A Star Is Born (Turner Classic Movies) Lorna Luft,Jeffrey Vance,2018-09-18 New York Times bestselling author and daughter of Judy Garland tells the story of A Star Is Born -- at once the crowning achievement and greatest disappointment in her mother's legendary career. This is a vivid account of a film classic's production, loss, and reclamation. A Star Is Born -- the classic Hollywood tale about a young talent rising to superstardom, and the downfall of her mentor/lover along the way -- has never gone out of style. It has seen five film adaptations, but none compares to the 1954 version starring Judy Garland in her greatest role. But while it was the crowning performance of the legendary entertainer's career, the production turned into one of the most talked about in movie history. The story, which depicts the dark side of fame, addiction, loss, and suicide, paralleled Garland's own tumultuous life in many ways. While hitting alarmingly close to home for the fragile star, it ultimately led to a superlative performance -- one that was nominated for an Academy Award, but lost in one of the biggest upsets in Oscar history. Running far too long for the studio's tastes, Warner Bros. notoriously slashed extensive amounts of footage from the finished print, leaving A Star is Born in tatters and breaking the heart of both the film's star and director George Cukor. Today, with a director's cut reconstructed from previously lost scenes and audio, the 1954 A Star is Born has taken its deserved place among the most critically acclaimed movies of all time, and continues to inspire each new generation that discovers it. Now, Lorna Luft, daughter of Judy Garland and the film's producer, Sid Luft, tells the story of the production, and of her mother's fight to save her career, as only she could. Teaming with film historian Jeffrey Vance, A Star Is Born is a vivid and refreshingly candid account of the crafting, loss, and restoration of a movie classic, complemented by a trove of images from the family collection taken both on and off the set. The book also includes essays on the other screen adaptations of A Star Is Born, to round out a complete history of a story that has remained a Hollywood favorite for close to a century.

Shallow (from A Star Is Born) Sheet Music Lady Gaga,2018-10-01 (Piano Vocal). This sheet music features an arrangement for piano and voice with guitar chord frames, with the melody presented in the right hand of the piano part as well as in the vocal line.

A Star Is Born Ronald Haver,2002 (Applause Books). There is no book about Hollywood as riveting as this documentary. - Allan Carr, Vanity Fair There is no question that the 1954 version of A STAR IS BORN holds a special place in the pantheon of classic movies. It was director George Cukor's first foray into musicals, his first color film, and it was, without a doubt, Judy Garland's greatest screen performance. With incredible detail and color, Ronald Haver gives us the fascinating story of the making, marketing and restoration of this groundbreaking classic. Here is how producer Sid Luft orchestrated the deal for his wife, how Cukor was selected to direct, how James Mason was cast to co-star and how Moss Hart's script was developed. Here are the myriad technical problems, the clashes of personalities and the shocking emotional ups and downs of the film's star. Here, finally, is the author's own mission to restore the film to its original length and glory in the 1980s.

If You Ask Me Libby Gelman-Waxner,1995-06-13 Hi. I'm Libby Gelman-Waxner, and I'm an assistant buyer in juniors' activewear. While I find my work both rewarding and creative, especially with the new knits coming in, I want more. And so I decided to become a film critic.... Move over, Siskel & Ebert. Watch out, Leonard Maltin. And just forget saving that aisle seat, Mr. Medved. Libby Gelman-Waxner has arrived -- in the critic's circle, that is -- and the silver screen may never be the same again. Witty, wicked, and scathingly honest -- If You Ask Me is a hilarious collection of her columns from Premiere magazine. Just listen to Libby on some recent films and film stars: Prince of Tides -- Barbra's only spontaneous moment in Prince of Tides comes when Nick tosses her a football and she screams 'My nails!' Diane Keaton -- She's a pioneer; she takes that thing that hangs in the back of your closet, the thing that was too marked down to pass up, Diane takes that thing and she doesn't call Goodwill, she wraps it around her head a few times, pins on a Smurf brooch, and wins an Oscar.... The Last of the Mohicans -- Daniel Day-Lewis makes American actors look like giggly junior high school boys playing Nintendo during the prom; at one point, Madeleine asks Daniel what he is looking at, and he says, I'm looking at you, Miss, and let me tell you, the usher had to conk me with his flashlight to make me stop whimpering.... Daryl Hannah -- All men in America, my Josh included, they all want a date with Daryl Hannah. A girl like Daryl -- we're not talking about a Ph.D. in comparative literature; I think we're talking about hair in the eyes and not much in the way of lingerie....

Natalie Wood Gavin Lambert,2012-01-11 She spent her life in the movies. Her childhood is still there to see in Miracle on 34th Street. Her adolescence in Rebel Without a Cause. Her coming of age? Still playing in Splendor in the Grass and West Side Story and countless other hit movies. From the moment Natalie Wood made her debut in 1946, playing Claudette Colbert and Orson Welles's ward in Tomorrow Is Forever at the age of seven, to her shocking, untimely death in 1981, the decades of her life are marked by movies that--for their moments--summed up America's dreams. Now the acclaimed novelist, biographer, critic and screenwriter Gavin Lambert, whose twenty-year friendship with Natalie Wood began when she wanted to star in the movie adaptation of his novel Inside Daisy Clover, tells her extraordinary story. He writes about her parents, uncovering secrets that Natalie either didn't know or kept hidden from those closest to her. Here is the young Natalie, from her years as a child actress at the mercy of a driven, controlling stage mother ("Make Mr. Pichel love you," she whispered to the five-year-old Natalie before depositing her unexpectedly on the director's lap), to her awkward adolescence when, suddenly too old for kiddie roles, she was shunted aside, just another freshman at Van Nuys High. Lambert shows us the glamorous movie star in her twenties--All the Fine Young Cannibals, Gypsy and Love with the Proper Stranger. He writes about her marriages, her divorces, her love affairs, her suicide attempt at twenty-six, the birth of her children, her friendships, her struggles as an actress and her tragic death by drowning (she was always terrified of water) at forty-three. For the first time, everyone who knew Natalie Wood speaks freely--including her husbands Robert Wagner and Richard Gregson, famously private people like Warren Beatty, intimate friends such as playwright Mart Crowley, directors Robert Mulligan and Paul Mazursky, and Leslie Caron, each of whom told the author stories about this remarkable woman who was both life-loving and filled with despair. What we couldn't know--have never been told before--Lambert perceptively uncovers. His book provides the richest portrait we have had of Natalie Wood.

The Drama of Celebrity Sharon Marcus,2020-08-11 Why do so many people care so much about celebrities? Who decides who gets to be a star? What are the privileges and pleasures of fandom? Do celebrities ever deserve the outsized attention they receive? In this fascinating and deeply researched book, Sharon Marcus challenges everything you thought you knew about our obsession with fame. Icons are not merely famous for being famous; the media alone cannot make or break stars; fans are not simply passive dupes. Instead, journalists, the public, and celebrities themselves all compete, passionately and expertly, to shape the stories we tell about celebrities and fans. The result: a high-stakes drama as endless as it is unpredictable. Drawing on scrapbooks, personal diaries, and vintage fan mail, Marcus traces celebrity culture back to its nineteenth-century roots, when people the world over found themselves captivated by celebrity chefs, bad-boy poets, and actors such as the divine Sarah Bernhardt (1844-1923), as famous in her day as the Beatles in theirs. Known in her youth for sleeping in a coffin, hailed in maturity as a woman of genius,

Bernhardt became a global superstar thanks to savvy engagement with her era's most innovative media and technologies: the popular press, commercial photography, and speedy new forms of travel. Whether you love celebrity culture or hate it, The Drama of Celebrity will change how you think about one of the most important phenomena of modern times.

She's an actress in need of assistance, and he's adrift and in need of a lifeline. Kathi is an icon, bestselling author, and award-winning movie star, most known for her role as Priestess Talara in a blockbuster sci-fi film. She’s also known in another role: Outrageous Hollywood royalty. Admittedly so. Famously so. Chaotically so, as Charlie quickly discovers. Charlie gets the job, and his three-year odyssey is filled with late-night shopping sprees, last-minute trips to see the aurora borealis, and an initiation to that most sacred of Hollywood tribes: the personal assistant. But Kathi becomes much more than a boss, and as their friendship grows Charlie must make a choice. Will he always be on the sidelines of life, assisting the great forces that be, or can he step into his own life's leading role? Laugh-out-loud funny, and searingly poignant, Byron Lane's A Star is Bored is a novel that, like the star at its center, is enchanting and joyous, heartbreaking and hopeful.
