Digital Startups in Transition Economies Agnieszka Skala,2018-11-11 This book responds to the growing demand for a scientific approach to the concept of startups, which are a manifestation of the digital revolution and an innovation-driven economy. With a focus on digital enterprises, the author presents empirical research carried out over 4 years in collaboration with the Startup Poland Foundation, and provides a developed universal definition of a startup. This book highlights the necessity of a clear definition, in order for startups to be treated as a permanent economic phenomenon, rather than a temporary whim. Addressing the crucial need for an effective startup management methodology and more education on this form of entrepreneurship, Digital Startups in Transition Economies offers guidance for those researching entrepreneurship and innovation,

as well as entrepreneurs, public institutions, startup accelerators and technology transfer centres.

Making It Right Rian Van der Merwe,2014-07-24 Product management is one of the most exhausting, exhilarating, stressful, and rewarding careers out there. It's not for the faint of

heart. It's for people who want to move mountains. It swallows some whole, but others derive endless invigoration and passion from the pace and the impact and the glory and the huge potential for failure as well as success. There's no other job like it, and this is a book to help you make it your job. The role of a product manager goes by many different names - and if that's not reason enough to be confused, some companies define product manager completely differently from how it's understood elsewhere. We sometimes get stuck in our quest to define the damn thing, but in the case of product management, it's effort well spent, because it's quite the jungle out there.

The Fundable Startup Fred Haney,2017-10-17 If you are the founder of a high-tech startup company, you know it's a daunting task, and the odds of success are slim. All founders dream of achieving a rewarding outcome like Steve Jobs or Bill Gates, but few reach such a pinnacle. In The Fundable Startup: How Disruptive Companies Attract Capital, Fred M. Haney, an experienced venture capitalist, angel investor, and company founder, explains startup strategies that will help you: Understand the thinking of investors Build a "virtual team" Create initial value in a product or prototype Recruit management that will help you raise capital The Fundable Startup contains eight personal interviews with executives and entrepreneurs that will change the way founders think about managing a startup company. Sell More Faster Amos Schwartzfarb,2019-09-04 From Amos Schwartzfarb, serial entrepreneur and veteran Managing Director of Techstars Austin comes the elemental, essential, and effective strategy that will help any startup identify, build, and grow their

customers from day 1 Most startups fail because they can't grow revenue early or quickly enough. Startup CEOs will tell you their early missteps can be attributed to not finding their product market fit early enough, or at all. Founders overspend time and money trying to find product-market fit and make false starts, follow the wrong signals, and struggle to generate enough revenue to scale and raise funding. And all the while they never really knew who their customers were, what product they really needed, and why they needed it. But it doesn't have to be this way, and founders don't need to face it alone. Through expert guidance and experienced mentorship, every startup can avoid these pitfalls. The ultimate guide for building and scaling any startup sales organization, Sell More Faster shares the proven systems, methods, and lessons from Managing Director of Techstars Austin and sales expert Amos Schwartzfarb. Hear from founders of multi-million-dollar companies and CEOs who learned firsthand with Techstars, the leading mentorship-driven startup accelerator and venture capital firm that has invested in and mentored thousands of companies, collectively representing billions of dollars in funding and market cap. Schwartzfarb, and the Techstars Worldwide Network of more than 10,000 mentors do one thing better than anyone: help startup entrepreneurs succeed. They know how to sell, how to hire people who know how to sell, and how to use sales to gain venture funding—and now you can, too. Sell More Faster delivers the critical strategies and guidance necessary to avoid and manage the hazards all startups face and beat the odds. This valuable resource delivers: A comprehensive playbook to identify product market direction and product market fit Expert advice on building a diverse sales team and how to identify, recruit, and train the kinds of team members you need Models and best practices for sales funnels, pricing, compensation, and scaling A roadmap to create a repeatable and measurable path to find product-market fit Aggregated knowledge from Techstars leaders and industry

experts Sell More Faster is an indispensable guide for entrepreneurs seeking product-market fit, building their sales team, developing a growth strategy, and chasing accelerated, sustained selling success.

The Startup Way Eric Ries,2017-10-17 Entrepreneur and bestselling author of The Lean Startup, Eric Ries reveals how entrepreneurial principles can be used by businesses of all kinds, ranging from established companies to early-stage startups, to grow revenues, drive innovation, and transform themselves into truly modern organizations, poised to take advantage of the enormous opportunities of the twenty-first century. In The Lean Startup, Eric Ries laid out the practices of successful startups – building a minimal viable product, customer-focused and scientific testing based on a build-measure-learn method of continuous innovation, and deciding whether to persevere or pivot. In The Startup Way, he turns his attention to an entirely new group of organizations: established enterprises like iconic multinationals GE and Toyota, tech titans like Amazon and Facebook, and the next generation of Silicon Valley upstarts like Airbnb and Twilio. Drawing on his experiences over the past five years working with these organizations, as well as nonprofits, NGOs, and governments, Ries lays out a system of entrepreneurial management that leads organizations of all sizes and from every industry to sustainable growth and long-term impact. Filled with in-the-field stories, insights, and tools, The Startup Way is an essential road map for any organization navigating the uncertain waters of the century ahead.

Managing Startup Enterprises in Emerging Markets Ananya Rajagopal,2019-10-12 This book provides a comprehensive view of the entrepreneurial dynamics within startups by analyzing their marketing strategies in the context of exploiting new opportunities, enhancing stakeholder values, and protecting their business ecosystem for continuous growth. Managing startup enterprises is a complex managerial task, as

these businesses need to overcome the competition by understanding thoroughly all the moves of rival firms in the local-global markets. This book explores the incidence and severity of problems pertaining to organizational design, marketing strategy, the consumer-centric approach, and the transaction-based approach faced by start-up enterprises in order to improve business performance. This text will motivate future research on managing start-up enterprises in terms of developing efficiency in leadership and achieving market competitiveness and organizational growth. It will serve as an important work to those studying entrepreneurial leadership and marketing.

The Comic Book Story of Video Games Jonathan Hennessey,2017-10-03 A complete, illustrated history of video

games--highlighting the machines, games, and people who have made gaming a worldwide, billion-dollar industry/artform--told in a graphic novel format. Author Jonathan Hennessey and illustrator Jack McGowan present the first full-color, chronological origin story for this hugely successful, omnipresent artform and business. Hennessey provides readers with everything they need to know about video games--from their early beginnings during World War II to the emergence of arcade games in the 1970s to the rise of Nintendo to today's app-based games like Angry Birds and Pokemon Go. Hennessey and McGowan also analyze the evolution of gaming as an artform and its impact on society. Each chapter features spotlights on major players in the development of games and gaming that contains everything that gamers and non-gamers alike need to understand and appreciate this incredible phenomenon.

Startup CEO Matt Blumberg,2020-08-04 You're only a startup CEO once. Do it well with Startup CEO, a master class in building a business. —Dick Costolo, Former CEO, Twitter Being a startup CEO is a job like no other: it's difficult, risky, stressful, lonely, and often learned through trial and error. As a startup CEO seeing things for the first time, you're likely to make mistakes, fail, get things wrong, and feel like you don't have any control over outcomes. Author Matt Blumberg has been there, and in Startup CEO he shares his experience, mistakes, and lessons learned as he guided Return Path from a handful of employees and no revenues to over $100 million in revenues and 500 employees. Startup CEO is not a memoir of Return Path's 20-year journey but a thoughtful CEO-focused book that provides first-time CEOs with advice, tools, and approaches for the situations that startup CEOs will face. You'll learn: How to tell your story to new hires, investors, and customers for greater alignment How to create a values-based culture for speed and engagement How to create business and personal operating systems so that you can balance your life and grow your company

at the same time How to develop, lead, and leverage your board of directors for greater impact How to ensure that your company is bought, not sold, when you exit Startup CEO is the field guide every CEO needs throughout the growth of their company.
