📖 [Healthy Speedy Suppers](#) Katriona MacGregor,2016-05-17 Bursting with quick, simple and deliciously healthy recipes, Healthy Speedy Suppers will inspire anyone who feels too tired or busy to cook at the end of the day. Katriona MacGregor started her Speedy Weeknight Suppers column for The Telegraphonline in 2013, after a move back to exhausting London office life caused a slump in her diet. Resolving to break away from eating ready meals and cheese on toast every night, she began developing recipes that took no more than 40 minutes to make, were packed with good quality, wholesome ingredients, and tasted fantastic. The recipes are fresh, seasonal and nutritious and showcase a broad range of influences from around the world. Ingredient lists are short, prep is kept to a minimum and the methods are relaxed - often featuring one-pot or one-tray cooking. All of them have been put to the test at home after a busy day in the office, and the ingredients are easy to find and can be scooped up on the way back from work. Ranging from the summery Strawberry, Fennel & Chicken Salad, to warming Aubergine & Red Lentil Curry and zesty Sea Bass with Thai Vegetable Noodles, there is something here for every mood, diet and seasons. Most of the recipes are wheat- and dairy-free, and are all naturally low in fat, sugar and refined carbohydrates. Also including a guide to larder essentials, suggestions for leftovers, ingredient substitutions and simple variations, this is a one-stop cooking resource for stressed, busy people.

2 **N**ational Trust Family Cookbook Claire Thomson,2017-03-16 Over 100 delicious recipes perfect for a busy family life. Make family meals fun again with this approachable guide to adventurous cooking. Claire Thomson wants to revitalise cooking for the family – making it less of a chore, with separate meals for children and adults, and more of an enjoyable way to refresh your culinary imagination and make cooking for the family something to look forward to. The book is divided into timescale sections: quick lunches and suppers that take around 10 minutes, 20 minute reliable recipes, savvy family stalwarts that take 40 minutes at most and unhurried and imaginative recipes that take between 45 minutes and an hour. National Trust Family Cookbook is packed with delicious and colourful recipes for lunches and suppers as well as healthy (and indulgent) breakfast ideas, lunchbox alternatives and food for Sunday roasts and summer barbecues. The dishes include yoghurt, lemon and cardamom chicken wraps, cold Vietnamese noodle salad, quick fish stew and pea and halloumi fritters, as well as smashed tomato toast and coconut, raspberry and lemon syrup loaf. Claire suggests alternative twists and substitutes so you can suit the ingredients to your family’s tastes and what you have in the cupboard – and suggests ways that the kids can get involved in the cooking. As a mother and a chef, Claire gives real insight into what makes food appealing to all the family and how to shop, cook and eat as a family so that meal times are something for all the family to look forward to.
