Spectre William Shatner,Judith Reeves-Stevens,2002-02-21 Retired and happily in love, Kirk believes his adventuring days are over. But as he returns to Earth for the first time since his apparent death upon the Enterprise-B, events elsewhere in the galaxy set in motion a mystery that may provide Kirk with his greatest challenge yet. The Enterprise-E, under the command of Captain Jean-Luc Picard, is exploring an unstable region of space on a scientific mission of vital concern to Starfleet when they discover the last thing they ever expected to find: a lonely, battle-scarred vessel that is instantly recognizable to every member of Picard's crew. Five years after being lost with all hands in the Delta Quadrant, the Starship Voyager has come home! The commander of Voyager, one Tom Paris, explains that Captain Kathryn Janeway and half of the original crew is dead, but if that is true, who is the mysterious woman who has kidnapped Kirk back on Earth, pleading with him to assist her against a threat to the entire Federation? All is not as it seems, and soon Kirk is forced to confront the hideous consequences of actions taken more than a hundred years prior, as well as his own inner doubts. After years of quiet and isolation, does he still have what it takes to put things right-and join with Captain Picard to save the lives of everyone aboard a brand-new Enterprise? An unforgettable saga peopled by old friends and ancient enemies, Star Trek: Spectre propels Kirk on a journey of self-discovery every bit as harrowing as the cataclysmic new adventure that awaits him.

Star Trek: The Academy--Collision Course William Shatner,Judith Reeves-Stevens,2007-10-16 If you think you know how it all began, think again... Young Jim Kirk wants nothing to do with Starfleet, and never wants to leave Earth. In the summer of 2249, he's a headstrong seventeen-year-old barely scraping by in San Francisco, haunted by horrific memories from his past. In the same city, a nineteen-year-old alien named Spock is determined to rise above the emotional turmoil of his mixed-species heritage. He's determined to show his parents he has what it takes to be Vulcan - even if it means exposing a mysterious conspiracy at the heart of the Vulcan Embassy, stretching to the farthest reaches of the Federation's borders. There, a chilling new threat has arisen to test the Federation's deepest held belief that war is a thing of the past and that a secure future can be forged through peaceful means alone. But it is in San Francisco, home to Starfleet Academy, where that threat will be met by two troubled teenage boys driven to solve the mystery that links them both. In time, the universe will come to know these young rebels as Captain James T. Kirk and Mr. Spock...two of the Federation's greatest heroes. Yet before they were heroes, they were simply conflicted teenagers, filled with raw ambition and talent, not yet seasoned by wisdom and experience, searching for their own unique directions in life -- a destiny they'll discover on one fateful night in San Francisco, when two lives collide, and two legends are born. Star Trek: Academy -- Collision Course sets the stage for an exciting new era of Star Trek adventure, and for the first time reveals Kirk and Spock as they were, and how they began their journey to become the Kirk and Spock we know today.

To assist their efforts, Riker and Worf are assigned a different diplomatic task. As a show of friendship and good faith, they are serving as honor guards to a young Tsoran prince, accompanying him to a royal hunting preserve. There, a combination of technology-damping fields and some of the galaxy's deadliest predators are supposed to test the skills of the young Tsoran noble in the 'kaphoora' - the hunt. When their shuttlecraft

crashes inside the preserve, however, what should have been a civilised formality turns into a terrifying struggle for survival. Cut off from both Tsora and the Enterprise, without the benefit of either tricorders or phasers, Riker, Worf and their royal charge must fight for their lives with the only resources they have: spear and bat'leth - tooth and claw.
