Michael Green

Messenger of the Holy Michael Olin-

Hitt,2017-03-16 In 1998, Michael Olin-Hitt is thrown to the floor with spiritual energy, and a spiritual messenger guides him to be an open channel for spiritual wisdom. Such is Michaels introduction to the trance state of the channel, oracle, shaman and prophet. In time, Michaels trance state extends for hours at a time, and the spiritual guide, known to Michael as a Messenger of the Holy, speaks through Michael with a stream of spiritual guidance and sacred orientation. When Michael and his wife, Jennifer, experience devastating grief and loss, they have direct access to this Messenger of the Holy to provide spiritual perspective, wisdom, comfort and guidance. This is the vulnerable, genuine story of human struggle, spiritual transformation, mystical experience and sacred wisdom.

Messages From THE Messenger Vermelle Cohen
Pinckney, 2022-11-03 When you read this book, you will in no way question whether it's from God or not. That is, if you know and understand the word of God. This book has come in this form to shed some light on what may seem confusing, enlighten your eyes of understanding on some things, give instructions and/or directions .All that's shared have been experienced by me. So I share and speak from experience. Criticism, pointing finger has no place here. For one's hungry for truth, eat and be blessed.

New-Church Messenger , 1906

The young spirit messenger Pascal
Voggenhuber, 2021-12-22 There is nothing more beautiful for me than helping people, and with messages from the afterworld, I help them release their fear of death. So much healing takes place. With the precision of his afterworld messages, Pascal Voggenhuber has made a name for himself in a very short time, both in Switzerland and beyond the Swiss borders. In his book he describes his work in his practice, explains how contact with the afterworld functions, and how he makes contact with the spiritual world. Using numerous examples from his practice, Voggenhuber explains how the deceased make their presence known to him. The moving messages he shares - that there is life after death and the deceased are always with us - have comforted many people. A moving book that offers readers comfort and strength.

The Messenger Noah Daniel, 2011-06-01 The Messenger is a fictional, spiritual story about a little boy who appears around the world after what is believed to be the 'End of Days', resulting from the greatest apocalyptic-like event since the biblical great flood. The boy, named Noah, shares his message of hope, unity and love, while insightfully revealing our purpose here on earth, what happens when we die, and the evolution of humanity both spiritually and physically as those left behind move forward from this disaster that eliminated over half the world's population.

I Believe in the Holy Spirit Michael Green, 2004 Christians throughout the ages have confessed, bI believe in the Holy Spirit, b yet the Holy Spirit has often remained a shadowy figure, relegated to the fringes of many Christiansb faith. In other quarters, the rise of the charismatic movement has made the Holy Spirit a focus of heated controversy. In this new edition of his widely popular book, Michael Green traces the doctrine of the Holy Spirit through the Bible and addresses the issues drawing so much attention today. Enriched by Greenbs extensive teaching, pastoral, and personal experience, I Believe in the Holy Spirit is one of the clearest, well-balanced books ever written on this subject. Comprehensive in his approach, Green includes needed discussion on the relation of the church to the Spiritbs work, the meaning of the gifts of the Spirit, and the need to affirm the ongoing value and challenge of Spirit-based renewal movements.

The Messenger Ivan Taub, 2005-01-01 Love Within begins with a story about how humanity was

created. Then, prophecy regarding the paths of love and destruction are discussed. The Storyteller then explains how thoughts create and how to recreate them. Many examples and processes are offered to release emotional debris (stuck emotions). This story will help guide humanity out of the unconscious created world into the future Age of Consciousness and into new heights of love, truth, and freedom from illusion. It offers you an opportunity to become enlightened; it will help you remember who you are by simply realizing there is more to life. There are photographs within this book in which a sphere (image) was taken without the photographer's knowledge. Jesus states, It is the Light within all things that has a resemblance of an end and a beginning. Yet, it is over-expansive, all-embracing, for if the image were to be inhaled it would fit within the eye of a needle. Yet, if it were to be exhaled it would encompass beyond what the mind could conceive, for there is not a beginning and there is no end to the Light. It is who you are.

The Messenger Denise Lescano, 2012-02 An inspiring and enlightening TRUE story that will change the way you think about your life, who you are and why you are here.

I AM the Messenger , 2018-03-31 Marylin's time with Spirit has evolved over 20 years. Her story is intertwined with the many beautiful messages that record the deepest depths of sorrows, the seeking of Truth, to the joy of flying with angels.

Spiritual as F*ck Willie Katinowsky, 2021-03-27 Spiritual as F*ck is a journey of self-discovery

written with cunning intellect and delightful sarcasm. As someone who guarded themselves from faith under the guise of being 'realistic,' I believe this book will help even the biggest skeptics re-evaluate whether the doubts they cling to are really serving them. Allow Spiritual as F*ck to inspire you on an entertaining journey to trust in the universe and to discover the power of faith, belief, and the law of attraction.

Spiritual as F*ck is WOKE. Transcendent yet raw, Spiritual as F*ck will provoke your mind and awaken your emotions. It is a book truly for the wanderer who's trying to get out of self and into the awakening of universal love. - Megan There is no 'one size fits all' pathway to enlightenment/meaning/happiness in one's life; however, this book will likely get you started on your journey and will probably take you most of the way there. - Ben

The Messenger Ann Hamilton Wallace, 2003-05-08

The Messenger provides a wake-up call from our slumber of infantilism and frivolity. It calls us to live with purpose and more importantly, to live united with God and one another.

What Is Your Relationship with Your Sword, the Lord's Prayer The Messenger, 2009-07 This book is designed for the children of God so that it may lead them back to the basics. This is the power of the Lord 's Prayer because it has been pushed aside because of other beliefs. Now, just look at our USA. It is in a mess because we stopped chasing God's prayer and started chasing things, inventions and money that have caused God's sheep to leave the fold and follow the heathen ways

worldly. I was led to write these lessons and turn them into this book. I hope it will help you. God Bless you. Talk with you soon it is another book on the way Sheep of God look for the Power of it. The Messenger of God. 04/ 20/ 09

The Visionary Messenger Adele Linsalata, 2008-02
Nine out of ten people walking around today are having a spiritual awakening and don't know it. However, you are different. Perhaps you are just opening to the spiritual journey of learning who you are and why you're here on Mother Earth. Maybe you've already been walking this path, but you sense that something is still missing. Your soul is calling you toward your divine mission. This book will help you to step ever closer to that sacred calling. It will teach you about the world of psychics and mediums, about your angels and guides and how to receive their blessings and messages, about rising above society's conditioning, and about following profound spiritual practices. Most of all, this book will gently assure you and remind you that you are indeed a spiritual being and that even if others see you as different, you really can do whatever your heart desires. The Visionary Messenger opens the door and turns on the light to the gifts that we have suppressed within us due to the negative influences of the physical world. Through sharing her story, Adele, helps us to identify that yes, we too, were born with the ability to connect with The Creator of All That Is, angels, guides, teachers and deceased loved ones. She explains the conceptual realities of connecting with something greater than ourselves - the possibilities, the

peace, and the fulfillment of being true to the core of whom and what we are and the love. The Visionary Messenger is not just Adele's story, like so many spiritual books. Within its pages are introductory tools and teachings to help one discern the level of interest and commitment to one's spiritual journey. A knowing will stir within, that yes, there is more. The unsettled, restless feelings that have been suppressed will insist on moving you forward in the search for answers. The Visionary Messenger will help you begin to set a firm foundation to experience fulfillment of your spiritual journey - are you ready to look within and pull forth your power, to enlighten yourself and achieve the fulfillment of your mission here on Mother Earth?-Kathryn Large, Founder of Soul Kisses In all these things I write and give to you in these pages, please remember, I know on many levels this book will tweak you in your belief structures and in who you are. That is only one area of what this book is about, I give you the keys in which to unlock the doors to your own Divine Mission and purpose in this lifetime. One that will assist you in opening your eyes to the real Reality in which you live each day.

God's Messenger Mary Barrett, 2018-12-15 Welcome to God's Messenger, Are You One, 2, by Dr. Mary Barrett. As the question is, Are you one? God's Messengers deliver messages to people who really need to hear them. Some people believe that giving messages is going against God. Didn't God have messengers called Prophets? Where did they get their information? Where do today's Messengers get their messages? What are these abilities, and do

you have them? This book answers these questions, plus many more. Do not forget to check out Mary's first book, *God's Messenger, Are You One*, 1.

God's Messenger Angels Pamela Yates, 2017-12-13
My book, *Gods Messenger Angels*, is a true story written with detail provided by messages from the Lord. These messages are included in my writing. A spiritual experience of a visit by a messenger angel guided me through a chain of events which saved the life of my husband, John. With these messages, God has given me the gift of prophecy. These prophecies have eventuated with a high degree of accuracy. My husband and I were diagnosed with two different kinds of cancer. Mine was breast cancer, and his was low-grade lymphoma, which has no cure. After the diagnosis of my husbands cancer, we discovered he had a heart problem. With Gods blessing, we both had a spiritual experience of healing. The full story is recorded in the book. I do sincerely hope and pray it will give hope and peace to other people who are going through difficult times of affliction. May the Lord be with you and bless you.
