Spirit Hunger Ella Smyth,2020-04-15 Dreams disappear when morning comes. They are not supposed to kill you at lunchtime. Adi has to stop the hallucinations before they get her expelled. But when her dreams start coming true, she's desperate to find answers before she loses her sanity. Honi is the last of the spirit walkers, able to traverse the human and spirit world. He searches for an apprentice, desperate to train another so the secrets of his people are preserved. He has sworn off love and knows only duty. Adi doesn't want help from some smug dude, no matter how good he looks with his shirt off. Yet working with the intriguing Native American man and his wolf companion might be the only way to stop the supernatural attacks that will claim her life.

Spirit Walkers Chase Glorfield,2021-05-27 Spirit Walkers: Sight follows Porter Bishop, a man who is invisible. He wants it that way, partially because of the hideous scars that cover his face, and partially because of the ones etched into his soul, the result of injuries he doesn't remember receiving. He's haunted by his mysterious past, and reluctantly yearns for a future. My novel plunges deep into a world where supernatural beings exist beyond the visible spectrum. As Porter is dragged into their secret civil war, he quickly discovers the important role he is meant to play, and a forgotten nemesis is waiting for his return. His involvement is the key to unlocking his forgotten memories and securing the future of two worlds.

The path may not always be easy, but with guidance from the spirits and open hearts, the spirit walkers find their way. Which will be your favorite?

Spirit Walker Rusty Davis,2020 Spirit Walker tells of a time when the spirits walked with the living, resistance never stopped, and dreams lived when the dreamers lay cold. After the exile of the Northern Cheyenne from their homeland, spirit warriors arose in defiance: Rides a Crow, a Spirit Walker who vowed to return to her home even if she were the only one left alive to make the journey; Hunter, an outcast who walked outside the laws of men; Talks to Horses, a spirit horse who has roamed the Plains; and Dead Face, a warrior scarred for life. From the squalor of a reservation and to the race for freedom with death riding on their shoulders, they refuse to admit defeat, even at the point of death.

Spirit Walker H.E. Starnes,2014-07-30 This is the story of a guide and guardian angel. He dies as an American Indian called Running Water and finds himself on a journey of discovery. He has been asked to be a guardian to a

spirit entity as he is born into the twentieth century. He is the soul mate to this energy. He finds himself in a place of goodness and grace, which is where he stays and learns how to become a guide and guardian angel. This story has been told to me by my own guide, Running Water Swift of Foot, and I'm the woman that he was asked to look after on this journey.

Chronicles of Ancient Darkness #2: Spirit Walker Michelle Paver, 2006-02-21 When a deadly illness begins to afflict the clans, twelve-year-old Torak, with help from Renn and Wolf, embarks on a journey to find a cure, in the follow-up adventure to Wolf Brother. Reader's Guide available.

Spirit Walking Evelyn Rysdyk, 2013-04-01 Shamanism is an ancient spirituality rooted in the belief that all matter has consciousness and that accessing the spirit in all things is part of what keeps the world and people healthy and in balance. Spirit beings surround us and are the source of a spirit walker's ability to profoundly influence life events and thrive in difficult circumstances. In *Spirit Walking*, shamanic practitioner Evelyn Rysdyk shows how we can all connect with the spirit world to find balance and healing. Using shamanic techniques that have been proven over thousands of years of human existence, Rysdyk offers a step-by-step guide to understanding and integrating shamanic practices into one's life through: Power Animals Prayers and Rituals Discovering the Creative Energy of Emotion Imagination and Manifestation Learning to Shape-shift Divination Traditional Shamanic Healing Rysdyk shares powerful stories of shamans from a variety of cultures such as Nepal, Tuva, the Ulchi from Siberia, and from Peru. She brings a fresh perspective to the work by showing how the latest findings in quantum physics are verifying that we are all connected in an intricate web of energy and spirit.

Spirit Walker Miroslav Juricek, 2003 *Spirit Walker: A Journey of Awakening* is a candid and captivating account of two parallel journeys: one, an outer journey to the most important chakra points or power spots on our planet; the other, an inner journey through many tests and rites of passage to the most sacred power of all - the innermost self. Miroslav shows how his longing to merge with his higher self while remaining in his physical body guided him on many exciting and challenging adventures. His intention in sharing his stories is to inspire readers to open to their inner selves and journey with their spirits.

Michelangelo Christina Belcher, 2014-07-29 What would you do if one day you woke up from a really nasty dream to find yourself in the body of a cat? That's exactly what happened to me. My name is Michael, well now it's Michelangelo and I am a cat. Yea, you heard me right. Apparently a dark spirit or an agent for Death tried to steal my soul before my number was up. I was able to fight hard enough to jump back into a body, into the realm of the living but I landed in a feline. Now I must convince my daughter and niece that it is me and persuade them to help me fight off the zombie attacks from this dark spirit before my time runs out. Time that is hanging around my neck in the form of an amulet. When a gypsy witch and her cousin cross our path, secrets are revealed and the sacrifices I must make to win this battle for my soul. Who would have thought that Death was an entity and would end up saving me. Wasn't the life of a cat supposed to be lazy?

When he finally meets his spirit walker and thinks freedom is within his reach, the man comes with a little baggage. Not that you could call a twenty-odd-foot crocodile little. Darian Ramoth had been kidnapped and forced to work for his family. He was also being used to blackmail his wayward spirit walker.
