as a sibling of a sister with cerebral palsy) and on extensive interviews she conducted with siblings of all ages. In clear and compassionate terms, Strohm explores the often secret feelings of siblings and offers valuable strategies for coping with the challenges they face. *Being the Other One* reveals the difficulties faced by siblings at all stages of life, from early childhood through adulthood, when siblings must often assume responsibility for the care of their disabled brothers and sisters. Though the book looks honestly at the many challenges that siblings face, it is full of encouragement and practical strategies. Strohm emphasizes that when siblings are able to clearly identify and openly express their feelings and concerns—and when parents and health professionals offer the needed support—siblings can thrive. This book includes writing exercises for personal

exploration and a substantial resources section listing helpful books, organizations, and websites.

Special Exits Joyce Farmer, 2014-08-03 Joyce Farmer's memoir chronicles the decline of the author's parents' health, their relationship with one another and with their daughter, and how they cope with the day-to-day emotional fragility of the most taxing time of their lives. Joyce Farmer, best known for co-creating the Tits 'n Clits comics anthology in the 1970s, a feminist response to the rampant misogyny in underground comix, spent 11 years crafting *Special Exits*, a graphic memoir in the vein of Alison Bechdel's *Fun Home* or Harvey Pekar, Joyce Brabner, and Frank Stack's *Our Cancer Year*, about caring for her dying father and stepmother.
