Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Good Will Hunting Ben Affleck,Matt Damon,1997-12-25 As director Gus Van Sant observes in the introduction to Matt Damon's and Ben Affleck's screenplay Good Will Hunting, the two young actors somewhat resemble the characters they play in the film: they're best friends, and Affleck (who plays Chuckie) habitually chauffeurs Damon (Will), who doesn't drive. Van Sant says we can see how badly Damon drives by watching the film's last scene, in which he is actually driving the car with the camera mounted on it. But Damon and company write better than he drives; this script contains some of the boldest, best monologues since Pulp Fiction.Van Sant and cast member Robin Williams helped the young actors tame the tigers in their cranial tanks, trimming the script into a precision instrument. Though the stills from the film are not perfectly matched to their places in the script, this story remains as much a joy to read as it is towatch on the big screen.

For the first time, Giada tackles weeknight cooking, sharing her favorite tips and go-to dishes—all in her vibrant signature style—to get a delicious meal on the table in a flash. After a full day, Giada, like most parents, wants nothing more than to sit down for a home-cooked dinner with her husband, Todd, and their daughter, Jade. Weeknights with Giada rises to the challenge, delivering soups, sandwiches, pizzas, pastas, and meat and fish dishes that come together quickly as stand-alone main courses—most in half an hour or less: Rustic Vegetable and Polenta Soup, a hearty soul-warming one-pot dish, cooks in under twenty minutes; Lemony White Bean, Tuna, and Arugula Salad is a great meal that's quickly assembled from pantry and fridge essentials; Spicy Linguini with Clams and Mussels is a fifteen-minute-or-less spectacular pasta; and you can't beat Grilled Sirloin Steaks with Pepper and Caper Salsa, which are also ready in just fifteen minutes. From inventive breakfast-for-dinner dishes and meatless Monday vegetarian recipes—both weekly traditions in Giada's house—to picnic sandwiches and hearty salad recipes for reinventing leftovers, Weeknights with Giada reveals every secret in her repertoire. Even the desserts are quick to mix and bake, should a craving—or a last-minute school bake sale—strike. Here is Giada at her most inventive—and at her most laid-back. Flavor, freshness, and fun take center stage while cooking times, pots dirtied, and stress are kept to a minimum. With gorgeous color photographs and intimate home snapshots of Giada and her family, Weeknights with Giada is a welcome handbook of fantastic recipes and surefire Monday-to-Friday strategies for every home cook.
