📖 *Tuttle Learning Chinese Characters* Alison Matthews,Laurence Matthews,2011-12-20 This user-friendly book is aimed at helping students of Mandarin Chinese learn and remember Chinese characters. At last—there is a truly effective and enjoyable way to learn Chinese characters! This book helps students to learn and remember both the meanings and the pronunciations of over 800 characters. This otherwise daunting task is made easier by the use of techniques based on the psychology of learning and memory. Key principles include the use of visual imagery, the visualization of short stories, and the systematic building up of more complicated characters from basic building blocks. Although Learning Chinese Characters is primarily a book for serious learners of Mandarin Chinese, it can be used by anyone with an interest in Chinese characters, without any prior knowledge of Chinese. It can be used alongside (or after, or even before) a course in the Chinese language. All characters are simplified (as in mainland China) but traditional characters are also given, when available. Key features: Specially designed pictures and stories are used in a structured way to make the learning process more enjoyable and effective, reducing the need for rote learning to the absolute minimum. The emphasis throughout is on learning and remembering the meanings and pronunciations of the characters. Tips are also included on learning techniques and how to avoid common problems. Characters are introduced in a logical sequence, which also gives priority to learning the most common characters first. Modern simplified characters are used, with pronunciations given in pinyin. Key information is given for each character, including radical, stroke-count, traditional form, compounds, and guidance on writing the character. This is a practical guide with a clear, concise and appealing layout, and it is well-indexed with easy look-up methods. The 800 Chinese characters and 1,033 compounds specified for the original HSK Level A proficiency test are covered.

📖 *New HSK: Level 2 Vocabulary 300 Words Complete Lists* Julie Zhu,2018-01-25 Chinese Proficiency Test (HSK), an international standardized test of Chinese language proficiency, assesses non-native Chinese speakers’ abilities in using the Chinese language in their daily, academic and professional lives. HSK consists of six levels, namely HSK (level 1), HSK (level 2), HSK (level 3), HSK (level 4), HSK (level 5), and HSK (level 6). To pass New HSK level tests, the most important factor is to master the vocabulary of each level. The first section of the book give complete vocabulary words lists for level 2 with pinyin and English notations. The book also give a full 300 vocabulary summary at the last section, so you can always check back to the last section to see if you have truly mastered the level 2 vocabulary, even without the help of pinyin and English notations.

📖 **HSK 1 StoryBook** B Y LEONG, HSK 1 STORYBOOK SECOND EDITION This book consists of 15 short stories written in Simplified Chinese and pinyin. The purpose of this book is to provide readers with reading materials to practice their reading skills as well as an introduction to more extended sentence structure and longer articles. This book has all the vocabularies in HSK 1. If you finish the book, you would have practiced your reading skill on all the vocabularies in HSK 1. I have tried to restrict the vocabularies used in this book to HSK 1 as far as possible. Where it is not possible, I have introduced limited new words in the story. If you have learned all the HSK 1 Vocabulary and completed the Standard Course Book for HSK 1 by Jiang Liping, you would be able to read about 90% of this book without learning new words. You may also download the audio files for free with the link and password provided on the last page of the book. The password in this book will also give you access to other materials such as HSK Vocabulary Writing Practice Sheet (with stroke order) and printable HSK Vocabulary with audio files. Lastly, I am sorry to disappoint those who enjoy reading a book with pictures because this book has no picture, only words. For the rest who doesn’t like the distraction of pictures, I hope you will enjoy reading this book. 📖 **Mandarin Chinese Characters Made Easy** MICHAEL L. KLUEMPER,KIT-YEE NAM NADEAU,2016-10-18 This highly-visual book introduces an effective new method for learning Chinese characters using visual stimuli and pictographs. Learning the necessary characters used to write even simple Chinese sentences can be a long and arduous process. Chinese Characters Made Easy makes the learning process fun and easy by presenting the 1,000 most common characters using a new mnemonic approach that associates each character with a memorable visual and verbal clue--making memorization easy. The character for person, for example, is superimposed over a sketch of a man representing a person standing on two legs—drawing the reader’s attention to the distinctive shape of the character and associating the sketch with the character’s meaning. The Chinese characters are presented in groups or clusters all sharing common elements and meanings, for context and ease of identification. These groups of characters all share common root symbols known as radicals or relate to a particular theme or topic such as colors, numbers, animals, or body parts. Pronunciations, meanings and vocabulary compounds are provided for each character in the group. Key features of Chinese Characters Made Easy include: An introduction to the history and structure of the Chinese writing system 1,000 characters and over 3,000 words for beginning learners of Chinese This Chinese character book’s visual approach is a powerful learning tool. It can be used by serious students and is entertaining and useful to general readers who are curious about how the Chinese writing system works and how it developed.
