The Spirit of St. Andrews Alister Mackenzie,1998-03-02 Alister MacKenzie was one of golf's greatest architects. He designed his courses so that players of all skill levels could enjoy the game while still creating fantastic challenges for the most experienced players. Several of MacKenzie's courses, such as Augusta National, Cypress Point, and Pasatiempo, remain in the top 100 today. In his lost 1933 manuscript, published for the first time in 1995 and now finally available in paperback, MacKenzie leads you through the evolution of golf--from St. Andrews to the modern-day golf course--and shares his insight on great golf holes, the swing, technology and equipment, putting tips, the USGA, the Royal & Ancient, and more. With fascinating stories about Bobby Jones, Walter Hagen, Gene Sarazen, and many others, The Spirit of St. Andrews gives valuable lessons for all golfers as well as an intimate portrait of Alister MacKenzie, a true legend of the game.

Play Away Please John P. Hagen,2011-01-25 The St Andrews Old Course Starter's Box was sold in a controversial international auction on 10 September 2001, the day before the infamy of the Twin Towers attack. 'Play Away Please' recounts the glory of the little building in St Andrews, 'the home of golf', and tells the tale of those who used its services for 77 continuous years. Unlike many epics, the story does not centre on a rich dynasty or a heroic quest for the truth. Instead, it centres on the production of the perfect round of golf and the global marketing of the Box - one of the most celebrated buildings in the world of sport - as a brand and an icon. The book also chronicles the suspense and notoriety that greeted the Box after its voyage from Scotland to California, by way of the Panama Canal, and the role it assumed as an emotional balm for many in the aftermath of the 11 September atrocity. Alas, nothing is as simple as it seems and miracles are rare. The businessman who bought the Box was imprisoned before it reached Los Angeles, accused of stealing millions from the real-estate development that was to be its home. Eight years later, a happy ending was finally brought about, but only after a healthy dose of gut-wrenching fear and suspense became a part of the story. Supplemented with exclusive photographs, 'Play Away Please' is also a personal story of patronage and odyssey to assure the Box's preservation as the sporting world's consummate symbol of integrity and fair play. Along the way, the author brings to life the unforgettable local characters of Fife, celebrating their customs, lifestyle and unique command of the English language.

St. Andrews & The Open Championship: The Official History, is a detailed, chronological record of all the Opens that have taken place on the Old Course in the past 130 years. The text, by third generation St. Andrean David Joy, is fully researched and highly informative. St Andrews Links Tom Jarrett,Peter Mason,2012 Revised and updated, the definitive story of the Home of Golf, witness to more than 600 years of golfing history That the game evolved and developed into its final form at St. Andrews has never been in question--St. Andrews is the home of the game's most influential ruling body, the Royal and Ancient Golf Club, and it was there in 1764 that today's standard 18-hole round was established when the 22-hole Old Course was reduced. One golf course has now become seven and many of golf's most dramatic moments, affecting the world's most famous players, have occurred here. It has played host to the game's greats, as well as those enthusiastic amateurs for whom the chance to play St. Andrews' hallowed turf is a dream come true. This celebratory volume of the official history of golf's most important location was written by Tom Jarrett, a caddie, journalist, golfer, and author, and updated by Peter Mason, who was involved in managing the links throughout its most intensive--and controversial--phase of development. It contains many previously unpublished and rarely seen photos from the archives of the St Andrews Links Trust.
