Overlord, Vol. 9 (light novel) Kugane Maruyama,2019-01-22 The annual war between the kingdom and the empire almost always ends in little more than a staring contest. This year, the Fresh Blood Emperor's visit to Nazarick will change everything. Ainz himself has joined the fray, which is a dark omen of the coming storm. The arrival of the absolute ruler of Nazarick means only horror and death await those who stand on what will become the most hellish battlefield anyone has seen in living memory...!

The Splat Conspiracy J. Joseph Higgins,2007-02 Being a 73 year old man who was raised during the great depression I have seen enormous changes in America. There has been dramatic changes in technology, human rights, political philosophy (and engineering) and social values. I have written a 75000 word story about a college professor named Adam Solomon who after winning a large sum of money, decides to initiate a bazaar plan designed to influence the national political agenda. Adam's goal is to prevent any further erosion of wholesome morality and America's constitutional liberties. To accomplish this Adam assembles a group of highly skilled and experienced assassins. Their assignment is to surgically remove specific individuals who have become an unwelcome influence by endorsing ideas that are contrary to the American constitution. After several dozen high profile killings a fire-storm ensues across the nation. On the one hand thousands cry for justice and a stop to the mayhem. Yet, others, the disenfranchised, the poor, the malcontents, neo-nazis and some various kooks applaud and support the activities. Some want to join up with and take part in Adam's program. As the story builds the situation turns into a national crisis involving all of law enforcement and the President of the United States. During the crisis Adam finds himself drawn into a close relationship with the only female assassin. They have a brief sexual experience but, Adam finally succumbs to the charms of his beautiful young secretary. A sub plot develops when a program supporter discovers the existence of an underworld child pornography ring centered in Guatemala. After much persuasion Adam and his team raid the Guatemala children's camp freeing 200 enslaved children. They are sent to a Christian care center and later return to a normal life. Adam works through the plot with a good friend called the Captain. The Captain is a veteran of Desert Storm and though he has a dirty mouth he has a good heart and great military skills. Adam's other good friend is a man they call Shakespear. He has a proclivity to speak using only lines that rhyme sometimes causing problems. Adam becomes friends with one of the assassins code named the Jackal. He's very dangerous and useful. The story ends with an unusual twist. Does Adam and his friends receive justice? Do they get captured? What will their punishment consist of? Will Adam and his devoted secretary get married? Could these event actually take place? J.Joseph Higgins

I'm Trying to Love Spiders Bethany Barton,2019-07-02 The Official Spider Test. What do you do when you see a spider? a. Lay on a BIG spidey smoocheroo. b. Smile, but back away slowly. c. Grab the closest object, wind up, and let it fly. d. Run away screaming. If you chose b, c, or d, then this book is for you! (If you chose a, you might be crazy.) I'm Trying to Love Spiders will help you see these amazing arachnids in a whole new light, from their awesomely excessive eight eyes, to the seventy-five pounds of bugs a spider can eat in a single year! And you're sure to feel better knowing you have a better chance of being struck by lightning than being fatally bit by a spider. Comforting, right? No? Either way, there's heaps more information in here to help you forget your fears . . . or at least laugh a lot!

Nervous kitties wondering about friends and school will enjoy laughing along with Splat the Cat! Just in case, Splat decides to bring along his pet mouse, Seymour, and hides him in his lunchbox. The teacher, Mrs. Wimpydimple, introduces Splat to the class and he soon starts learning all his important cat lessons. But when Seymour escapes and the cats do what cats do (they chase mice!), Splat's worried again. Maybe now he'll lose all his friends, old and new! Just in time, wise Mrs. Wimpydimple takes charge and teaches everyone an important new lesson. Maybe Cat School is going to be okay after all! This compact illustrated guide will appeal to the scientific community working in integrated pest management disciplines, as well as those researching, studying, and working with interest in protecting natural resources at a global, local, and individual level, in a variety of locations including the lab, garden, field, or forest. Enables understanding of the terminology used in biological control for professionals, researchers and students in a variety of scientific fields Features clear images and photographs to help identify insects and pathogens Ideal for in situ use in both the lab and field pest management protocols

Doorways ERIC O'CONNOR, 2014-10-25 The nephilim, born from a forbidden union between fallen angels and human women, were an abomination to God. They were gigantic, immensely strong, and very warlike. Nephilim is a trilogy and is a story of redemption. In book one, the last and most powerful of all the nephilim is released from a prison where it was held for five thousand years. One remaining fallen angel has repented of his sins and now must face this giant in a weakened state before he can be brought back into God's presence. Before, he had other repentant fallen angels to stand with him. Now he only has three humans chosen by God to fight at his side. A weapon created by angelic hands to destroy the nephilim can also be used to open doorways into other worlds, which would release onto earth terrible creatures from dark and violent ecosystems. The nephilim pursues the weapon in order to open a doorway into hell and release Satan as a physical being. The giant leaves death and destruction in its path, while one of the human warriors, a despairing widower who finds love again, fights to protect the ones he loves from the swarm of released creatures.

The Spider Catcher A.L. Tyler, 2013-11-29 Bright and shy, Ember Gillespie was sent away from her home and her family when she was little. She was raised by strangers in an urban boarding school that didn't resemble her

family's rural and hermetic home in any way. Her sister Thalia, always her mother's favorite, got to stay. They never told Ember the dark family secret - why she had to go. When she finally gets home at the age of sixteen, the realization that her family doesn't want her is nearly more than she can bear. Her grandmother has become senile, her mother is manic, and her sister is a brainwashed shadow of who she used to be. Her only refuge from the constant strain in her mother's house comes from a young man who has taken her under his wing, and a dark friendship that seems to have the potential to ignite into romance. The only thing more shocking than her family's rejection is the reason they want her leave. Thalia confesses that the town is inhabited by demons, and that Ember is too weak to fend for herself. Their mother believes that Ember's paramour is particularly dangerous and bent on revenge. Ember knows her mother is crazy. But as she starts losing her memories and waking up to strange notes she's left herself, she begins to believe her mother might also be right.
