Stick Control George Lawrence Stone,2013-11-06 George Lawrence Stone's Stick Control is the original classic, often called the bible of drumming. In 1993, Modern Drummer magazine named it one of the top 25 drumming books of all-time. In the words of the author, this is the ideal book for improving control, speed, flexibility, touch, rhythm, lightness, delicacy, power, endurance, preciseness of execution, and muscular coordination, with extra attention given to the development of the weak hand. This indispensable book for drummers of all types includes hundreds of basic to advanced rhythms and moves through categories of single-beat combinations, triplets, short roll combinations, flam beats, flam triplets and dotted notes, and short roll progressions.

The Single Plane Golf Swing Todd Graves,Tim O'Connor,2015-03-03 "Through this wonderful book, frustrated golfers can learn to swing like Moe [Norman] and improve their games." –Anthony Robbins, #1 New York Times–bestselling author The mysterious and reclusive genius Moe Norman is acknowledged as the best ball-striker in the history of golf by many of the game's greats. The Single Plane Golf Swing: Play Better Golf the Moe Norman Way reveals the secrets of the swing that enabled him to hit the ball solidly with unerring accuracy and consistency–every time. Norman's simple, efficient, and easily understood Single Plane Swing has improved the games of thousands of golfers. Golf professional Todd Graves, known as "Little Moe" and regarded as the world authority on Norman's swing, comprehensively teaches readers the mechanics, drills, and feelings of the Single Plane Swing that Moe called "The Feeling of Greatness." Graves shares Norman's brilliant insights and liberating approach to the game and demonstrates why the conventional "tour" swing is too complex and frustrating for the majority of amateurs. Illustrated with more than 300 photographs and written with Tim O'Connor, Norman's biographer, the book also engagingly tells Norman's bittersweet life story and explores the teacher-student bond forged between Norman and his protégé Graves. "One of golf's greatest untold stories, Moe Norman's life illustrated a simple and powerful truth: greatness is built from practicing the right swing in the right way. In this book, Todd Graves has given us a blueprint for that swing, for those practice habits, and most of all for a process that builds success." –Dan Coyle, New York Times–bestselling author of The Culture Code
