Adjustment Day: A Novel Chuck Palahniuk,2018-05-01 New York Times Bestseller An irreverent satirical fantasy about a sudden and violent upheaval....Think Tom Robbins channeling Jonathan Swift. —David Takami, Seattle Times Adjustment Day is an ingenious darkly comic work in which Chuck Palahniuk does what he does best: skewer the absurdities in our society. Geriatric politicians bring the nation to the brink of a third world war to control the burgeoning population of young males, while working-class men dream of burying the elites. Adjustment Day's arrival makes real the logical conclusion of every separatist fantasy, alternative fact, and conspiracy theory lurking in the American psyche.

**90 Seconds to a Life You Love** Joan I. Rosenberg, 2019-02-12 Learn how to manage your most difficult feelings and build the emotional strength you need to create the life of your dreams. Sadness, shame, helplessness, anger, embarrassment, disappointment, frustration, and vulnerability. In 30 years as a practicing psychologist, Dr. Joan Rosenberg has found that what most often blocks people from success and feeling capable in life is the inability to experience, move through, and handle these 8 unpleasant feelings. Knowing how to deal with intense, overwhelming, or uncomfortable feelings is essential to building confidence, emotional strength, and resilience. Yet when we distract or disconnect from these feelings, we move away from confidence, health, and our desired pursuits, ultimately undermining our ability to fully realize our ambitions. Neuroscientists suggest that the biological lifespan of a feeling, often known first through bodily sensations, lasts approximately 90 seconds. Dr. Rosenberg teaches readers to be aware, consciously lean into, and balance these unpleasant emotions by riding one or more 90-second waves of the bodily sensations. By staying present to these 8 feelings, we cultivate the confidence that we can handle life's challenges and the deep sense we can pursue whatever we want. Combining more than three decades of clinical experience with aspects of clinical psychology, mindfulness, and neuroscience research, *90 Seconds to a Life You Love* is a strategic and practical guide on building core emotional strength, reducing anxiety, and developing the confidence you need to create a life of your design -- a life you love.

**In Pursuit of Love** Rebecca Bender, 2020-01-28 Through her own gripping story of escape from human trafficking, Rebecca Bender reveals the inner workings of the underground world of modern-day slavery and helps us learn how we can be a catalyst for change where we live. Born and raised in a small Oregon town, all-American girl Rebecca Bender was a varsity athlete and honor roll student with a promising future. Then a predator pretending to be her boyfriend lured her into a web of lies that sent her down a path she never imagined possible. For nearly six years, Rebecca was sold across the underground world of sex trafficking in Las Vegas. She was branded, beaten, told when to sleep and what to wear, and traded between traffickers. Forced into a dark sisterhood, Rebecca formed bonds with her trafficker and three other women, creating a false sense of family. During that time, God began revealing himself to her. And in the midst of her exploitation, she found the hope she needed to survive. After a federal raid, Rebecca escaped. Her life was forever changed as she felt the embrace of her heavenly Father

guiding her to healing and wholeness. Rebecca soon began to use her own experiences to change the lives of others as she went back into the darkest places she had known--assisting FBI, VICE, and law enforcement across the country in some of their most difficult cases. Through Rebecca's incredible story of redemption, we remember that our past does not have to determine our destiny.

**Three Blind Mice** Ken Auletta, 2010-10-06 What happened to network television in the 1980s? How did CBS, NBC, and ABC lose a third of their audience and more than half of their annual profits? Ken Auletta, author of *Greed and Glory on Wall Street*, tells the gripping story of the decline of the networks in this epically scaled work of journalism. He chronicles the takeovers and executive coups that turned ABC and NBC into assets of two mega-corporations and CBS into the fiefdom of one man, Larry Tisch, whose obsession with the bottom line could be both bracing and appalling. Auletta takes us inside the CBS newsroom on the night that Dan Rather went off-camera for six deadly minutes; into the screening rooms where NBC programming wunderkind Brandon Tartikoff watched two of his brightest prospects for new series thud disastrously to earth; and into the boardrooms where the three networks were trying to decide whether television is a public trust or a cash cow. Rich in anecdote and gossip, scalpel-sharp in its perceptions, *Three Blind Mice* chronicles a revolution in American business and popular culture, one that is changing the world on both sides of the television screen.
