John Maddox Roberts

SPQR X: A Point of Law John Maddox Roberts, 2007-04-01 Being under suspicion of murder did not hamper my freedom. This is because Romans are civilized people and don't clap suspects into prison like barbarians do. It would take an order of a lawfully convened court even to place me under house arrest. That's Decius Caecilius Metellus speaking---Senator Decius Caecilius Metellus, please. He is at an outdoor rally in Rome where he is campaigning for election to the praetorship. It looks like a shoo-in, until a man named Fulvius, of whom Decius has never heard, arrives at the preelection proceedings with a small army of hoodlums and begins to shout to the assembled voters that Decius is a thief and worse. While this is not an unknown effort used to ruin a candidate's chances, it is enough to have Decius's father call a meeting of family and friends--a meeting that ends with the participants going home determined to find some answers to stop Fulvius's efforts to ruin Decius's chances. Early the next morning, however, as Decius and his friends are on their way to the trial, Fulvius's body is found slashed to death on the steps of the basilica, where the court will be sitting. And that doesn't look good for our hero. For those readers who have met Decius before, the next step is clear: the man is a brilliant detective, and he is certainly now in a position where that skill is needed. So it's doubly important for Decius, with the help of his wife, Julia, and the ex-slave Hermes, to find the solution to the most personal---and possibly most

difficult---puzzle that has come his way.

SPQR XI: Under Vesuvius John Maddox Roberts, 2013-11-05 In *SPQR XI: Under Vesuvius*, things are going well for Decius Caecilius Metellus. He is Praetor Peregrinus, which means he has to judge a case or two, but those cases are outside of the City. His cases will be those dealing with foreigners, and all of Italy is his province. His first stop is Campania, Italy's most popular resort district. Decius and his wife, Julia, are happy for a change of scenery. But the good times end when, in a town near Vesuvius, a priest's daughter is murdered. Decius must find her killer and keep the mob off a young boy who everyone blames but he believes to be innocent. Decius may have acquired more prestige, but he's also acquired more trouble. With his *SPQR* novels, John Maddox Roberts has written a satisfying and entertaining historical mystery series. The stakes just keep getting higher in this latest atmospheric puzzle.

SPQR: A Roman Miscellany Anthony Everitt, 2014-09-11 *SPQR: Senatus Populusque Romanus*. A moreishly entertaining and richly informative miscellany of facts about Rome and the Roman world. Do you know to what use the Romans put the excrement of the kingfisher? Or why a dinner party invitation from the emperor Domitian was such a terrifying prospect? Or why Roman women smelt so odd? The answers to these questions can be found in *SPQR*, a compendium of extraordinary facts and anecdotes about ancient Rome and its Empire. Its 500-odd entries range across every area of Roman life and

society, from the Empress Livia's cure for tonsillitis to the most reliable Roman methods of contraception.

SPQR XII: Oracle of the Dead John Maddox Roberts, 2008-12-09 Roman magistrate Decius Caecilius Metellus must discover who is killing the priests of Apollo before the countryside explodes in violence.

SPQR V: Saturnalia John Maddox Roberts, 2003-10-02 Quintus Caecilius Metellus Celer, a relative of Decius and his family and the head of a powerful political clan, has been poisoned, and his infamous wife Clodia is immediately suspected of disposing of her rather inconvenient husband. Not entirely convinced of Clodia's guilt, Decius delves into the intricacies of Rome's ruling class and discovers that a clandestine, forbidden witches' cult is inextricably intertwined with some very highborn people. A trial for Clodia would be most unwelcome, as it could bring to light some well-kept secrets. To get to the bottom of the corruption that accompanies the intoxicating allure of this ancient city, Decius must form an uneasy alliance with Clodius, Clodia's brother and his sworn enemy, and be extremely careful not to step on any toes.--BOOK JACKET.

SPQR IX: The Princess and the Pirates John Maddox Roberts, 2007-04-01 As I walked back through the City, my mood was moderately elevated. This appointment did not displease me nearly as much as I pretended. Like most Romans I abhorred the very thought of sea duty, but this was one of the rare occasions when I was looking forward to getting away from Rome..... For years

I had complained of the disorder of the City, and now that it was gone, I found that I missed it. All the peace and quiet seemed unnatural. I did not expect it to last. - Decius Caecilius Metellus the Younger in SPQR IX: The Princess and the Pirates His two years of aedileship over, Decius is ready for his next adventure. He would rather do anything than join the war with Caesar in the dismal forests of Gaul, so he and his slave/protégé Hermes find themselves on a mission to rid the Mediterranean of pirates. They set off with shoddy ships and sailors to the island of Cyprus, where a young Cleopatra is staying. Between her impressive crew and the ex-pirate Ariston providing insider knowledge of that cutthroat occupation, Decius thinks he stands a good chance of bringing himself some glory. That would be too simple, though. The ruler of the island, Silvanus, is murdered in a most peculiar fashion and Decius, as a guest in his home, has a sacred duty to find and punish the guilty party. Because world relations are already strained, he would rather not suspect Cleopatra, heir to the Egyptian throne. But she has plenty of reasons to hate Rome and murder runs in her family. Another guest and suspect is Gabinius, who is in exile and could have easily given up loyalty toward his friend if it meant a quicker return to Rome. In the meantime, Decius is being humiliated in his pirate hunt, and as if this weren't enough, Aphrodite herself seeks Decius's help by appearing to him in a dream vision. As Decius investigates world trade, the island history, and the new kind of piracy plaguing the waters, he is finding connections more

menacing than he had ever imagined possible. In this ninth book in the series, Roberts crafts another skillful mystery, this time fervently pulsing with the collision of Roman, Greek, and Egyptian interests.

SPQR III: The Sacrilege John Maddox Roberts, 2007-04-01 When a sacred woman's rite in the ancient city of Rome is infiltrated by a corrupt patrician dressed in female garb, it falls to Senator Decius Caecilius Metellus the Younger, whose investigative skills have proven indispensable in the past, to unmask the perpetrators. When four brutal slayings follow, Decius enlists the help of a notorious and dangerous criminal. Together, they establish a connection between the sacrilege and the murders, and track the offenders from the lowest dregs of society to the prominent elite of the upper class, finding corruption and violence where Decius least expects it.

SPQR VII: The Tribune's Curse John Maddox Roberts, 2004-04-14 I was happier than any mere mortal has a right to be and I should have known better. The entire body of received mythology and every last Greek tragedy ever written have made one inescapable truth utterly clear: If you are supremely happy, the gods have it in for you. They don't like for mortals to be happy, and they will make you pay. In his extensive series featuring the detecting feats of Decius Caecilius Metellus the younger, set in the Rome of 70 BC, Roberts achieves a very believable modern feeling with his well-researched description of the stories' background. This seventh episode, however, combines a familiar view of the demands office-seeking makes on a candidate

with a situation that is impossibly bizarre to us today. An entire city, versed in literature, music, and the other arts, ruled democratically, for its time, is thrown into panic by an enraged man's curse. The Consul Crassus, the wealthiest man in Rome, frustrated by the Senate's vote against his leading Rome in a war against Parthia, plans to march his private army to invade the country himself. Almost all of Rome turns out to watch him carry out his threat and lead his troops out of the city. But before he can, a powerful tribune called Ateius leaps to the top of the city's gate and invokes all the gods to put a curse on Crassus and his army. Rome is terrified. Ateius has called down a forbidden curse -- the worst and most frightening blasphemy ever perpetrated. It seriously threatens the entire populace, and drastic steps to propitiate the gods must be taken immediately. Worse even, someone kills Ateius - perhaps in the vain hope that this will lighten the curse? It will not. After joining the other men of the city in a daylong cleansing ritual that left every able-bodied male citizen, Decius included, in a state of half-collapse, Decius learns that he has been chosen to uncover the person responsible for the murder. The culprit must be found in order to complete the cleansing, and there is no one better equipped to do that than Decius. Roberts skillfully blends the playboy and the serious sleuth in Decius just as he combines what we see as contradictions in the Rome of 80 BC. He spices his story with humor and suspense, with characters charming and wise and foolish and very much like we are today. And he

presents readers with a look into another world that has them eagerly awaiting more visits.

SPQR VIII: The River God's Vengeance John Maddox Roberts, 2004-01-19
Recently elected to the office of aedile, Decius's new official duties include a probe into the recent collapse of a tenement building, an investigation that leads to the discovery of more than shoddy construction materials.

first attempt. • Exam insights with 4 Year-wise (2020-2023) Trend Analysis, empowering students to be 100% exam ready.

SPQR VI: Nobody Loves a Centurion John Maddox Roberts, 2003-10-10 Julius Caesar, as we know, arrived in Gaul (now France) and announced I Came, I Saw, I Conquered, but when Decius Metellus arrives from Rome, not seeking military glory but rather avoiding an enemy currently in power, he finds that although the general came and saw, so far, at least, he has far from conquered. The campaign seems at a standstill. Decius's arrival disappoints the great Caesar as well. He has been waiting for promised reinforcements from Rome, an influx of soldiers to restart his invasion. Instead he is presented with one young man ridiculously decked out in military parade finery and short on military skills, accompanied not by eager troops but by one callow and reluctant slave, the feckless Hermes. It soon develops, however, that Decius's arrival was fortuitous. When Vinus, the army's cruelest centurion (so-called because he commands a hundred soldiers), is found murdered, Caesar remembers that his new recruit has successfully come up with the culprit in a number of recent crimes. Murder is bad for morale, particularly since it seems quite clear that the murderer was one of Caesar's men. Caesar orders Decius to find the killer -- and quickly. Although evidence points to the son of one of Decius's clients -- a youth who was the particular target of the centurion's brutality, Decius racks his brain to find a way to save him from the sentence of death. The investigation leads Decius to two German slaves of the dead man

-- a dwarfish old man and a beautiful woman. They are puzzling; the man is arrogant, the woman haughty--very unlike slaves. There are unanswered questions. It soon becomes clear to Decius that only by finding and punishing the real murderer will it be possible to quiet the rising dissatisfaction with Caesar's unorthodox method of warfare and forestall a mutiny against the mighty Caesar's authority and aims.

SPQR IV: The Temple of the Muses John Maddox Roberts, 2007-04-01 When Roman junior senator Decius Caecilius Metellus the Younger has a chance to join a diplomatic mission to Alexandria, he welcomes the opportunity to temporarily elude his enemies in the Eternal City-even though it means leaving his beloved Rome. Decius is just beginning to enjoy the outpost's many exotic pleasures when the suspicious death of an irascible philosopher occurs, coinciding with the puzzling and apocalyptic ravings of a charismatic cult leader. Intrigued, Decius requests and is given permission by the Egyptian Pharaoh to investigate the heinous crime. What he discovers is beyond shocking. And when the corpse of a famous courtesan mysteriously turns up in his bed, Decius suddenly finds himself entangled in a web of conspiracy far more widespread and dangerous than he ever imagined-one that threatens to bring about the downfall of the entire Empire.

S.P.Q.R., the History and Social Life of Ancient Rome Eberhard Christopher Kennedy, 1967

SPQR I: The King's Gambit John Maddox Roberts, 2007-04-01 Blackmail, corruption, treachery, murder--the glory that was Rome. In this Edgar Award-nominated mystery, John Maddox Roberts takes readers back to a Rome filled with violence and evil. Vicious gangs ruled the streets of Crassus and Pompey, routinely preying on plebeian and patrician alike, so the garroting

of a lowly ex-slaved and the disembowelment of a foreign merchant in the dangerous Subura district seemed of little consequence to the Roman hierarchy. But Decius Caecilius Metellus the Younger--highborn commander of the local vigiles--was determined to investigate. Despite official apathy, brazen bribes, and sinister threats, Decius uncovers a world of corruption at the highest levels of his government that threatens to destroy him and the government he serves.

SPQR II: The Catiline Conspiracy John Maddox Roberts, 2007-04-01 It was a summer of glorious triumph for the mighty Roman Republic. Her invincible legions had brought all foreign enemies to their knees. But in Rome there was no peace. The streets were flooded with the blood of murdered citizens, and there were rumors of more atrocities to come. Decius Caecilius Metellus the Younger was convinced a conspiracy existed to overthrow the government--a sinister cabal that could only be destroyed from within. But admission into the traitorous society of evil carried a grim price: the life of Decius's closest friend...and maybe his own.

SPQR V: Saturnalia John Maddox Roberts, 2003-10-02 This eagerly awaited fifth book in John Maddox Roberts's Edgar-nominated historical mystery series once again takes the reader back to the Rome of Julius Caesar and the Roman Senator Decius Caecilius Metellus the Younger. Decius has won himself a reputation as both an investigator and, most unfortunately, a bit of a playboy. Having been banished by his family for sometimes embarrassing

activities to a rather leisurely lifestyle on Rhodes, he is puzzled to be suddenly and unexpectedly summoned home to assist in an investigation. Quintus Caecilius Metellus Celer, a relative of Decius and his family and the head of a powerful political clan, has been poisoned, and his infamous wife Clodia is immediately suspected of disposing of her rather inconvenient husband. Not entirely convinced of Clodia's guilt, Decius delves into the intricacies of Rome's ruling class and discovers that a clandestine, forbidden witches' cult is inextricably intertwined with some very highborn people. A trial for Clodia would be most unwelcome, as it could bring to light some well-kept secrets. To get to the bottom of the corruption that accompanies the intoxicating allure of this ancient city, Decius must form an uneasy alliance with Clodius, Clodia's brother and his sworn enemy, and be extremely careful not to step on any toes.

The Mind of Jihad Laurent Murawiec, 2008-08-11 This book examines contemporary jihad as a cult of violence and power. All jihadi groups, whether Shiite or Sunni, Arab or not, are characterized by a similar bloodlust. Murawiec characterizes this belief structure as identical to that of Europe's medieval millenarians and apocalyptics, arguing that both jihadis and their European cousins shared in a Gnostic ideology: a God-given mission endowed the Elect with supernatural powers and placed them above the common law of mankind. Although the ideology of jihad is essentially Islamic, Murawiec traces the political technologies used by modern jihad to the

Bolsheviks. Their doctrines of terror as a system of rule were appropriated by radical Islam through multiple lines of communication. This book brings history, anthropology, and theology to bear to understand the mind of jihad that has declared war on the West and the world.

books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Spqr Clan : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Spqr Clan Offers a diverse range of free eBooks across various genres. Spqr Clan Focuses mainly on educational books, textbooks, and business

books. It offers free PDF downloads for educational purposes. Spqr Clan Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Spqr Clan, especially related to Spqr Clan, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for

websites, forums, or blogs dedicated to Spqr Clan, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Spqr Clan books or magazines might include. Look for these in online stores or libraries. Remember that while Spqr Clan, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers

eBook lending services. Many libraries have digital catalogs where you can borrow Spqr Clan eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Spqr Clan full book , it can give you a taste of

the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Spqr Clan eBooks, including some popular titles.

FAQs About Spqr Clan Books

What is a Spqr Clan PDF?
A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a

document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Spqr Clan PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert

different file types to PDF. **How do I edit a Spqr Clan PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Spqr Clan PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs

to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Spqr Clan PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for

working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it

easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might

require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
