This directory must have been very useful at the time of its original publication, but after nearly 70 years is of little if any practical commercial value. It has been reproduced purely for the purpose of informing current and future generations in Guyana of their ancestors and their accomplishments. From a genealogical perspective therefore, it may serve some useful purpose.

Elantris Brandon Sanderson,2007-04-01 In 2005, Brandon Sanderson debuted with *Elantris*, an epic fantasy unlike any other then on the market. To celebrate its tenth anniversary, Tor is reissuing *Elantris* in a special edition, a fresh chance to introduce it to the myriad readers who have since become Sanderson fans. This new edition begins with a preface by author Dan Wells, the first person to read the completed novel, and a new afterword by Sanderson explaining how he came to write the book and its place in the Cosmere, the unified universe of all his Tor novels. Also included is an expanded version of the *Ars Arcanum* appendix, with more of the technical details of the book's magic that fans can never get enough of. *Elantris* was truly a milestone both for Sanderson and for the genre of epic fantasy. It deserves this special treatment, something Tor has done only once before, with Orson Scott Card's *Ender's Game*.

Sanderson fans old and new will be excited to discover it. Thank You Sandy Gingras,2010-03-23 A gift of gratitude for those who do one of the hardest jobs in the world and impact our lives in ways that are forever being revealed: educators. As artist and writer Sandy Gingras so aptly points out in the introduction to her book Thank You, a life lived well is perhaps the highest form of thanks a person can give to teachers as a way of repaying them for their attention and effort. A simple thank-you is also nice. Thank You is Gingras's own delightful way of conveying this sentiment. This charming keepsake book features her soft, sweet watercolor artwork and thoughtful original text celebrating teachers and all they do for us. Always striking the right tone of gratitude without being overly sentimental, Thank You is a wonderful way to show appreciation to teachers for their enduring gifts to us both great and small.

How to Live Sandy Gingras,2016-03-15 Author of more than 25 books, Sandy Gingras enjoys a growing reputation for her popular and well-loved gift books. Her observations, words of wisdom, and encouragement are expressed through her simple yet profound watercolors and text. She offers a philosophy of life that is illuminating, enlightening, and uplifting; it's accessible to all. In How to Live, Gingras's words are so intimate, calm, kind, and immediate, this extraordinary book feels like a message from your very own heart. It's a wonderful and loving gift, particularly for a high school or college graduate or anyone, really, who needs to hear that it is in their power to follow their dreams and unleash their potential.
