Choose from among the suggested activities to include practice with grammar, dictionary, and composition skills. Phonic, spelling, and punctuation rules are listed for easy reference. Word lists are divided by grade, 1 through 8. However, this method is easily adapted for older students or adults who need remedial work. Because of its multi-sensory and simplified approach to spelling, and because each child can work at his own pace, this program is ideal for students with learning disabilities. Grades K-12.

Wordwise Megan Robinson, 2007 Wordwise aims to enhance students' use of a wide range of vocabulary and to increase their understanding of the derivation and origin of words. The words in the book have been chosen to consolidate student knowledge of commonly used, mature vocabulary and to introduce more specialised vocabulary to extend students' repertoire of language. The book is divided into forty units with each unit

focusing on one aspect of vocabulary development. The focus may be technical e.g. prefixes, homophones, possessives etc; or related to context e.g. investigation words, number words, Australian words, legal words etc. Wordwise is activity based to encourage students to use the words so that they can remember them more easily. Each unit consists of a list of keywords followed by activities using the keywords and related vocabulary focusing on: - meaning - use in context - word derivation and origin - spelling hints Answers for these activities are provided in the back of the book.

**My Personal Spelling Dictionary Logbook** Composition Notebooks, 2017-10-24 The friendliest way to inspire your kids to take notes and master their spelling! This My Personal Spelling Dictionary Logbook: The Notebook for Kids' Collection of Their Hard Words to Spell, for Spelling Practice & Enhancing Word Power! comes with 220 wide ruled pages for kids to write in the words they found challenging, either in their daily life or classrooms. Each page pair comes with a big alphabet (in dictionary-like format) that signifies the letter with which the words inside the pages start. Due to its size of 6 x 9 inches, kids can carry this personal dictionary logbook along anywhere they want and well keep up with the vocabulary they want to master! In addition to the over two hundred blank dictionary-like pages inside, the very first page of this book is the owner's page where kids can write their own name, making this spelling dictionary truly personal, and also making the book great as gifts for children of any age. Followed by the lists of Top 20 hardest words, and Top 20 most favorite words, (of their own) which will definitely add fun to children's vocabulary learning experience. The last couple pages are intentionally reserved unlined, so children can give illustrations to some words in their own terms, which is a great way to help them deal with those more challenging words! The pages are bound by the book industry standard binding (the same binding as most paperbacks in the library) and the book covers are laminated with matte finish that helps repel liquid and toughens the cover, so that this one-and-only personal dictionary may keep the vocabulary collection with you and your little child longer. Plus, the book cover and the spine is writable, so, once this book is used up, kids can simply write its subject and volume number, then continue on the next My Personal Spelling Dictionary Logbook (available on leading on-line and brick-and-mortar bookstores) to continue the compilation they are proud of, without any disruption! Now with this book, your children can be friends with any words they found challenging, and continuously building on their vocabulary effortlessly, through the semester and beyond!
