<u>Rough Stock</u> Dahlia West,2019 Welcome to Star Valley, a beautiful yet brutal landscape nestled at the foot of the Grand Tetons, where the Barlows have lived off the land for more than one hundred years. They've fallen on hard times, though, and their survival is in doubt. Bankruptcy looms as dark as the storm clouds that are gathering. All five Barlow sons have gathered at the Snake River Ranch in a last ditch effort to preserve their family's legacy. As it was a hundred years ago, the mountains will decide their fate. The last place on Earth ex-barrel racer Rowan Archer wants to be is back in these foothills, where a Barlow broke her heart. But her family's fallen on hard times as well, and hard times breed hard choices.She wants to run away, back to Cheyenne, back to safety, but she can't, and it wouldn't do any good anyway. No matter how far she gets, she's got a daily reminder of her painful past with soulful brown eyes, a gap-toothed grin, and questions about how her daddy got lost. Rowan is determined to protect her daughter from the heartache she suffered and she'll hold off the entire Barlow family with a rifle and a pack of vicious guard dogs if she has to. No Barlow will set foot on her family's ranch, not cheating Court who abandoned her years ago, not even his soft-spoken older brother Seth who comes to plead his wild younger brother's case. But Rowan's heart is as hard as the mountains that shelter them all and she vows that she'll never make the same mistake again.

**Flying the Star Valley** Garrett Fisher,2016-01-03 Finally living the dream, the author spent hundreds of hours flying his 1940s era airplane while living right next to the runway, situated in the beautiful Star Valley of Wyoming. Unlike prior works where expansive regions were conquered for inclusion into a literary work, this project was an opportunity to capture weather, lighting, texture, and season encompassing an area that is overwhelmingly beautiful from the ground, yet overshadowed by better known national park neighbors to the north. As thunderstorms, fog, rain, wind, and snow came and went, the airplane often followed just behind these features, racing to mountain tops and down valleys, chasing after the beauty left behind in their wake, capturing scenes normally unavailable to all but the most intrepid of hikers and adventurers, or birds. Containing 98 images, Flying the Star Valley is a photographic atlas from above of the Star Valley, its three river basins, and the four mountain ranges that surround it.

The Complete Outlaw Hartes Collection RaeAnne Thayne,2019-06-10 Enjoy all three Outlaw Hartes stories together for the first time! New York Times bestselling author RaeAnne Thayne brings readers along on three heartwarming

romantic journeys as the Harte siblings find their happily ever after. Originally titled The Valentine Two-Step, Taming Jesse James, and Cassidy Harte and the Comeback Kid. Star Valley Winter Single father Matt Harte learned the hard way not to trust women. His wife left him because she couldn't deal with ranch life—so the last thing he wants to do is plan the annual Valentine's Day dance. His daughter, Lucy, has plans for her father; she's determined to get him to fall for beautiful vet and recent Salt River transplant Ellie Webster. Ellie knows that Matt doesn't want her in his town, let alone on the too-small dance committee of two. It's not as if she wants to spend all that one-on-one time with the rugged rancher, imagining what it would be like to be his partner—for real… Springtime in Salt River Jesse James Harte grew up as wild and untamed as his Old West namesake, but now he's the law in this stretch of the Wyoming high country. That meant trouble is his business—and if he'd ever seen somebody in trouble, it was the town's new schoolteacher, Sarah McKenzie. She is as beautiful as a mountain meadow in springtime. But the haunted look in her eyes says she's running from something—something that might be catching up with her. He ached to protect her, to take that look away—and make her his forever. Return to Star Valley Ten years ago, Cassidy Harte had stood at the altar waiting for Zach Slater. And when he didn't show up—and was said to have disappeared with her brother's flirtatious wife—she did the only thing she could do. Held her head up high. Helped raise her motherless niece. And swore never to get involved with a man again. And then back into her life walked Zach—with an "I'm sorry" on his lips, an explanation she refused to hear and the vow that he would make her his once again. And this was one vow he was determined to keep....
