*The Complete Works of Primo Levi* Primo Levi, 2015-09-28 2015 Washington Post Notable Book The Complete Works of Primo Levi, which includes seminal works like *If This Is a Man* and *The Periodic Table*, finally gathers all fourteen of Levi's books—memoirs, essays, poetry, commentary, and fiction—into three slipcased volumes. Primo Levi, the Italian-born chemist once described by Philip Roth as that “quicksilver little woodland creature enlivened by the forest's most astute intelligence,” has largely been considered a heroic figure in the annals of twentieth-century literature for *If This Is a Man*, his haunting account of Auschwitz. Yet Levi's body of work extends considerably beyond his experience as a survivor. Now, the transformation of Levi from Holocaust memoirist to one of the twentieth century's greatest writers culminates in this publication of *The Complete Works of Primo Levi*. This magisterial collection finally gathers all of Levi's fourteen books—memoirs, essays, poetry, and fiction—into three slip-cased volumes. Thirteen of the books feature new translations, and the other is newly revised by the original translator. Nobel laureate Toni Morrison introduces Levi's writing as a “triumph of human identity and worth over the pathology of human destruction.” The appearance of this historic publication will occasion a major reappraisal of “one of the most valuable writers of our time” (Alfred Kazin). *The Complete Works of Primo Levi* features all new translations of: *The Periodic Table*, *The Drowned and the Saved*, *The Truce*, *Natural Histories*, *Flaw of Form*, *The Wrench*, *Lilith*, *Other People's Trades*, and *If Not Now, When?*—as well as all of Levi's poems, essays, and other nonfiction work, some of which have never appeared before in English.

*A Parents' Guide for Children's Questions* Benito Casados,2010-07-16 Children by nature are curious about the world and people around them. As they grow older their level of awareness increases and questions begin to pour from their inquiring minds. Their questions maybe motivated by what they hear and see in their surroundings, what they see on television or what they are trying to learn in school. In most cases the burden of answering these questions falls on the parents. Parents are busy people. Children want the answers right now. This guide will provide answers for many questions traditionally asked by children between the ages of eight and sixteen. This guide is published in E-Book format only and is intended to reside in your e-book reader so the information is easily accessed whether at home or on the road.

**Kings Cross** Louis Nowra,2013 A longtime resident of Kings Cross, celebrated Australian author, playwright, and screenwriter Louis Lowra, in an ode to the neighborhood, cajoles readers into reimagining the most infamous and misunderstood place in Australia, a magnet for bohemianism, cosmopolitanism, and organized crime. In a wildly energetic book that walks the streets, sits in bars, chats with locals, and spends time in clubs and apartments where the walls, if they could talk, would tell a story or two, Nowra traverses the history and the future of his beloved neighborhood. He burrows beneath the sensationalist narrative of an underbelly of sex and sin to reveal stories and a cast of characters too astonishing to be fictitious. Backpackers, prostitutes, strippers, chefs, poets, beggars, booksellers, doctors, gangsters, judges, artists, and others live side-by-side in Kings Cross, and eyewitness, historian, and man-about-town Louis Nowra is the perfect guide to a no-holds-barred place that is as much physical as it is a state of mind.
