Unlocking the Mysteries of the Holy Spirit Dr. Larry Ollison, 2022-12-20 The world is full of mysteries. Many are intrigued by earth's mysteries – UFO's, the lost city of Atlantis, the pyramids, the Nebula of Orion, etc. God knows the answer to every mystery. However, as interesting and captivating as these mysteries are, they pale in comparison to the revelation of the deep secrets of God. The Holy Spirit may seem a mystery to some people, but God's desire is for His believers to know and understand the deep things of the Spirit. God has revealed them to us through His Spirit. For the Spirit searches all things, yes, the deep things of God (1 Corinthians 2:10). Because of fear or tradition, many have chosen to ignore teachings concerning the Holy Spirit. In this book, Dr. Larry Ollison sets aside religious political-correctness and digs deep into the mysteries of the Holy Spirit. Remember the final words of Jesus as He ascended into heaven from earth: You shall receive power when the Holy Spirit has come upon you (Acts 1:8).

A Place Called Heaven Dr. Larry Ollison, 2020-08-18 Unimaginable Beauty Awaits in Your Future Home What Christian isn't curious about heaven? Although heaven is discussed extensively in the Bible, centuries of fictional characterizations of the afterlife have left most believers with an inaccurate picture of what heaven is really like. In *A Place Called Heaven*, author, pastor, and scholar Dr. Larry Ollison searches the entire Bible for rock-solid answers to your deepest questions about heaven. Dr. Ollison tackles questions like ● What happens when you die? ● What is the Paradise of God? ● Where is heaven, and what does it look like? ● How will our heavenly bodies be different? ● Are loved ones there waiting for us and will they recognize us? Each chapter illustrates a biblically accurate and magnificent picture of heaven. As your excitement and anticipation for your future home builds, you'll be convinced beyond any doubt that a glorious future awaits you in *A Place Called Heaven*!

Media Role in African Changing Electoral Process Cosmas Uchenna Nwokeafor, Kehbema Langmia, 2013-12-20 *Media Role in African Changing Electoral Process* analyzes the effect of mass media on African elections. Featuring contributions by leading African scholars and professionals, this book covers a wide-array of social science disciplines, political discourses, and political communication issues.

Another Door Opens Jeffrey A. Wands, 2007-07-24 A rising young star of the medium world explores the connections that are maintained with those who have passed, offering a journey that will convince even the most skeptical.

The Power of Grace Dr. Larry Ollison, 2013-02-05 God's Grace Empowers You To Do The Impossible! You have probably heard grace defined as God's unmerited favor and that is absolutely true, but it is so much more. Grace is the power that God willingly gives us to help us do what we could never do on our own. When God said to Paul, My grace is sufficient for you, He was giving Paul His power to be set free from the thorn that was buffeting him. However, Paul had to understand how to use God's grace in order to be set free. In this fresh new outlook on grace, Dr. Larry

Ollison shares how to approach the throne of grace with confidence and boldness and find the power to overcome things you could never overcome in your own strength—even works of the flesh. Grace is not a license to sin, but rather it empowers us to be able to say no to sin and temptation. In this book you will come away with a deeper understanding of this wonderful gift that God has given to the Church. His free gift of grace is sufficient and more than enough to meet any situation you face.

The Christian Right in Europe Gionathan Lo Mascolo, 2023-11-30 Inspired by the success of the US Christian Right and the rise of the global far-right, ultraconservative Christians in Europe are joining forces and seek to reshape Europe. By assembling in anti-gender movements and sharing anti-Muslim narratives, they actively influence the political landscape and shape government policies. The contributors offer new perspectives on the protagonists and the entangled networks that work to abolish liberal democracy in Europe behind the scenes. This anthology is the first to bring together case studies on the Christian Right in over 20 European countries, providing a transnational perspective and an accessible insight for clergy, politicians, and academics alike.

Living with My Spirit Guides Greg Thompson, 2020-11-08 Greg Thompson was four years old when he first met his guardian angel. It would not be the last visit from that angel or other paranormal beings. In *Living with My Spirit Guides*, Thompson narrates his story as he offers a different perspective on life when communicating with spirit guides daily. This memoir chronicles how he has grown from a child who accepted his world that others did not understand to a life where he openly talks about his connection to a larger world. Thompson shares how he communicates with his spirit guides, how it has changed throughout time, and how he has additionally learned to talk with other forms of life. *Living with My Spirit Guides* conveys what it feels like to be an empath who can pick up emotions from anywhere in the world and how it feels walking through a crowd that is either extremely happy or mad. Thompson tells how he learned to control those feelings within him, how he deals with knowledge of someone who is sick or dying and they don't know it, and how to help them with the aid of his spirit guides.

I'm Not Dead, I'm Different Hollister Rand, 2011-04-19 Rand was initially puzzled as to why young spirits wanted to speak through her—she had no children of her own and the responsibility of talking with people who had lost theirs seemed too great to bear. But the compelling answers came with time and patience: No one finds death more inexplicable than a grieving parent, thus no spirits are more motivated to make sense of it all for those they've left behind than young ones. These spirits clearly want to heal broken hearts and deepen our understanding of life and death, and Rand has the unique ability to help deliver their messages. Through her, young spirits talk freely about how to make sense of murder, suicide, and accidental deaths. They also discuss the different ways relationships on both sides can be mended, how the intergenerational cycle of abuse and addiction can be stopped, and how “joy guides”—miscarried and aborted children—can actually help those they've left behind move forward. The insights they share in this uniquely comforting book will surprise, inform, and inspire. What's more, their answers to our questions about death reveal many valuable tips for living a better life while on earth too.

The Practical Handbook for Christian Living Larry Ollison, 2011-12-20 A Powerful Reference Guide for the Believer

Who Wants Deeper Understanding and Direction in the Quest for Victorious Daily Living People rarely anticipate the dramatic changes and challenges that are just out of sight over the horizon. A Christian must be prepared, not just mentally, but deep within, so that when the storms of life threaten, they are anchored in the Word of God and prevail. This book has a threefold purpose. First, it is a book that you can read through from beginning to end that will guide you in understanding the life principles of God's Word. Secondly, it can be used as a daily devotional. This book is divided into detailed bites of information that can be taken daily and systematically digested to bring a higher level of spiritual health. Lastly, it can be used as a reference guide. Through the topical table of contents, you can find the subject quickly that addresses the area of your interest or study.

The Spirit's Power Charles M. Sheldon, 1906

The Power of Grace Larry Ollison, 2013-02-05 You have probably heard grace defined as God's unmerited favor and that is absolutely true, but it is so much more. In our own strength and abilities we can sometimes do the possible, but God's grace empowers the Christian to do the impossible. Truly, it seems God always calls us to do the impossible but with His grace working in our lives, the impossible becomes reality. With chapter titles like Spiritual Peer Pressure and Grace is a Choice, Dr. Ollison walks the reader through how to receive God's grace and defeat sin. Learn that Jesus has paid the price totally for everything we have done or could ever think of doing. God's grace is sufficient for anything and everything that we face in life.

Finding Hope When Things Look Hopeless Dr. Larry Ollison, 2017-10-20 One of the greatest hurts that can ever be experienced is living without hope. Hope is the spiritual force that keeps us moving forward. It fills each day with anticipation, excitement, and joy. With hope, there is life, but when hope is stolen and our dreams are crushed, we are left with emptiness. Hopelessness brings the pain of loneliness and despair. The feeling of failure becomes almost unbearable. The Bible says hope deferred makes the heart sick. However, there is hope for your life. You can break free from the heaviness and fog that is trying to pull you into darkness. Like sunshine flooding a room when the curtains are pulled back, hope will flood your soul and you will see the possibilities that the light exposes when you discover the truth that has been hidden from you.

Religion, Illusion, Reality, Perception Simon P Bargetzi, 2018-02-09 We received by birth the gift of free will: the inner urge, drive, or the inner desire, through faith, to have a communion with God. Humans are driven by many urges, but none stronger than the urge to love and to be loved. Hunger (as part of the survival instinct) and sexual cravings (survival of the species) are well developed in humans. Two instinctive urges that humans share with the animal world. Nature demands survival, but the art of civilization increases the pleasures of living and the satisfactions derived from family life. To find meaning in life is a valuable and ultimate endeavor.

Discourses from the Spirit-World (Classic Reprint) Stephen Olin, 2017-07-18 Excerpt from Discourses From the Spirit-World Change is a necessary result of motion. Viewed in all the appearances of human activity, life presents a vivid picture of ever-varying objects and scenes, whose beauties and deformities excite in the beholder mingling emotions of admiration and disgust. A true position, however, is essential to correct observation. The

benign influence of light and freedom is necessary to designate the true character and condition of the objects that excite the attention. Comprehending, then, the whole of human realities and circumstances, as far as is possible to the contemplating mind of man, we ask a candid investigation of the following pages, which will, we trust, afford not only interest in their perusal, but light to direct the sincere inquirer into the paths of true happiness, and guide to a more familiar acquaintance with those celestial beings who, as our elder brethren, continually minister to earth's inhabitants, as a part of that common family whose origin is the earth, but whose destiny is to be increasingly glorious amid the circling spheres of the better country. Woman, Don't Be Stupid! Armato,2009-09 Do not be unequally yoked together with unbelievers. For what fellowship has righteousness with lawlessness? And what communion has light with darkness?-2 Corinthians 6:14 From the beginning, Satan has declared war on the family. But now, Satan is stepping up his attack on the family to bring it down-with the help of Christian women. Satan has found that the best way for him to destroy the family is to start from its formation-by getting Christian women to date and marry men who are not true brothers in the Lord. In this endeavor, Satan is succeeding big time, and will continue to do so, unless Christian women everywhere wake up and realize what is happening. They also need to recognize who they are, and why they should not settle for anything less than a man who is a true brother in the Lord. This book will help in that endeavor, as well as expose Satan's plan for Christian women everywhere. Topics covered in this book include: - Reasons why Christian women choose to date and marry unsaved men. - The consequences Christian women will suffer for pursuing unsaved men. - The consequences their children and future husbands will suffer as well. - How Christian women misuse the Gospel of Jesus while dating unsaved men. - The excuses Christian women give to justify their disobedience. - How to heal from past ungodly relationships. - How to be the woman that a Christian man will want to pursue. James Joseph Armato is a graduate of Hofstra University and an Air Force veteran. He currently resides in Massapequa Park in Long Island, New York, while holding down two jobs as a restaurant server. He is a member of Bethpage Assembly of God church. This is his first book.
