

Stain Of The Berry Ebook

Daina Ramey Berry

Stain of the Berry Anthony Bidulka, 2009-11-08 Everyone has their Boogeyman. But who OCo or what OCo is scaring Saskatoon locals to death? Private detective Russell Quant is roused from sleep only to fall into a nightmare case when the family of a suicide victim hires him to uncover the real cause of death. But what is real and what is imaginary? Quant works to narrow his list of suspects only to find the number of victims growing. Russell is mystified as the trail of fear connects him to a vast landscape of people, including an elegant potash miner, dubious trailer park denizens, reticent farm folk, the Pink Gopher choir, and a gaseous psychiatrist.

The Blacker the Berry Wallace Thurman, 2022-02-08 Originally published in 1929, “The Blacker the Berry” is a novel by American novelist Wallace Henry Thurman (1902–1934). An active writer during the Harlem Renaissance, he produced essays, worked as an editor, and was a publisher of numerous newspapers and journals. His best-known work, “The Blacker the Berry”, represents a detailed exploration of the discrimination within the black community based on skin colour, with a higher value being placed on lighter skin. A moving tale of the hardships faced by African-

American post-emancipation not to be missed by those interested in black history and literature. Contents include: “If I Had Known by Alice Dunbar-Nelson”, “ Emma Lou”, “Harlem”, “Alva”, “Rent Party”, “Pyrrhic Victor”. Read & Co. Classics is proudly republishing this classic novel now in a brand new edition, complete with the introductory poem “If I Had Known” by Alice Dunbar-Nelson.

The Stain Rikki Ducornet, 1995 In?The Stain?Rikki Ducornet tells the story of a young girl named Charlotte, branded with a furry birthmark in the shape of a dancing hare, regarded as the mark of Satan. Sadistic nuns, scatology, butchered animals, monkish rapists, and Satan (Kirkus), as well as the village exorcist, inhabit this bawdy tale of perversion, power, possession, and the rape of innocence. Ducornet weaves an intricate design of fantasy and reality, at once surreal, hilarious, and terrifying.

Amuse Bouche Anthony Bidulka, 2009-11-07 A gay wedding gone bad. A missing groom. An unsullied reputation at risk. Enter Russell Quant OCo cute, gay, and a rookie private detective. With a nose for good wine and bad lies, Quant is off to France on his first big case. From the smudgy streets of Paris, he cajoles and sleuths his way to the pastel-colored promenade of Sanary-sur-

Mer. Back in Saskatoon, Quant comes face-to-face with a client who may be the bad guy, a quarry who turns up in the most unexpected place, and a cast of colorful suspects: the vile sister, the best friend, the colleague, the ex-lover, the lawyer, the priest, the snoopy neighbor OCo are they involved? Or is someone else lurking in the shadows? As he works through his case, Quant juggles his detective gig with the responsibilities of a personal life full of captivating personalities.

Only The Stains Remain Ross Jeffery, 2021-07-18 *Only The Stains Remain* is the haunting story of Jude and Kyle, two brothers whose lives are destroyed when, following the death of their mother, their three abusive uncles Dwight, Lucius, and Lenny move in to the family home. But whilst Jude suffers to a degree, Kyle is the one who takes the brunt of their attention, submitting himself to preserve his younger brother's innocence. As a grown man, Jude's mind turns to vengeance for what they have endured. He has waited a long time, but now he is strong enough, and cold-hearted enough, to do the deed. Enacting one harrowing revenge after another, Jude's dark quest to punish the wrongs of the past will show that after all is said and done, only the stains of the past will remain.

Free Amish Fiction Sampler – eBook [ePub] Vannetta

Chapman, Barbara Cameron, 2013-09-03 Whether it's the beautiful crafts and textiles, the traditions of faith, the dedication to family, or the admirable work ethic, the allure of the Amish has captured our hearts and minds. The Malta Exchange Steve Berry, 2019-03-05 The next in New York Times top 5 bestseller Steve Berry's Cotton Malone series involves the Knights of Malta, papal conclave, and lost documents that could change history. A deadly race for the Vatican's oldest secret fuels New York Times bestseller Steve Berry's latest international Cotton Malone thriller. The pope is dead. A conclave to select his replacement is about to begin. Cardinals are beginning to arrive at the Vatican, but one has fled Rome for Malta in search of a document that dates back to the 4th century and Constantine

the Great. Former Justice Department operative, Cotton Malone, is at Lake Como, Italy, on the trail of legendary letters between Winston Churchill and Benito Mussolini that disappeared in 1945 and could re-write history. But someone else seems to be after the same letters and, when Malone obtains then loses them, he's plunged into a hunt that draws the attention of the legendary Knights of Malta. The knights have existed for over nine hundred years, the only warrior-monks to survive into modern times. Now they are a global humanitarian organization, but within their ranks lurks trouble – the Secreti – an ancient sect intent on affecting the coming papal conclave. With the help of Magellan Billet agent Luke Daniels, Malone races the rogue cardinal, the knights, the Secreti, and the clock to find what has been lost for centuries. The final confrontation culminates behind the walls of the Vatican where the election of the next pope hangs in the balance.

The Stain Rikki Ducornet, 1995

Breath of Life Maha Payne, 2010-08-19 Eve, a student under the strict rule of her wealthy father will meet the love of her life: Her heart was pounding and she found it very difficult to breathe. She couldn't look away from the male and took in his broad shoulders, slim waist and long legs. He was a few feet taller than

her and when she had looked into his brilliant green eyes shed been forced to tilt her face up. Christopher, a doctor without any living relatives did not know he was looking for his missing half until he found her: He couldnt take his eyes off her long mane. It appeared to be jet black in the darkening night. He had an urge to reach out and run his hands through it. When his gaze rested on her face, he sucked in his breath. Her round eyes were the colour of sapphires and her face and hands were very white. Her lush red lips looked berry stained. Are they right for each other? Not everyone will think so: Eves father took a step closer to Christopher and spoke menacingly. Let it be known, you will never marry my daughter and nor will you ever go near her again. This is a story of love and anticipation, trial and tribulation.

The Rough Guide to Brazil (Travel Guide eBook) Rough Guides,2018-07-02 Discover this vast and varied South American country with the most incisive and entertaining guidebook on the market. NEW! Approximately 5,000 new and revised definitions reflect the latest developments in health care, drugs, and nursing terminology. NEW! Completely updated illustrations

visually clarify key definitions to reflect current healthcare practice and equipment.

Linked Gordon Korman, 2021-07-20 An unforgettable novel from the New York Times bestseller Gordon Korman Link, Michael, and Dana live in a quiet town. But it's woken up very quickly when someone sneaks into school and vandalizes it with a swastika. Nobody can believe it. How could such a symbol of hate end up in the middle of their school? Who would do such a thing? Because Michael was the first person to see it, he's the first suspect. Because Link is one of the most popular guys in school, everyone's looking to him to figure it out. And because Dana's the only Jewish girl in the whole town, everyone's treating her more like an outsider than ever. The mystery deepens as more swastikas begin to appear. Some students decide to fight back and start a project to bring people together instead of dividing them further. The closer Link, Michael, and Dana get to the truth, the more there is to face-not just the crimes of the present, but the crimes of the past. With *Linked*, Gordon Korman, the author of the acclaimed novel *Restart*, poses a mystery for all readers where the who did it? isn't nearly as important as the why?

The Berry Patch Josephine Lawrence, 1925

The Price for Their Pound of Flesh Daina Ramey

Berry, 2017-01-24 Groundbreaking look at slaves as commodities through every phase of life, from birth to death and beyond, in early America. In life and in death, slaves were commodities, their monetary value assigned based on their age, gender, health, and the demands of the market. *The Price for Their Pound of Flesh* is the first book to explore the economic value of enslaved people through every phase of their lives—including preconception, infancy, childhood, adolescence, adulthood, the senior years, and death—in the early American domestic slave trade. Covering the full “life cycle,” historian Daina Ramey Berry shows the lengths to which enslavers would go to maximize profits and protect their investments. Illuminating “ghost values” or the prices placed on dead enslaved people, Berry explores the little-known domestic cadaver trade and traces the illicit sales of dead bodies to medical schools. This book is the culmination of more than ten years of Berry’s exhaustive research on enslaved values, drawing on data unearthed from sources such as slave-trading records, insurance policies, cemetery records, and life insurance policies. Writing with sensitivity and depth, she resurrects the voices of the enslaved and provides a rare window into enslaved peoples’ experiences and

thoughts, revealing how enslaved people recalled and responded to being appraised, bartered, and sold throughout the course of their lives. Reaching out from these pages, they compel the reader to bear witness to their stories, to see them as human beings, not merely commodities. A profoundly humane look at an inhumane institution, *The Price for Their Pound of Flesh* will have a major impact how we think about slavery, reparations, capitalism, nineteenth-century medical education, and the value of life and death. Winner of the 2018 Hamilton Book Award – from the University Coop (Austin, TX) Winner of the 2018 Society for Historians of the Early American Republic Book Prize (SHEAR) Winner of the 2018 Phillis Wheatley Literary Award, from the Sons and Daughters of the US Middle Passage Finalist for the 2018 Frederick Douglass Book Prize from Yale University's Gilder Lehrman Center for the Study of Slavery, Resistance, and Abolition
