Walking at the Speed of Light Cheryl J. Hesel, 2018-06-05 *Walking at the Speed of Light* is a perceptive offering of memoir and reflections that can be taken one at a time and provide insight and healing for all kinds of darkness. Although many books have addressed grief and depression related to Christian faith, a book that gives readers a Christian perspective on these subjects through forward thinking including organ donation and positive life building offers a unique opportunity. *Walking at the Speed of Light* begins with the death of Cheryl J. Hesel's thirty-three-year-old son, Joshua, the grief experiences that followed, and the organ donation that affected the lives of over 100 people. Cheryl then provides chapters related to the Light of the World, sharing insight and nurturing for grief and depression as well as an enthusiastic embracing of all aspects of the enlightened Christian faith journey.

In Desert and Wilderness Henryk Sienkiewicz,2023-08-15 The children, walking towards the wharf, saw a few more flamingoes, which pleased their eyes. After this Dinah announced that Nell must return home. In Egypt, after days which even in winter are often scorching, very cold nights

follow, and as Nell's health demanded great care, her father, Mr. Rawlinson, would not allow her to be near the water after sunset. They, therefore, returned to the city, on the outskirts of which, near the Canal, stood Mr. Rawlinson's villa, and by the time the sun plunged into the sea they were in the house. Soon, the engineer Tarkowski, Stas' father, who was invited to dinner arrived, and the whole company, together with a French lady, Nell's teacher, Madame Olivier, sat at the table...FROM THE BOOKS.

Speed Reading in 60 Seconds David Butler, 2016-09-01 60 SECONDS A DAY TO EFFECTIVE SPEED READING Read 2-3 X Faster with Daily 1-Minute Phrase-Block Sprints Easily practice speed reading whenever you have a spare minute. Difficult to stay focused? (Give your mind something better to focus on) Hard to remember what you read? (Make reading more memorable) Struggling to keep your mind from wandering? (Make reading more interesting) Getting bored while reading? (Offer your brain something more meaningful) Muttering the words in your head? (Use an alternative to the sounds of words) Straining to maintain your concentration? (Give your brain what it craves) Hard to find time to practice? (Takes less time than brushing your teeth!) Original theories and techniques for reading improvement... a totally exclusive method of presenting practice exercises -- RICHARD SUTZ Author of Speed Reading for Dummies Do you feel stuck with slow reading? Are you just going through the motions with nothing to show for your efforts at the end of a page? Do you get bored or frustrated with your reading? In Speed Reading in 60 Seconds, best-selling author David Butler gives you straight-forward simple exercises that can double or triple your reading speed with daily one-minute phrase-highlighted sprints. Here's how it works. Speed reading is 600 wpm. Each of these 100 excerpts is 600 words long. The excerpts are phrase-highlighted for faster reading. Read them in 60 seconds... and you're speed reading! Continue practicing to develop

this into a habit. As you practice, you'll discover what speed reading feels like as your mind adapts by paying more attention to phrases and ideas than to words and sounds. It's amazing that so much could have been written since Evelyn Wood and no one came up with the idea of 'speed comprehension.' --Dr. James Young, Ph.D., Professor of English What Makes This Book Different? Instead of a list of bad habits to just stop doing, or a series of strange eye exercises that only leave you exhausted and cross-eyed, Speed Reading in 60 Seconds gives you a very original form of quick and easy exercises making speeding through phrases and whole ideas almost automatic. This phrase-highlighted format lets you fly across the text, treating phrases like they were single words. Taking in whole ideas this way, speeds up your reading by speeding up your comprehension. You read faster because you understand faster. Nowhere else will you find text specially designed to assist your speed training. Just turned to one of the 100 600-word excerpts, start your timer, and fly through the text. Do this in 60 seconds and you'll know exactly what speed reading is. Practice each day and your brain will adapt its relationship to text and begin reading it as ideas instead of sounds. Read 600 words in 60 seconds = Speed Reading SIMPLE. STRAIGHT-FORWARD. EFFECTIVE. It's common sense. It's effective. It's easy. It only takes a minute. Get started today. Your future is watching. Click on Look Inside to Find Out More!
