David A. deSilva

Introduction to the Spiritual Life Brant Pitre, 2021-11-02 A compelling exploration of the biblical foundations, contemplative practices, and spiritual path of Jesus himself—from the bestselling author of *The Case for Jesus* “What happens when a biblical theologian explores classic spirituality? This book. Pitre’s students have asked, Why have we never heard this before? The reader wonders the same.”—Dr. David Fagerberg, author of *Liturgical Mysticism* The path of following Jesus is an ancient and storied spiritual tradition. Yet many believers are not familiar with the three major forms of prayer and the three stages of spiritual growth that exist to bring them closer to God. In his most personal book yet, Brant Pitre, PhD, draws on the riches of the Bible, the words of Jesus, and the writings of mystics across the centuries to shed light on the mystery—and wonder—of the spiritual life. Starting with the age-old belief that the path of prayer is not only informative but transformative, Dr. Pitre explores • the scriptural roots of the major forms of prayer: vocal prayer, meditation, and contemplation • the purgative, illuminative, and unitive stages of spiritual growth • the spiritual exercises of prayer, fasting, and almsgiving • the Jewish roots of the Lord’s Prayer • *Lectio Divina*: how to pray with the Bible • seven vices and their seven opposing virtues • the battle of prayer: how to deal with difficulty and distractions • the “dark night of the soul” in the Scriptures Full of sacred truths, contemplative insights, and practical steps, *Introduction to the Spiritual Life* is a biblical road map of the spiritual landscape that enables us to follow Jesus as our primary guide.

The Spiritual Life Reverend Adolphe Tanquerey, Catholic Way Publishing, 1948 THE SPIRITUAL LIFE: A TREATISE ON ASCETICAL AND MYSTICAL THEOLOGY REVEREND ADOLPHE TANQUEREY — A Catholic Classic! — Two Parts of Four Books in One — Includes 1,773 Active Linked Footnotes — Includes Active Linked Headings, Index and Table of Contents — Includes Religious Illustrations Publisher: Available in Paperbacks: FIRST PART: ISBN-13: 978-1-78379-507-9 SECOND PART: ISBN-13: 978-1-78379-508-6 It is the writer’s conviction that Dogma is the foundation of Ascetical Theology and that an exposition of what God has done and still does for us is the most efficacious motive of true devotion. Hence, care has been taken to recall briefly the truths of faith on which the spiritual life rests. This treatise then is first of all doctrinal in character and aims at bringing out the fact that Christian perfection is the logical outcome of dogma, especially of the central dogma of the Incarnation. The work however is also practical, for a vivid realization of the truths of faith is the strongest incentive to earnest and steady efforts towards the correction of faults and the practice of virtues. Consequently in the first part of this treatise the practical conclusions that naturally flow from revealed truths and the general means of perfection are developed. The second part contains a more detailed exposition of the special means of advancing along the Three Ways towards the heights of perfection. Contents: FIRST PART: Principles SECOND PART: The Three Ways BOOK I: The Purification of the Soul or the Purgative Way BOOK II: The Illuminative Way BOOK III: The Unitive Way PUBLISHER: CATHOLIC WAY PUBLISHING

The Spiritual Life Very Rev Adolphe Tanqueray S. S. D. D., 2015-03-16 First published in 1930, *The Spiritual Life* remains the most comprehensive one-volume treatise on ascetical and mystical theology. Widely respected among members of the Catholic faith, this book depicts the human experience of spirituality by examining the nature of the soul, path to salvation, and strategies for strengthening one’s union with God. Father Adolphe Tanquerey sources his inspirational guidance from Sacred Scripture in addition to the writings of spiritual leaders and saints, including Thomas Aquinas. In this pioneering and instructional work, Father Tanquerey has compiled a complete, practical, and orderly overview of all the questions concerning the spiritual life in one volume. Although initially intended for clergy, this text proves especially efficacious in showing faithful followers the path to piety. The Reverend Father Adolphe Tanquerey, S.S., D.D., (1854-1932) was born in Blainville, France and joined the Society of St. Sulpice at the age of 18. After five years as a seminarian, he was ordained a priest and began his successful teaching career. His best known works include the three-volume *Synopsis Theologiae Dogmaticae* and comprehensive one-volume treatise *The Spiritual Life*.

The Spiritual Life Evelyn Underhill, 1985-06-01 Originally part of a series of broadcasts made by the author prior to World War II, this small book was meant to present some of the great truths concerning man’s spiritual life in simple language.” As one critic has noted, “Underhill has admirably and eloquently achieved her objective.” Evelyn Underhill was a prolific British writer on mysticism and spiritual growth. Her other books include *The School of Charity* and *Abba*.

Simplify Your Spiritual Life Donald Whitney, 2014-02-27 Jesus faced incredible challenges and suffered agonizing trials, but there was simplicity in His relationship with His Father that we can emulate. And in that simplicity, we can realize our greatest fulfillment as believers. If your Bible study seems tedious and your prayer life wearisome, stop and rediscover how rewarding the simple Christian life can be.

The Practical Steps to the Deeper Spiritual Life Larry Mehaffey, 2012-01-23 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ, I have discovered that most people appreciate practical and straightforward instructions, and this is especially true when it involves the mystical nature of spiritual life. Although spiritual life is not meritoriously attained through natural means or human effort, there are several “Practical Steps” that can be taken to help facilitate the practice of spiritual disciplines. The combination of these “Practical Steps” with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God. “Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose”: “Agape love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice” “If determination is to live up to its potential in promoting the spiritual life ..., it must be united with some very fundamental practical steps” “Heaven should not be a “culture shock” to the consciousness of the believer; it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion” “Divine pleasure must be the goal of human effort, not divine favor” “The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules” “It does not take overtly carnal acts to corrupt the days of a man’s life, for inattention and idleness produce the same result as evil actions or wicked intentions” “Liberty must always precede service if either are to be authentic” “It is our great love for the Father, not our initial desire for salvation, that motivates and liberates the sincere believer to live a life of chosen obedience to God”

The Spiritual Life Andrew Murray, 2000-04-01 So many Christians experience multiple setbacks in their spiritual lives. They bring themselves to the altar, and they lay everything upon it in utter humility—or do they? Do we really give up everything, or is there always something we hold back? What is hindering us from the fullness of Christ and the Holy Spirit? In this inspiring message on the spiritual life, Andrew Murray answers these questions and invites you to accept the deep spiritual life that God has for you. He also expounds upon scriptural truths concerning: Conquering the power of self Becoming dead to sin and alive with Christ Christ bringing us to God Twelve aspects of the Spirit-filled life Experiencing the presence and power of Christ Being perfected in the Spirit, not the flesh Being filled with the Spirit Denying yourself in order to follow Christ Five marks of the life of rest If you believe that the spiritual life can be yours, and if you desire to become spiritually minded, then allow these words to reach your heart. You will begin to experience the fullness of a powerful, spiritual life, and you will find the perfect rest and peace of God Himself.

The Spiritual Life Campegius Vitringa,2019-11-22 What does it mean to have spiritual life, and how does a believer achieve it? What are the fruits of this spiritual life, and what are the hindrances and helps for cultivating it? In this classic treatise of Reformed spirituality, Campegius Vitringa provides answers to these questions as he teaches what it means to be made alive in Christ. Translated into English for the first time, The Spiritual Life is accompanied by a helpful biographical sketch of the author and revives the riches of Reformed piety for a new generation of readers.

Dynamics of Spiritual Life Richard F. Lovelace,2020-01-28 In this classic work of spiritual theology, historian Richard Lovelace presents a history of spiritual renewals in light of biblical models. Drawing from the best of different Protestant traditions, Dynamics of Spiritual Life lays out a comprehensive approach to the renewal of the church. In the first half of the book, Lovelace surveys awakening movements since the Reformation, particularly emphasizing Jonathan Edwards's theology of renewal. He then goes deeper into specific elements of such movements and their significance for both doctrinal reformation and spiritual renewal. Lovelace examines such practical issues as renewal of the local congregation, ways revivals go wrong, prospects for closing the sanctification gap, the historical role of evangelical movements in promoting both unity and division, and Christian approaches to the arts. With scholarly and pastoral insight, he offers a powerful vision of renewal that can unify various models across traditions, combining individual and corporate spirituality, social activism, and evangelism. For over forty years, this well-loved book has helped Christians understand the spiritual movement they are a part of and guided leaders in planting and pastoring churches. This expanded edition features a new forewordby Timothy Keller.

Spiritual Life 101 Gwendolyn Cromer,2008-09 To live a godly, peaceable life in this World, a Believer must be filled with the Holy Ghost and have the Fruit of the Spirit, in his personality. However, before he can possess these emotional qualities and grow spiritually, the field of his mind and emotions have to be cleansed by the Word of God and he must understand the spiritual principles that govern and support the Word that he is standing on. Unfortunately, Satan is not just going to sit back and let this happen without putting up a fight, so he uses all kinds of sly, deceitful maneuvers to slow down or stop this process in our life. He systematically uses sin, unrestrained emotions and false teaching to dig holes in our health, character and personality. If we intend to reach the more and much fruit-bearing stage, that Jesus spoke about in John 15:2,5 we must strive to catch the foxes we see in our life, go through our wilderness experience and take advantage of every opportunity to grow in grace and gain more spiritual knowledge and understanding. The woman who was healed from the Issue of Blood understood what the hem of a priest's garment represented so, as a result, her knowledge + her need + her determination energized her faith and pushed it to a level that drew so much virtue out of Jesus that He had to ask, who touched me? When we understand the fundmental priniciples that support what we believe and what we are commanded to do, it will energize our faith and maximize the level of what we receive from the Lord! Understanding is a key to spiritual success!

Introduction to the Spiritual Life Louis Bouyer,2013-10-28 A French convert to Catholicism in 1939, Louis Bouyer is a renowned theologian who was an influential presence at Vatican II. His classic work, Introduction to the Spiritual Life—first published in English in 1961 and now brought back into print—provides readers with an inspiring and comprehensive vision of Christian spirituality that is unmatched in its warmth, lucidity, and accessibility. Introduction to the Spiritual Life is, by author Louis Bouyer’s own description, a manual for practical use. Much more than just a work of “spirituality” or “apologetics,” it is a hybrid of both, produced with an expertise and confidence borne of a lifetime of prayer and study. It aims to cultivate interior growth through a thoughtful, reasoned meditation on the spiritual meaning of the Gospel as proclaimed by the Catholic Church. Catholics who read Introduction to the Spiritual Life will better appreciate how a life of prayer can be shaped and enriched by sound Christian doctrine.

Weakness Is the Way J. I. Packer,2013-05-13 Most people think of weakness as purely negative, but true Christianity embraces weakness as a way of life. In this collection of meditations on 2 Corinthians, renowned Bible scholar and theologian J. I. Packer reflects on the central importance of weakness for the Christian life. He exhorts readers to look to Christ for strength, affirmation, and contentment in the midst of their own sin and frailty. Now in his mid-eighties, Packer mediates on the truths of Scripture with pastoral warmth and exegetical care, drawing on lessons learned from the experience of growing older and coming face-to-face with his own mortality. Overflowing with wisdom gleaned from a life of obedience to Christ and dependence on his Word, this encouraging book ultimately directs readers to the God who promises to be ever-present and all-sufficient.
