*Always a Home Game* Josh Miller, Shawn Allen, 2014 The Pittsburgh Steelers hold the #1 away-game attendance record in the NFL, with a diehard fan base from coast to coast. TV announcers sometimes jokingly ask if this is a home game for the black-and-gold because there are so many fans in the stands. Pittsburgh natives are spread out across the country. On game days, you'll find these avid fans at their local watering holes, in cities big and small, cheering on their home team. For example, Harold's Corral, outside of Phoenix, actually sells season tickets for a seat at the bar or a table during Steelers games. There were 5000 people at Harold's for the 2010 Super Bowl between Pittsburgh and Green Bay. There are 766 dedicated Steelers bars across America. During the 2013 football season, former Steelers punter Josh Miller and everyday fan Shawn Allen will visit Steelers bars in the 32 NFL cities, documenting the unique personalities that define one of the largest and most passionate fan bases in the world - Steelers Nation. Meanwhile, back in Pittsburgh, 65,000-plus fans at sold-out Heinz Field, will see live feeds of their visits on the scoreboard. Filled with photographs and

interviews, Always a Home Game features game-day celebrations, a look at former players and their post-Steelers lives, and the shared journeys of fans from across Steelers Nation

**Great Moments in Pittsburgh Steelers Football** Brian Kelly, 2018-06-30 This book begins at the beginning of Football and goes right to the Mike Tomlin era. It is written for those of us who love Pittsburgh Steelers Football. Those who are not the top fans of the Steelers will also want possession of this book, so they can get a leg up on the facts missing from bookshelves of those Steelers fans who do not have this book. The book first tells the story about the precursor teams to the Pirates and then the founding of the Pittsburgh Pirates as a new National Football League (NFL) team from Pittsburgh in 1933. But it reaches back even further in history than 1933 to find the precursor professional football teams from the turn of the century when Pro Football was just beginning. This book actually takes the Steelers fan on a journey from when there was no football at all, to where American football was only a dream, and then to where American football was played only by colleges with a mixture of soccer and rugby rules. After explaining how primitive man played football, this book

quickly moves on to describe the beginning of football in the US and it recounts the first American Football Game in 1869. From there, the progression includes college football teams that loved the new sport and their football graduates looking for a place to play football after college. Eventually all of this builds up to the NFL, and of course the Pittsburgh Pirates, who became The Pittsburgh Steelers, then the Steagles, Card-Pitt, and then a return to the Steelers name. It moves on to the team's first football game in 1933, and the first Steelers coach, an unknown named Forrest Douds. Then of course it moves to the new era Pirates /Steelers after thirty years of tough going until the team hired the phenomenal immortal-Chuck Noll and then the to-be immortals, Bill Cowher and Mike Tomlin, who between all of them chalked up six Super Bowl wins, tops in the entire NFL. After thirty years, management eventually hired great coaches. The current coach, Mike Tomlin became the youngest head coach to win the grand prize of football, when the Steelers defeated Arizona in Super Bowl XLIII. It seems like yesterday but for those pros trying to create a league out of nothing, there would have been nothing without their hard work. And of course, this great book about the Steelers eventually gets

a deep look at the great and soon-to-be-immortal-Patriots' coaches including Chuck Noll, Bill Cower, Mike Tomlin, Jock Sutherland, and Buddy Parker. Mike Tomlin, the current coach, of course has his own Super Bowl belt with a big notch in it for the win over Arizona. The book you are reading now captures the great moments in Steelers Football even before the Steelers were the Pittsburgh Steelers. This Steelers-first book takes the reader through stories about the Steelers 16 coaches, most of whom in early times had losing records and it progresses to great stories about the 85 seasons worth of great games (1571 games) with 655 great wins. The book often stops in time and talks about a particular great player such as John Stallworth, Jack Ham, Jack Lambert, Jerome Bettis, Hines Ward, Franco Harris, Rod Woodson, Mel Blount, Le'Veon Bell, Antonio Brown, Ben Roethlisberger, and of course the inimitable Terry Bradshaw, a great QB with four Super Bowl Rings-- the greatest Steeler of all time. He matches his talent with an outstanding personality. Though other teams are looking to pass the Pittsburgh Steelers record in Super Bowl victories, the view from the back is not as good as the Steelers' view. I dare you to pick up this book. If you are an avid Steelers fan, you will

never put it down again. You cannot ever get enough of Steelers' greatness, but we do provide as many stories together in one spot as we can in this can't miss book.

*Game of My Life Pittsburgh Steelers* Matt Loede, 2019-09-17 First-person accounts of the most memorable moments in Steelers history! After enduring decades as one of professional football's worst teams, the Pittsburgh Steelers began their streak of dominance in the 1970s, recording four world championships in that decade alone. The Steelers now share the record for most Super Bowl appearances (8) and championships (6). Now supporters of one of the NFL's most storied franchises will go into the locker room and onto the turf with over twenty Steelers legends in this newly updated version of *Game of My Life Pittsburgh Steelers*. Sportswriter Matt Loede opens the doors to players' private remembrances of how it was and how they reacted to the spotlight. Big touchdowns, career-making moments, and championship glory shared all come to the surface for Steelers of the past half-century. Readers will hear tales from Hall of Famers such as Joe Greene, Jack Ham, Mel Blount and fan favorites including Charlie Batch, Tunch Ilkin, and Mike Tomczak. Within these pages, Pittsburgh gridiron greats offer glimpses of the National Football League in the 1960s, the 1970s, and right up

through the 2018 season. More than forty years of Steelers experience is represented in this collection of tales told by the men who played in some of the most memorable games in franchise history.

**Last Team Standing** Matthew Algeo, 2013-09-01 During World War II, the National Football League faced a crisis unimaginable today: a shortage of players. By 1943, so many players were in the armed forces that the league was forced to fold one team and merge two others: the Pittsburgh Steelers and the Philadelphia Eagles—the Steagles. Its roster that included military draft rejects, aging stars lured out of retirement, and even a couple of active servicemen who managed to get leave for the games. The team's center was deaf in one ear, its wide receiver was blind in one eye, and its halfback had bleeding ulcers. One player was so old he'd never played football with a helmet. Yet, somehow, this motley bunch managed to post a winning record—the first for the Eagles and just the second for the Steelers. But *Last Team Standing* isn't just about football. It's also about life in the United States during World War II, a time of fear and hope, of sacrifice and momentous change. It's about rationing, racism, and Rosie the Riveter. It's about draft boards, bond drives, and movie stars. Above all, it's

about the men and women of the Greatest Generation who couldn't fight, but helped win the war in immeasurable ways.

**A Super Steelers Journey: The 23-Year Quest to Honor Pittsburgh's Dynasty Legends** Merrill Shaffer, 2018-09-08 Starting with Jack Ham in the summer of 1994 and finally ending with Loren Toews in June of 2017, this book is the story of the 23-year search to find the 22 players, and head coach Chuck Noll, who were members of all four of the Pittsburgh Steelers' Super Bowl Championship teams in the 1970s, and honor their amazing accomplishments by having each of them sign a Pittsburgh Steelers football helmet. This book also includes biographies of each of the players' athletic careers in high school, college, and the NFL.

**Steeler Pride** Doug Yencho, 2012 Nothing better than being a Steeler fan, Right? Join me as we watch the Pittsburgh Steelers climb the Stairway to Seven Enjoy my humorous skits, recall a little Steelers history, and add a little fun to watching football as it is seen through my eyes. Thank you.

Classic Steelers David Finoli, 2014 When it came to football in the 1930s, the college sport was

king. But in 1933, former boxer and minor league baseball player Art Rooney, who had quarterbacked the squad at Duquesne University, purchased a team for Pittsburgh for \$2,500. Thus began the legacy we know as Steeler Nation. At the time, no one could have imagined that the Pirates, as they were originally named, would become a treasured possession for Pittsburghers. For the first 40 years, the franchise was a national joke. With only one playoff performance--a 21-0 defeat at the hands of the Philadelphia Eagles for the eastern division title in 1947--highlights were minimal for a team that regularly found itself at the bottom of the standings. Then in 1969, Art Rooney's son Dan hired Chuck Noll from the Baltimore Colts to coach his team. Noll replaced undisciplined players with future hall of famers. By 1974 the team won its first world championship and went on to capture four Super Bowl titles in six years. Noll's legacy for excellence continued with four more Super Bowl appearances and two championships in 2005 and 2008, garnering the franchise a league record of six Super Bowl wins. Classic Steelers includes these six championship tilts and takes citizens of the Steeler Nation on a play-by-play tour of the most memorable games in the team's history. Author David Finoli recounts in

vivid detail the thrilling gridiron performances that have made the Steelers so special to their legions of fans.
