Original Phrase-Reading Technique: Struggling to keep your mind from

wandering? Make reading more interesting. Hard to remember what you read? Make reading more memorable. Difficult to stay focused? Give your mind something better to focus on. Getting bored while reading? Offer your brain something more meaningful. Muttering the words in your head? Use an alternative to the sounds of words. Straining to maintain your concentration? Give your brain what it craves. Can't find time to practice? Takes less time than brushing your teeth! Do you feel stuck with slow reading? Are you just going through the motions with almost nothing to show for your efforts at the end of each page? Do you get bored or frustrated with your reading? In *Speed Reading in 60 Seconds*, best-selling author David Butler gives you straightforward simple exercises to increase your reading speed with daily one-minute phrase-highlighted reading sprints. Simple and Quick One-Minute Exercises: Speed reading is 600 wpm. Each of these 100 excerpts is 600 words long. Each excerpt is phrase-highlighted for faster reading. Read it in a minute... and you're speed reading! Practice regularly to develop this into a habit. As you practice, you'll discover what speed reading feels like, as your mind adapts by paying more attention to phrases and ideas than to words and sounds. You actually read faster because you comprehend faster. The Greatest Speed Reading Technique in the World This is not another repetition of the same old hackneyed speed reading suggestions that simply come down to forcing yourself to see words faster. This is a technique that gets to the root of the problem: comprehension speed. Instead struggling to stop stubborn habits or forcing your eyes to do strange exercises, 100 ONE-MINUTE SPEED READING DRILLS gives you quick and simple exercises, that make reading faster easy, by giving you a simple way to practice reading whole meaningful phrases at a time. This unique phrase-highlighted format lets you fly across the text, treating phrases like they were single words. Taking in whole ideas this way, speeds up your reading by speeding up your comprehension. You read faster because you understand faster.

Ready to start reading faster? Pick any of the 100 excerpts... Look at Your Watch... And Go! Nowhere else will you find text specially designed to assist your speed training. Just turn to any one of these 600-word excerpts, start your timer, and fly through the text. Do this in 60 seconds and you'll know exactly what speed reading is. Practice each day and your brain will adapt its relationship to text and switch to reading ideas instead of sounds. 600 words in 60 seconds = Speed Reading SIMPLE. STRAIGHT-FORWARD. EFFECTIVE. It's common sense. It's effective. It's easy. It only takes a minute. Get started today. It's your future! Click on Look Inside to Find Out More!

Speed Reading Mastery Kaspar Schäfer,2020-07-02 How to double or even triple your reading speed with comprehension, regardless of reading level. Reading is a tough activity for many

people to reach their full potential. In fact, people tend not to reach their full potential in reading primarily because it is tough. It is tough to read at a pace where reading enough can work with your schedule. It is tough to read large amounts of information while ensuring comprehension is achieved. I understand how tough it is because I remember being laughed at by my classmates in the third grade for being a slow reader and far behind in reading assignments. It felt humiliating, my parents often told me I was smart and that they were proud of me for doing my best, but I still didn't feel this was true. And this problem had plagued my academic life until the middle of college. It was one of the reasons why I couldn't perform well in school and constantly failed classes, being held back in certain cases where I would dream of being a high school dropout. It was until my sophomore year of college where I took my future seriously and decided something HAS to change. I studied how to learn and train my mind to be a better machine at retaining and synthesizing information, and in the process, I learned what speed reading was. After 2 years of work, I was ON FIRE with everything I learned about brain training and reading. Learning felt like a breeze all of a sudden, but reading was an area with the most visible concrete improvement because by then I tripled my reading speed without sacrificing comprehension, and even improving it. It was like I found a gold mine within my head that I didn't reach before learning speed reading, everything clicked. And it could click for YOU too. I began coaching people who had similar stories I had, it gave me the inspiration to work harder so nobody will have to be in that hole of giving up reading completely. And the track record for the people I've coached shows I built a great program that anyone can take on, including you. In Speed Reading Mastery, you'll discover: Simple yet efficient speed reading techniques that will double or even triple your reading speed in 7 steps. How school has taught you the INCORRECT way to read. Your current reading speed, and building the best environment to improve it.

How to see like a better reader. Experimental reading tactics that can improve reading speeds in less than 10 minutes. The framework to comprehend better than the majority even while speed reading. The miracle tool you can use anywhere to improve speed reading. And so much more... People tend to take on speed reading by themselves, without a plan to efficiently guide them to become better readers while speed reading. And this often leads to nowhere for them because they aren't using all the right techniques and methods in ways that will work. With Speed Reading Mastery, you have access to the same program that has been tried & tested on people from a wide range of ages and mental capacities. You can read at incredible speeds of 400+ WPM, even if your current reading speed may be 150 WPM. You can skim your way through books and be confident you comprehended just as well or even better than the person that hasn't speed read through the same book. You can learn to speed read, no matter your age. But that is if you use the right strategy to teach you speed reading, and Speed Reading Mastery is the right strategy you can implement. So if you want to read at speeds you did not think were possible for you, then scroll up to the top of the page & click the buy now with the 2-click button to get your book instantly!
