The Longest Trek Grace Lee Whitney, Jim Denney, 1998 She opened for jazz great Billie Holiday, shared the set with Marilyn Monroe, and flirted on-screen with Jack Lemmon. In her dream role, Gene Roddenberry beamed her aboard the Starship Enterprise as Yeoman Janice Rand in the original Star Trek series. But a terrifying sexual assault on the studio lot and her lifelong feelings of emptiness and isolation would soon combine to turn her starry dream into a nightmare.

Net.people Thomas E. Bleier, Eric C. Steinert, 2000 The art of creating a Web site is one that has emerged and been refined since the explosion of the Internet as a communications medium. But unlike authors, filmmakers, musicians, and visual artists, the faces behind even the most popular Web sites remain hidden. This book goes behind the Web curtain to reveal the personalities behind 35 of the most interesting Web sites on the Internet today. Interviews with the creators of sites for everything from wedding resources and action figure collecting to misheard song lyrics and movie reviews reveal the motivations for and experiences in starting and growing Web sites. This book provides insights for people-watchers who are curious about the faces behind the sites and for anyone interested in building an original Web site.

The Best Saturdays of Our Lives Mark McCray,2015-10-26 Mark McCray wasn't the only boy who loved Saturday morning cartoons, but he may have been the only one to call the networks and tell them what he liked and disliked about them. For instance, he was blown away by the direction Hanna-Barbera took with Josie and the Pussycats, the kids in the wrong place at the wrong time who rose to the occasion and saved the day. It wasn't long before he was writing his own newsletter, titled The Best Saturdays of Our Lives, which he circulated to animation and television executives, networks, studios, and comic book publishers. The newsletters chronicle the origins of competitive Saturday morning programming—from the 1966-67 season straight through to the 1990s—and they're compiled in one place for easy reference in this book. You'll get an insider's look at the

inner workings of the cartoon and television industries, competition between broadcast networks, and how the industry has changed over the years. Mark's curiosity, probing insights and love of television, come together to create *The Best Saturdays of Our Lives*.

I Am Spock Leonard Nimoy, 2015-06-23 First time in trade paperback: the memoir by the late Leonard Nimoy, best remembered for his portrayal as everyone's favorite Vulcan, Spock, in *Star Trek*, the TV series and films. Leonard Nimoy's portrayal of the ever-logical Vulcan, Mr. Spock, is one of the most recognizable, loved, and pervasive characterizations in popular culture. He had been closer to the phenomenon of *Star Trek* than anyone, having played the pivotal role of Spock in the original series, in six motion pictures, and in a special two-part episode of *Star Trek: The Next Generation*. *I AM SPOCK* gives us Nimoy's unique perspective on the beginnings of the *Star Trek* phenomenon, on his relationship with his costars, and particularly on the reaction of the pointed-eared alien that Nimoy knew best. Here, Nimoy shared the true story behind his perceived reticence to re-create the role and wrote frankly about how his portrayal defined an icon.
