The Star Runner Omnibus Edition Mark McDonough, 2014-08-29 Here for the first time are all four Star Runner stories in the one volume. *Star Runner* - Go back to where it all began where Alexander, Pete and Nick Daniels first fall through a wormhole and meet humanities very first aliens on the far side of the galaxy. *Little Red Men* - In a hostile galaxy, it's always good to meet new friends, especially when you're flying in a damaged space ship and the bad guys are chasing you. *Gravity Well* - Star Runner and their new friends, the Mamoans, have started their long, long journey across the galaxy in their quest for home. But space can be a dangerous place with hazard's that are hard to avoid. *Journey's End ?* - Star Runner and her allies go back to where it all began, back to the Bubble - an energy sapping region of space where death is the most common form of escape.

Star Runner Mark McDonough, 2013-04-22 Aliens don't exist. Travelling around the galaxy using wormholes only happens in stories. They're facts. In all the years that humans have travelled in space, they've never happened. But today's facts are about to become yesterday's stories for brothers Alexander, Pete and Nick Daniels when their spaceship is pulled into a black hole and lost. Now the question is, can they ever get back home?

Legend of the Star Runner J. I. Wagner, 2018-05-22 In an effort to save a dear friend, Timmi Tobbsen and his cohorts follow the clues concealed within a centuries-old family legacy and unravel the legend of a long-lost pirate ship, buried somewhere deep beneath the city streets, but their search awakens amystical dark power.

Rose Star Runners Alex Benitez, 2011-06-01 Get the diamond! Strap yourself in and blast off on a genuine adventure. Rose Star Runners will guide the way. In this not so farfetched rendition of the future, well follow three characters as they are unsuspectingly pulled into a journey that spans the universe. Experience the sensation of having your feet on the sidewalk of a city of glass or sharing a romantic glass of champagne on a lunar cruise circling a planet. All this will be yours and more when you peek inside this book. Read as science fi ction, adventure, romance, and most of all, humor are seamlessly woven together in a dazzling tapestry that is Rose Star Runners. So join Ky, Will and Jina as they set forth on a quest to save the universe. Ky, Will, and Jina decide to get temporary jobs to deal with their mounting bills. That is when little Will catches a glimpse of a huge diamond. After much persuasion, Will convinces his comrades to steal the jewel. They are not the only ones with their eyes on the diamond. The Galactic Federal Bureau, an alien race called Arlians, an insane religious cult, and a whacked out cyborg named Locharp also has hopes of taking it. Our heroes must contend with them to successfully retrieve it, but as their efforts begin to pay off they fi nd that there is much more to the diamond then meets the eye. Help Ky, Will and Jina along their galaxy spanning rat race to secure the diamond before all hope is lost and catch your fi rst peek into the world of Rose Star.

The Star Runner Rob J. LaBelle, 2021-06-22 Sam Watson is your average, everyday guy. He's kind of a nerd, is about to become a video game store manager, and isn't all that outgoing. That is until one day when he discovers a strange, metallic object in the river. Little does he know that the tennis ball-sized sphere is not of this Earth. He doesn't figure that out until an alien woman comes for him and the sphere so that she can deliver it safely back to its planet of origin. Once Sam comes to terms with everything that's going on, he winds up going on an epic adventure through another galaxy, where he visits other planets and meets many different alien species. In the process, he also uncovers a secret alien plot that's been kept under wraps for thousands of years. Plus, he finally winds up coming out of his shell. Will Sam survive the encounter? Will he make it back home alive? Does he fall madly in love with the alien woman? Of course, in order to get your own answers, you must take the journey yourself.

Star Runner Chronicles James Watson,2021-05 Compilation of the first trilogy of the Fallen Star comic book series, including issues 1-3, previously released only in digital format. Star Runners L.E. Thomas,2030-12-31 Austin Stone is the best Star Runners player there is. But it's not a game, it's real . . . and he's about to become the greatest hero in a war that spans the stars. Austin's just a typical teenager, struggling with school and the loss of his father. He's also a living legend as "Rock," one of the best players of the hugely popular Star Runners MMORP—but that's just a game right? Suddenly he's got a scholarship to an intense military school and he and his friends learn the truth: everything in Star Runners is real. If he works hard and survives, he will become a real-life fighter pilot in deep space, a hero of the freedom-loving Legion. Well before he's ready, and before anyone expected, Austin is thrust into the center of a very real war with the Zahl Empire. Will he be able to save the people that matter to him most or will his adventure in space end before it begins?

Star Runner Neil Herndon,2020-01-22 Simon Rigel constantly struggled to find his place in the galaxy. Art had him craving more, and only when he traveled into space did he feel genuinely at home. Yet, after a sequence of encounters, he discovers himself in the midst of a cosmic conflict that questions everything he knows. After an alien emissary comes calling, Simon moves from humble citizen to captain of one of the finest warships when his biological father, a legendary war hero, goes missing. Over the course of Simon's first year battling against an implacable enemy, the fledgling pilot shows his skill with every encounter. But the adversary forces him and his crew to the edge, along with the sanctimonious demands of his political officer. It forces Simon to find his own way in the fight, and do what he feels is true and good, not just what he's told.

Star Runner Chronicles: Rising Star James Watson,2022-05-08

Star Runners: Galactic War L. E. Thomas,2020-12-25 The galaxy is burning. The Galactic Legion of Planets is reeling from a surprise invasion from a mysterious force hailing from Dark Space. Back in the cockpit of a Trident, Austin Stone and the elite Star Runners are battling against a swarming armada threatening to conquer star systems that could ultimately place Earth in the invaders' path! At the same time, the Zahl Empire is maneuvering to take advantage of the Legion's struggles by igniting the long-simmering cold war and avenging the embarrassment of the previous galactic war. As the Star Runners parry the vicious onslaught of an alien force, they must respond to a Zahlian incursion on the Fringe world of Ashia that could escalate into a two-front war the Legion could not survive. Enhanced by intense space battles in what one reader described as an overarching powerful ensemble of a space epic that keeps you reading, *Star Runners: Galactic War* is the sixth installment of the primary Legion storyline in the Star Runners Universe.

Hydroplane Racing in Seattle David D. Williams,2006 Hydroplane racing burst onto the Seattle scene in 1950, and local sports fans embraced it with a passion that is hard to imagine. Throughout the early 1950s, thousands of fans flocked to Lake Washington to watch classic races between Seattle's Slo-mo-shun boats and a fleet of East Coast challengers. For over 40 years, hydroplane racing was synonymous with summertime in Seattle. During its golden age, when hydro fever was at its height, drivers like Bill Muncey, Ron Musson, and Mira Slovak were sports heroes on par with today's Ken Griffey Jr. or Ichiro. Seattle became the hydro capital of the nation.

Journey's End ? Mark McDonough,2014-08-29 When Star Runner, along with her Mamooan allies, stopped to trade for supplies with the people of Jellican III, they never

expected to end up helping in a planet-wide evacuation. Worse still was the sun exploding much earlier than anticipated, resulting in the combined Mamoon and Jellican space fleets being pulled inside a newly formed black hole. Now the crew of Star Runner has to race against time, not only to find out what happened to all of their new friends, but also to find a way to escape the Bubble once more. Book Four of the Star Runner Series - an adventure in the depths of space.

The Top Books of the Year Star Runner Lite The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have enthralled audiences this year. Star Runner Lite : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Star Runner Lite : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Star Runner Lite : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but

troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. *The Secret History* is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
