Tides Jonathan White,2017-01-16 In *Tides: The Science and Spirit of the Ocean*, writer, sailor, and surfer Jonathan White takes readers across the globe to discover the science and spirit of ocean tides. In the Arctic, White shimmies under the ice with an Inuit elder to hunt for mussels in the dark cavities left behind at low tide; in China, he races the Silver Dragon, a twenty-five-foot tidal bore that crashes eighty miles up the Qiantang River; in France, he interviews the monks that live in the tide-wrapped monastery of Mont Saint-Michel; in Chile and Scotland, he investigates the growth of tidal power generation; and in Panama and Venice, he delves into how the threat of sea level rise is changing human culture—the very old and very new. *Tides* combines lyrical prose, colorful adventure travel, and provocative scientific inquiry into the elemental, mysterious paradox that keeps our planet’s waters in constant motion. Photographs, scientific figures, line drawings, and sixteen color photos dramatically illustrate this engaging, expert tour of the tides.

Prayers against marine spirits Dr. Olusola Coker,2020-06-11 The time has come to put a final stop on the activities of Marine Spirits. In recent times Marine Spirits has caused a lot of damages to the human race including Churches by influencing their behavioral pattern. Marine Spirits conduct their operation inside waters and made the oceans, rivers, seas, streams, and lakes their stronghold. However, it is extremely difficult to detect Marine Spirits than any other Spirits including witchcraft spirit. Unlike Witchcraft spirits who are aggressive and impatient in their operation, Marine Spirit is different, they are patient, well mannered and cultured in their operation. Are you finding solutions to any or all of the problems below but you find it difficult? Then this book is for you Uncontrollable sex Uncontrollable masturbation Watching of pornographic videos Chronic Anger in You 1.Dead in everything in a man's life, eg, dead brain, dead organs, dead spiritual life. 2.The weakening of pastors power to perform a miracle or cast out demons 3.Inability to get married on time 4.Frequent divorce 5.Bankruptcy 6.Spirit wife 7.Spirit husband 8.Sex in the dream Please find below the characteristics of Marine Spirits Marine Spirits are wicked as witchcraft spirits Marine spirits can wait for years to destroy their victims Marine Spirits come in the form of beautiful ladies and they work with a purpose in mind Marine Spirits are always materialistic Marine Spirits can make victim wealthy temporarily but later deal with them ruthlessly. Marine spirits have their agents everywhere especially in Churches, who hide under the cover of church and lead people into immorality, fornication, lesbianism, homosexuals and so on. In some cases, Marine Spirit agents could be pastors, general overseer, and church leader and so on. Such pastors engage in various forms of an immoral act with Church members. You have to be careful about which church you attend. Marine Spirit executes their plans by possessing either a man or a woman. The marine kingdom is headed by the queen of the coast. Marine Spirits possess female than male There are two types of Marine Spirits. They are conscious and unconscious. The formal know they are possessed, while the latter doesn't. Marine spirits use sex to oppress men and scatter homes through the power of sex. Marine Spirits are extremely fashion-crazy, they dress to attract on purpose, they walk to attract on purpose. Most ladies that date married men without remorse are Marine Spirits. They enjoy breaking the hearts of their victims so as to render them emotionally unstable. They make their victims take wrong decisions that will render their life useless. Marine Spirits agents are very unstable in relationships and they cannot keep a relationship for too long. Marine Spirits agents are good pretenders. The worse thing that can happen to a man is to fall in love with a lady possessed with Marine Spirit. If a man decides to end the relationship, the lady possessed with Marine spirit begins to behave well and the moment the man changes his mind, she starts tormenting the emotion of the man, constantly frustrating the man. Lesbianism, homosexuality, and pornography are marine initiations Marine Spirit agents are partygoers PUBLISHER: TEKTIME

POWER AGAINST MARINE SPIRITS Dr. D. K. Olukoya,2011-06-01 Unknown to most of us what happens in the marine kingdom goes a long way in affecting human existence on earth. The marine kingdom has been used by satan to challenge the purposes of God on earth. Marine spirits are found in oceans, rivers, streams, pools of water and in the human body, etc. These are tough demons that always resist deliverance. They are highly deceptive and possess spiritual capacity to ruin human lives and nations.

The Spirit of the Sea Rebecca Hainnu,2014 Presents the story of Nuliajuq, the spirit of the sea, and how she came to live at the bottom of the ocean as a powerful and vengeful spirit.

MARINE SPIRITS EXPOSED Hlompho Phamodi, In this book I am going to take you through seven days of fasting and prayer against every marine spirit pollution in your life or family. These are seven days of exposing every hidden work of darkness in your life. The devil has put together a power base under the sea where people’s lives are held captive. This book is put together to put an end to all manner of spiritual attacks or bondages in your life and family that is caused by these spirits. The body of Christ has been ignorant for so long and the enemy has kept many blinded to his attacks from under the sea. But we thank God for books like *Marine Spirits Exposed* that are targeted at bringing to the light every lie and hidden work of the devil. Be blessed as you read and pray and know that the Lord is able. These seven days are very significant and I know God will honor your faith and disgrace your enemies in Jesus name.

Chicken Soup for the Ocean Lover's Soul Jack Canfield,Mark Victor Hansen,2012-09-25 All of us, at one time or another, find ourselves inexplicably drawn to the sea. For some, it's a place for reflection or romance. For others, it's the thrill of watching surf crash against a sandy white beach or studying the kaleidoscope of life among a tropical coral reef.

The Soul of the Sea Miguel Angel Fernandez,2018-08 In 2002 took place one of the biggest ecological destructions in Spanish history. In parallel to this tragic event, two young individuals, David and Ariadna, experienced a love that aimed to restore the primordial balance, not only between man and woman, but also between humanity and nature herself. The magic triggered by this exceptional relation demanded David to face a heroic quest, relating to the corporate powers of his time as a means to unveil the potentials of a more harmonic future for humanity.

The Cosmic Spirit Roland Faber,2021-03-04 Are we more than stardust? Is the appearance of the fragile Earth in the vast universe more than an accident? Are we not children of a Spirit that pervades the dust, rejuvenates life, and embraces the ever-evolving universe? Is there a cosmic Spirit that wants us to awaken to a consciousness of universal meaning, sacred purpose, and mutual friendship with all beings? This book answers these questions with a spirituality of the numinous in our relation to the elements of the Earth in the matrix of the multiverse by taking you on a journey through nine paths and nineteen meditations of awakening. Not bound by any religion, but in deep appreciation of the religious and spiritual heritage of human encounters with the divine depth of existence in our selves and in nature, they invite you to become sojourners by engaging the most profound embodiments of the intangible Spirit by which it facilitates its own materialization in the cosmos and our spiritualization of the cosmos. Use--says this Spirit--the stardust that you are to become a spirit-faring species in an eternal journey of the cosmos to realize its ultimate motive of existence--the attraction of love!

Sisters in Spirit Andreana C. Prichard,2017-05-01 In this pioneering study, historian Andreana Prichard presents an intimate history of a single mission organization, the Universities’ Mission to Central Africa (UMCA), told through the rich personal stories of a group of female African lay evangelists. Founded by British Anglican missionaries in the 1860s, the UMCA worked among refugees from the Indian Ocean slave trade on Zanzibar and among disparate communities on the adjacent Tanzanian mainland. Prichard illustrates how the mission’s unique theology and the demographics of its adherents produced cohorts of African Christian women who, in the face of linguistic and cultural dissimilarity, used the daily performance of a certain set of “civilized” Christian values and affective relationships to evangelize to new inquirers. The UMCA’s “sisters in spirit” ultimately forged a united spiritual community that spanned discontinuous mission stations across Tanzania and Zanzibar, incorporated diverse ethnolinguistic communities, and transcended generations. Focusing on the emotional and personal dimensions of their lives and on the relationships of affective spirituality that grew up among them, Prichard tells stories that are vital to our understanding of Tanzanian history, the history of religion and Christian missions in Africa, the development of cultural nationalisms, and the intellectual histories of African women.

Yemoja/Olokun Awo Fa’lokun Fatunmbi,1993 Yemoja/Olokun is the name is the name of two spiritual forces in the West African religious tradition called Ifa. The word Yemoja is an elision of the Yoruba Oriki (praise name) Yeye mo oja, which means Mother of Fish. The word Olukun is a contraction of Olohun meaning owner, and okun meaning ocean. Both of these words are the names given to describe a complex convergence of Spiritual Forces that are key elements in the Ifa concept of fertility. Those Spritual Forces that form the foundation of Yemoja and Olokun's role in the Spirit Realm relate to the relationship between water and birth. .

The Breath of a Whale Leigh Calvez,2019-02-26 From the author of *The Hidden Lives of Owls*, an exploration of the elusive lives of whales in the Pacific Ocean, home to orcas, humpbacks, sperm, blue, and gray whales. Leigh Calvez has spent a dozen years researching, observing, and probing the lives of the giants of the deep. Here, she relates the stories of nature's most remarkable creatures, including the familial orcas in the waters of Washington State and British Columbia; the migratory humpbacks; the ancient, deep-diving blue whales, the largest animals on the planet. The lives of these whales are conveyed through the work of dedicated researchers who have spent decades tracking them along their secretive routes that extend for thousands of miles, gleaning their habits and sounds and distinguishing peculiarities. The author invites the reader onto a small research catamaran maneuvering among 100-foot long blue whales off the coast of California; or to join the task of monitoring patterns of humpback whale movements at the ocean surface: tail throw, flipper slap, fluke up, or blow. To experience whales is breathtaking. To understand their lives deepens our connection with the natural world.
