Creative Evolution Henri Bergson, Arthur Mitchell, 1911

Arts, Pedagogy and Cultural Resistance Anna Hickey-Moody, Tara Page, 2015-11-11 This collection demonstrates how physical objects, materials, space and environments teach us, and redefines practice with theory (praxis) as a more-than-human network. The contributions illustrate how the materials, process, pedagogies and theories of Arts making question and disrupt the many forms of cultural dominance that exist in our society.

Radical Care Hi'ilei Julia Hobart, Tamara Kneese, 2020-02-28 Care has re-entered the zeitgeist. In the aftermath of the 2016 U.S. presidential election, #selfcare exploded across media platforms. Beyond this popular focus on self-care rituals, care has also emerged as a driving force within new collective movements. Situating discussions of care within a historical trajectory of feminist, queer, and Black activism, contributors to this special issue consider how individuals and communities receive and provide care in order to survive in environments that challenge their very existence. They explore how trans activists find resilience and vitality through coalitional labor; argue that social movements should expand mutual aid strategies, focusing on solidarity over charity; discuss a neoliberal university wellness culture that seeks to patch up structural care deficits with quick fixes like meditation apps and yoga classes; and more. As the traditionally undervalued labor of caring becomes recognized as a key element of survival, contributors show how radical care provides a roadmap for not only enduring precarious worlds but also envisioning new futures. In the face of state-sanctioned violence, economic crisis, and impending ecological collapse, collective care offers a way forward. Contributors. Nicole Charles, Elijah Adiv Edelman, Hi'ilei Hobart, Tamara Kneese, Micki McGee, Leyla Savloff, Cotten Seiler, Dean Spade

The Handbook of the Navigator Eric Pepin, 2011-05-25

Journey To Ghana And Other Stories Chi Chavanu Àse, 2020-07-15 Journey to Ghana centers around a mother who is traveling across the United States in a post-apocalyptic world. The mother recently discovered there is a safe haven in Ghana and a boat that comes once a year that will take her there. With four children in tow, she has a few months to travel on foot across country to arrive at the location prior to the boat's departure. With many twists and turns, the story follows the family closely as they have multiple encounters with others possessing special abilities. Unlike Journey to Ghana, each of the additional four stories takes place pre-apocalypse while the only aspect connecting them is the humans.

Sun River Ben Nickol, 2019-05-13 Like the river itself, Ben Nickol's stories wind through some wild and rich country, full of beauty and peril both. Leaving the pretty myths behind, Nickol sets off into the lives of everyday people doing all they can to get by on the edges of wild places. These are stories and lives that will stay with you long after the last page is turned.

Joe Bonamassa - Muddy Wolf at Red Rocks Joe Bonamassa, 2017-11-01 (Guitar Recorded Versions). 16 songs transcribed note for note from the live album that captured Joe's tribute to Muddy Waters and Howlin' Wolf at the iconic Colorado theater. Includes: All Aboard * The Ballad of John Henry * Evil (Is Going On) * Hey Baby (New Rising Sun) * How Many More Years * I Can't Be Satisfied * Killing Floor * My Home Is on the Delta * Sloe Gin * You Shook Me * and more.

Essays on James Clarence Mangan S. Sturgeon, 2014-12-18 This is the first collection of essays to focus on the extraordinary literary achievement of James Clarence Mangan (1803-1849), increasingly recognized as one of the most important Irish writers of the nineteenth century. It features contributions by acclaimed contemporary writers including Paul Muldoon and Ciaran Carson.

Keywords in Radical Geography The Antipode Editorial Collective, 2019-06-10 The online version of Keywords in Radical Geography: Antipode at 50 is free to download here. Alternatively, print copies can be purchased for just GB£7 / US\$10 here. ***** To celebrate Antipode's 50th anniversary, we've brought together 50 short keyword essays by a range of scholars at varying career stages who all, in some way, have some kind of affinity with Antipode's radical geographical project. The entries in this volume are diverse, eclectic, and to an extent random, however they all speak to our discipline's past, present and future in exciting and suggestive ways Contributors have taken unusual or novel terms, concepts or sets of ideas important to their research, and their essays discuss them in relation to radical and critical geography's histories, current condition and possible future directions This fractal, playful and provocative intervention in the field stands as a fitting testimony to the role that Antipode has played in the generation of radical geographical engagement with the world

How Rory Thorne Destroyed the Multiverse K. Eason, 2020-08-25 Princess Rory Thorne must use the fairy blessings gifted to her at birth to change the multiverse--or possibly destroy it--in the first book in a humorous new space opera duology. The Princess Rory Thorne--eldest daughter, amateur arithmancer, blessed by fairies--always imagined she'd inherit her father's throne and govern the interplanetary Thorne Consortium. Then her father is assassinated, her mother gives birth to a son, and Rory is betrothed to Prince Ivar of the Tadeshi Free Worlds as a peace offering. But when Rory arrives on the space station Urse, she uncovers a treacherous plot to unseat Ivar and usurp his throne... Vernor Moss, Minister of Energy in the Tadeshi Free Worlds, wants to be king. Having conspired to name himself Regent to the minor (and somewhat idiotic) prince, he anticipates that he will someday rule in all but name. But the Regent wasn't counting on Rory Thorne, a princess with thirteen fairy blessings, the most important of which is take no bullshit. With only her bodyguard and her arithmancer-Vizier, Rory must outmaneuver the Regent and rescue the Prince. But in order to succeed, she may just have to start a war.--Provided by publisher.

How the Multiverse Got Its Revenge K. Eason, 2021-09-14 Space pirate Rory Thorne and her crew trace an abandoned ship to vicious advanced alien tech and a sentient floral plant designed to be a massive biological weapon.

Yes is More BIG Bjarke Ingels Group, 2009

The Creative Mind Henri Bergson, 2012-04-12 The Nobel Laureate discusses not only how and why he became a philosopher but also his conception of philosophy as a field distinct from science and literature.

Fire in the Ashes Jonathan Kozol, 2013-09-03 In this powerful and culminating work about a group of inner-city children he has known for many years, Jonathan Kozol returns to the scene of his previous prize-winning books, and to the children he has vividly portrayed, to share with us their fascinating journeys and unexpected victories as they grow into adulthood. For nearly fifty years, Jonathan has pricked the conscience of his readers by laying bare the savage inequalities inflicted upon children for no reason but the accident of being born to poverty within a wealthy nation. But never has his intimate acquaintance with his subjects been more apparent, or more stirring, than in Fire in the Ashes, as Jonathan tells the stories of young men and women who have come of age in one of the most destitute communities of the United States. Some of them never do recover from the battering they undergo in their early years, but many more battle back with fierce and often jubilant determination to overcome the formidable obstacles they face. As we watch these glorious children grow into the fullness of a healthy and contributive maturity, they ignite a flame of hope, not only for themselves but also for our society.

Irish Orientalism Joseph Lennon, 2008-08-04 Centuries before W. B. Yeats wove Indian, Japanese, and Irish forms together in his poetry and plays, Irish writers found kinships in Asian and West Asian cultures. This book maps the unacknowledged discourse of Irish Orientalism within Ireland's complex colonial heritage.

Odin Teatret Adam Ledger, 2012-07-31 Focusing on Odin Teatret's latest work, this discussion is updated by drawing on fresh research. The group's productions since 2000 are included and the book offers a reassessment of Odin's actor training. Its community work and legacy are discussed and Barba's intercultural practice is viewed alongside two major Theatrum Mundi productions.

The Winds of Limbo Michael Moorcock, 2018-08-28 He was a mysterious cosmic presence who came out of nowhere with

the incredible promise to free the dying planet. Earth's future is one of peace. There are no more wars, nuclear weapons are outlawed, and technology is raising mankind to new heights. Many cities are now underground. Alain von Bek is a bastard of distinguished lineage working an unassuming job with city administration in the underground city of Switzerland. But with the appearance of a massive clownish figure calling himself the Fireclown, Alain's life and the course of Earth's future are both about to change. The Fireclown claims to hold the keys to mankind's salvation. He carries an undeniable charisma that is winning him followers, chief among them Helen Curtis, Alain's cousin and former lover, not to mention serious candidate in the next presidential election. But there are also those who mistrust the Fireclown. At the forefront of this opposition is Minister Simon von Bek, Alain's grandfather, and Helen's chief competition in the forthcoming election. Gradually, Alain finds himself sucked into a game of chess between these three polarizing forces, but each new revelation raises new questions, about his past and that of the world's future. He will have to put his trust in someone, and time is running out-for him and the world.

They Promised Me The Gun Wasn't Loaded James Alan Gardner,2018-11-06 Award-winning author James Alan Gardner returns to the superheroic fantasy world of All Those Explosions Were Someone Else's Fault with They Promised Me The Gun Wasn't Loaded. Only days have passed since a freak accident granted four college students superhuman powers. Now Jools and her friends (who haven’t even picked out a name for their superhero team yet) get caught up in the hunt for a Mad Genius’s misplaced super-weapon. But when Jools falls in with a modern-day Robin Hood and his band of super-powered Merry Men, she finds it hard to sort out the Good Guys from the Bad Guys—and to figure out which side she truly belongs on. Especially since nobody knows exactly what the Gun does

Punk 45 Jon Savage,Stuart Baker,2013 This book is a revelatory guide to hundreds and hundreds of original 7 record cover sleeve designs - visual artefacts found at the heart of the most radical and anarchistic musical movement of the 20th century. Punk Rock 45 Soundsystem! is introduced (and co-compiled) by Jon Savage, author of the acclaimed definitive history of punk, England's Dreaming. As well as the encyclopaedic visual imagery featured inside, the book also includes a number of interviews with celebrated designers involved in creating punk's original iconic imagery. The revolutionary do-it-yourself ethic of punk was applied to the aesthetic of design as much as it was to music, and record sleeves acted as lo-fi signifiers of anarchy, style, fashion, politics and more with an urban and suburban invective courtesy of the 1000s of new bands - punk, post-punk, pre-punk, nearly-punk and more - that emerged at the end of the 1970s. This book is an exhaustive, thorough and exciting celebration of the stunning artwork of punk music - everything from the most celebrated and iconic designs through to the stark beauty of the cheapest do-it-yourself lo-fi obscurities.

The Head of the House of Coombe Illustrated Frances Hodgson Burnett,2020-10-25 The Head of the House of Coombe is a 1922 novel by Frances Hodgson Burnett. The Head of the House of Coombe follows the relationships between a group of pre-World War One English nobles and commoners. It also offers editorial commentary on the political system in prewar Europe that Burnett feels bears some responsibility for the war, and some pointed social commentary
