Night Speed Chris Howard,2016-05-03 An addictive new drug fuels superhuman strength and speed in this action-packed sci-fi thriller that will have fans of Scott Westerfeld and Marie Lu on the edge of their seats. Only those young enough can survive tetra, a dangerous drug that creates a pulse-pounding rush of enormous strength and incredible speed. Seventeen-year-old Alana West has been trained to use tetra so she can pursue the young criminals who abuse its power—criminals like the one who nearly killed her kid brother. On tetra, Alana is unstoppable—an explosive blur as she surges through New York City. But with the clock ticking down to her eighteenth birthday, Alana will soon be too old for the rush . . . when just one more dose will prove deadly. Supported only by her steady handler, Tucker, Alana goes undercover, infiltrating an elite gang of breaknecks to stop their supply of the drug. But when Alana gets trapped on the wrong side of the law, she learns the breaknecks are not quite what they seem—especially Ethan, the boy who seems to see the truth inside her. With her dependency on tetra increasing, Alana must decide where her loyalties lie, before the rush ends. Forever.

God Speed the Night Dorothy Salisbury Davis,Jerome Ross,2014-02-04 Edgar Award Finalist: Hailed by the New York Times as “a book you will not readily forget,” this World War II adventure tale of a nun who risks her life to help a Jewish couple escape Nazi-occupied France is the collaborative creative effort of Grand Master of crime fiction Dorothy Salisbury Davis and award-winning television writer Jerome Ross, It is harvest season in St. Hilaire, and for those who take their living from the land, it should be a joyous time. But in the fall of 1943, there is no joy in France. Paris has fallen, the Vichy government is collaborating with the Germans, and the Gestapo roam the countryside, conscripting French men to toil in faraway German factories. For Sister Gabrielle, a novice in the local convent, the occupation tries her faith as nothing has before. But she is about to get an

opportunity to stand up to evil in a way that few of her countrymen have dared. Marc and Rachel Daridan arrive in St. Hilaire just a few steps ahead of the secret police and throw themselves on the mercy of Sister Gabrielle and the other nuns at the Convent of Ste. Geneviève. In a time when doing right can mean death, this devout young woman takes on a risky, seemingly impossible challenge.

Night Blitz John Ray,2012-12-08 September 1940: defeated in the Battle of Britain, despite their superior numbers and better equipped aircraft, the Luftwaffe launched a new campaign of attack, their target this time the civilian population. For eight months, with hardly a night's break, Luftwaffe bombers pounded industrial cities and seaports in a concentrated attempt to smash Britain's war economy and destroy civilian morale. It was the first time a civilian population had been subject to mass attack, night after night, and important lessons were to be learned on both sides. If this campaign failed - as it did - then surely Britain could win the war.In this finely structured and consistently fascinating study of the campaign, Second World War historian John Ray assesses the strategies, weapons and defence tactics employed throughout the Night Blitz. He graphically recalls the effects of the Blitz on British cities, industry and people, month by month. This was the war at home, when terror fell indiscriminately from the skies. Yet despite all the death and destruction, the spirit of the British people remained undaunted even in their darkest

hours.

But, as is always the case with these two birds, their adventure turns into a misadventure when they end up at a shopping mall--fun by day, scary by night! Trapped inside, what crazy scheme will they come up with to get out? Here's the much anticipated second book in this fun new chapter book series. A Christy Ottaviano Book
