Stickman Odyssey, Book 1 Christopher Ford,2011-08-04 When Zozimos is banished by an evil witch (his stepmother!) from the kingdom of Sticatha-the kingdom he was next in line to rule-he trains at battle (if you call chasing after butterflies training), travels across stormy seas (thanks for that, Poseidon), slays golems and monsters (with a lot of help), charms beautiful women (not really), and somehow (despite his own ineptitude) survives quest after quest. By the love of Zeus, though, none of it brings him any closer to home! It does, however, make for one quirky, original, giggle-provoking graphic novel sure to appeal to any kid interested in Greek mythology, or merely looking for an entertaining read.

But when he's not offering advice, what does a day in the life of Stick Man actually look like? This catastrophe-packed book uses images derived from real signs to follow a continuous narrative as Stick Man navigates the perils of a single, hilariously bad day. Everyone has had that day that just keeps getting worse, but Stick Man's adventures show readers both what a bad day really looks like, and that in the end it's never really quite as bad as it may seem.
