Riding Man Mark Gardiner, 2012-07-15 For 100 years, the Isle of Man Tourist Trophy races have been the world's most dangerous organized sporting event. As one of thirty thousand fans who attended the annual spectacle, Mark Gardiner harbored no illusions about his own skill or bravery. He was, however, an avid motorcyclist for whom the race represented a boyhood dream. He went home, quit his job, sold everything he owned, and returned to the Island to race there himself. *Riding Man* is the account of an Everyman, struggling to qualify for -- and survive -- the TT races. If you're a dreamer, the lesson in this book is that the pursuit of any worthwhile goal involves risks, rewards and, almost inevitably some regrets. If you're not a dreamer, the lesson is more important: the deepest regrets are always over risks not taken.

Riding in the Zone Ken Condon,2019-10-15 Riding motorcycles is fun, but author Ken Condon maintains that there is a state of consciousness to be achieved beyond the simple pleasure of riding down the road. Riding in the Zone helps riders find that state of being. It's the experience of being physically and mentally present in the moment, where every sense is sharply attuned to the ride. Your mind becomes silent to the chatter of daily life, and everyday problems seem to dissolve. You feel a deeper appreciation for life. Your body responds to this state of being with precise, fluid movements, you feel in balance, your muscles are relaxed, and it seems as though every input you make is an expression of mastery. This is the Zone. Condon identifies all of the factors that affect entering the Zone and addresses each one individually, from the development of awareness and mental skills to mastering physical control of the motorcycle. At the end of each chapter are drills designed to transform the book's ideas into solid, practical riding skills. Riding in the Zone takes riders to the next level in their skill set.

The Princess and the Prospect Christine Michelle,2021-01-21 ~Anna~ I was three weeks past my seventeenth birthday when I first saw him running like a dog, as prospects do, during a family club function. I knew he was far older than me since he'd served in the Army with my brother-in-law, Deck. He was definitely too old for me in the eyes of everyone else. I knew the rules, and I'd be breaking too many of them for this not to be trouble. He was a prospect, making him off-limits. I wasn't even 18, making me off-limits. I was also a club princess, daughter of the Vice President of the Aces High MC - Charleston Chapter. That, more than anything else, made me off-limits. Still, I watched and waited for the moment when I could make myself unforgettable to him, because my heart had no limits, and it wanted Joker. ~Joker~ Prospecting for the MC was turning out to be a tougher gig than I had originally imagined. I wasn't exactly known for taking blind orders well, or taking shit from anyone in my life, so undergoing prospect hazing was trying my last damn nerve. The never-ending line of patch-chasing females was sure to make the discomfort worth my wait. Then again, I wasn't one to do easy conquests either. The shy cutie who had been staring at me all night from the corner seemed like just the challenge my worn down soul needed. She was a challenge, all right. Nearly cost me everything in the end. Now, I'm stuck with a liar, an old lady, and one crazy-ass impending shotgun wedding. NOTE: This is book 3 in a series of 7 that must be read in order. Book 1: The Other Princess Book 2: A Love So Hard Book 3: The Other Princess Book 4: The Killing Ride Book 5: A Twist of Fate Book 6: Everlasting Book 7: A Year and a Day (Novella) **TRIGGER WARNING** For sensitive readers - there is cheating in this book. No, it's not exactly what you might be thinking. Yes, you should give it a try anyway, because things aren't always what they seem! ;) Yes, you will miss a lot of important information if you try to skip it and move on to book 4.
