*First Class* Sharon Disher, 2013-07-31 When Sharon Hanley Disher entered the U.S. Naval Academy with eighty other young women in 1976, she helped end a 131-year all-male tradition at Annapolis. Her entertaining and shocking account of the women's four-year effort to join the academy's elite fraternity and become commissioned naval officers is a valuable chronicle of the times, and her insights have been credited with helping us understand the challenges of integrating women into the military services. From the punishing crucible of plebe summer to the triumph of

graduation, she describes their search for ways to survive the mental and physical hurdles they had to overcome. Unflinchingly frank, she freely discusses the prejudice and abuse they encountered that often went unpunished or unreported. A loyal Navy supporter, nevertheless, Disher provides a balanced account of life behind the academy's storied walls for that first group of teenaged women who charted the way for future female midshipmen. Lively, well researched, and amazingly good humored, the book seems as fresh today as it was when first published in hardcover in 1998.

*Line Brawl* Bianca Sommerland,2016-06-28 Not all fights are one on one. In a team, no man should stand alone. 'You can't keep me.' Shawn 'Easy' Pischlar has given his speech so often, it should be written on the white board in the Dartmouth Cobra's locker room. Too many of his own teammates have heard the words. And the games he's played are finally catching up to him. To hang on to his freedom, Shawn gave up on ever having someone to call his own. A young woman who expects nothing from him slips into his life and has him ready to toss the rulebook. While the man he loves tempts him to burn it. Keeping them both would be easy, only...caring about them isn't. Because when he lets himself care, he remembers why he wrote the rules in the first place. Every lover, from the casual, to those who steal a piece of his heart, shouldn't expect more than pleasure. More than passion. Playing the game, on and off the ice, is his whole world. One he isn't ready to change. Except, life doesn't stop for the game. And when old scars are ripped open, and he's left bloody and beaten, the rules won't help him put the pieces of his life back together. To win this fight, he'll have to break each and every one.

The Wednesday Wars Gary D. Schmidt, 2007 During the 1967 school year, on Wednesday afternoons when all his classmates go to either Catechism or Hebrew school, seventh-grader Holling Hoodhood stays in Mrs. Baker's classroom where they read the plays of William Shakespeare and Holling learns much of value about the world he lives in.

**Linked** Gordon Korman, 2021-07-20 An unforgettable novel from the New York Times bestseller Gordon Korman Link, Michael, and Dana live in a quiet town. But it's woken up very quickly when someone sneaks into school and vandalizes it with a swastika. Nobody can believe it. How could such a symbol of hate end up in the middle of their school? Who would do such a thing? Because Michael was the first person to see it, he's the first suspect. Because Link is one of the most popular guys in school, everyone's looking to him to figure it out. And because Dana's the only Jewish girl in the whole town, everyone's treating her more like an outsider than ever. The mystery deepens as more swastikas begin to appear. Some students decide to fight back and start a project to bring people together instead of dividing them further. The closer Link, Michael, and Dana get to the truth, the more there is to face—not just the crimes of the present, but the crimes of the past. With *Linked*, Gordon Korman, the author of the acclaimed novel *Restart*, poses a mystery for all readers where the who did it? isn't nearly as important as the why?

*The Advocate*, 2001-08-14 The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

**Your Storytelling Potential** Mitchell German, Russell Phillips, 2023-05-02 Writers seeking to create novels and screenplays with genuine layers and depth will find essential insight in Mitchell German's *Your Storytelling Potential*! After studying filmmaking and screenwriting at NYU—one of the premier film studies programs in the United States (if not the world)—Mitchell German graduated with a complete doctrine on storytelling theory in his arsenal; yet his screenplays still lacked the potency he desired. He spent ten years studying every available book and “expert” on storytelling, but it wasn't until 2002, after endlessly studying the movie *Liar Liar*, that Mitchell found the key and developed the *Your Storytelling Potential* Method. The truth about great storytelling is hidden in plain view for anyone to see, but nearly every expert ignores the most basic story construct. In *Your Storytelling Potential*, writers who seek to tell great stories will find: A complete understanding of the Identifiable Traits great novels and screenplays (namely movies) have that distinguish them from the other 99.99% of books and screenplays written every year How to use Two Stories within a screenplay and novel, which exponentially increases the chances of those stories gaining buzz and attention A proper understanding of the critical and essential role of Subplots to create genuine character depth and relationships How to properly integrate a Theme for stories to convey deep, relevant, and amazing ideas An outline for utilizing A/B Parallel Story Structure and the Simple Story Timeline to build multi-dimensional stories with the required converging events of the A-Story/B-Story relationship How the premise of every great story is created by the convergence of the A & B Storylines, and how this Key Information can unlock Your Storytelling Potential

**Projecting Politics** Elizabeth Haas, Terry Christensen, Peter J. Haas, 2015-04-10 The new edition of this influential work updates and expands the scope of the original, including more sustained analyses of individual films, from *The Birth of a Nation* to *The Wolf of Wall Street*. An interdisciplinary exploration of the relationship between American politics and popular films of all kinds—including comedy, science fiction, melodrama, and action-adventure—*Projecting Politics* offers original approaches to determining the political contours of films, and to connecting cinematic language to political messaging. A new chapter covering 2000 to 2013 updates the decade-by-decade look at the Washington-Hollywood nexus, with special areas of focus including the post-9/11 increase in political films, the rise of political war films, and films about the 2008 economic recession. The new edition also considers recent developments such as the *Citizens United* Supreme Court decision, the controversy sparked by the film *Zero Dark Thirty*, newer generation actor-activists, and the effects of shifting industrial financing structures on political content. A new chapter addresses the resurgence of the disaster-apocalyptic film genre with particular attention paid to its themes of political nostalgia and the turn to global settings and audiences. Updated and expanded chapters on nonfiction film and advocacy documentaries, the politics of race and African-American film, and women and gender in political films round out this expansive, timely new work. A companion website offers two additional appendices and further materials for those using the book in class.

**The Tee Cotton Bowl** Mel LeCompte Jr., 2011-09-08 In 1999, Ville Platte, Louisiana resident and sports nut Tim Fontenot longed to do something to celebrate this small town's prep football city championship. Amazed at the harmony between Sacred Heart High and Ville Platte High, two schools that could not be further apart racially or socially, “Dr. Tim” wanted to commemorate the teams' simple ability to get along with each other. What started out as a nice idea and a trophy is now a weeklong community celebration complete with zydeco and Cajun concerts, all-day tailgating

and an intense prayer banquet for both teams. Also tossed into the Tee Cotton gumbo are skydivers, fireworks, collegiate marching bands and anything else Fontenot can get his hands on to make the annual event bigger and better. Join award-winning sports journalist Mel LeCompte Jr. as he details the story of one of the premier prep sports events in the nation. This revised digital edition of LeCompte's 2010 paperback, *Sharpened Iron: The Tee Cotton Bowl Story*, covers not only the game but the journey—from hurricanes to Hakas, federal judges to NFL Films Presents, boucheries to blessings by Pope John Paul II.
