Splash of Color, Splash of Life Juanita Rhodenbaugh, 2020-07-22 My goal is to reach out to everyone who has pain. The kind of pain doesn't matter, pain is pain. I am reaching out my hand to as many as I can. I believe this is what the Lord wants me to do, not just for myself but for all those who are suffering. I know that the Lord is the author and that I am the scribe. What you are reading are pages out of my journals. Come take this journey with me as they are a splash of color and

A Splash of Red: The Life and Art of Horace Pippin Jen Bryant, 2013-01-08 A Robert F. Sibert Honor Book Winner of the Schneider Family Book Award An ALA-ALSC Notable Children's Book Winner of the NCTE Orbis Pictus Award for Outstanding Nonfiction for Children As a child in the late 1800s, Horace Pippin loved to draw: He loved the feel of the charcoal as it slid across the floor. He loved looking at something in the room and making it come alive again in front of him. He drew pictures for his sisters, his classmates, his co-workers. Even during W.W.I, Horace filled his notebooks with drawings from the trenches . . . until he was shot. Upon his return home, Horace couldn't lift his right arm, and couldn't make any art. Slowly, with lots of practice, he regained use of

his arm, until once again, he was able to paint--and paint, and paint! Soon, people—including the famous painter N. C. Wyeth—started noticing Horace's art, and before long, his paintings were displayed in galleries and museums across the country. Jen Bryant and Melissa Sweet team up once again to share this inspiring story of a self-taught painter from humble beginnings who despite many obstacles, was ultimately able to do what he loved, and be recognized for who he was: an artist.

Splash 14 - The Best of Watercolor Rachel Rubin Wolf, 2013-07-19 Sometimes the beauty of light can last only an instant...be ready. - Laurie Goldstein-Warren, P119 It starts with a sparkle of light, the expressive way a shadow maps out a face, the almost other-worldly luminosity of roses on an overcast day. These are the moments, often brief and unexpected, that turn ordinary subjects into powerful inspiration, and--when handled with skill and originality--a painting into a masterpiece. The

magical moments featured in Splash 14 evoke the very essence of watercolor--light and color. More than 120 brilliant paintings are accompanied by generous insights from the artists. Find out how they captured lyrical light effects, quiet moods, lively shadows, and incredibly subtleties or shouts of color. In keeping with the Splash tradition, this volume celebrates the heart, spirit and innovation of contemporary watercolor. It promises hours of enjoyment and intrigue for artists and art-enthusiasts alike. A great painting is more often the result of an enjoyable journey than a planned process. - Janet Nunn, P110
