Extreme Cliff Diving Virginia Loh-Hagan,2016-08-01 Extreme Cliff Diving presents the thrills and spills of this intriguing extreme sport. The carefully written, considerate text will hold the readers' interest and allow for successful mastery and comprehension. Written with a high interest level to appeal to a more mature audience, these books maintain a lower level of complexity with clear visuals to help struggling readers along. A table of contents, glossary with simplified pronunciations, and index all enhance achievement and comprehension.

**High Diver** Orlando Duque,2020-03-12 Orlando Duque, the Colombian with the characteristic ponytail, is the most successful cliff diver in the world. The 13-time world champion from Colombia looks back on his childhood growing up in Cali and takes us on an adventurous journey around the world: from leaping as a burning torch at an adventure park to the heights of the Red Bull Cliff Diving World Series, 27 metres above the water – a feat that leaves no room for error. »Only seconds lie between all these different worlds; the nervous concentration, standing above the crowds, the moment of push off, falling, the precision, the noise, submersion, the silence, the relief, only a dive can give such a condensed world of experiences.« Orlando Duque

**As Good as Dead** Holly Jackson, 2021-09-28 THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES • The final book in the A Good Girl's Guide to Murder series that reads like your favorite true crime podcast or show. By the end, you'll never think of good girls the same way again... Pip is about to head to college, but she is still haunted by the way her last investigation ended. She's used to online death threats in the wake of her viral true-crime podcast, but she can't help noticing an anonymous person who keeps asking her: Who will look for you when you're the one who disappears? Soon the threats escalate and Pip realizes that someone is following her in real life. When she starts to find connections between her stalker and a local serial killer caught six years ago, she wonders if maybe the wrong man is behind bars. Police refuse to act, so Pip has only one choice: find the suspect herself—or be the next victim. As the deadly game plays out, Pip discovers that everything in her small town is coming full circle . . .and if she doesn't find the answers, this time she will be the one who disappears. . . And don't miss Holly Jackson's next thriller, *Five Survive*!

Caliban's War James S. A. Corey, 2012-06-26 The second book in the NYT bestselling Expanse series, *Caliban's War* shows a solar system on the brink of war, and the only hope of peace rests on James Holden and the crew of the *Rocinante's* shoulders. Now a Prime Original series. HUGO AWARD WINNER FOR BEST SERIES We are not alone. On Ganymede, breadbasket of the outer planets,

a Martian marine watches as her platoon is slaughtered by a monstrous supersoldier. On Earth, a high-level politician struggles to prevent interplanetary war from reigniting. And on Venus, an alien protomolecule has overrun the planet, wreaking massive, mysterious changes and threatening to spread out into the solar system. In the vast wilderness of space, James Holden and the crew of the Rocinante have been keeping the peace for the Outer Planets Alliance. When they agree to help a scientist search war-torn Ganymede for a missing child, the future of humanity rests on whether a single ship can prevent an alien invasion that may have already begun . . .

**Shufflers** Frank Haberle, 2021-09 In the tradition of Denis Johnson and Charles Bukowski, author Frank Haberle's 21 interwoven stories will take you to minimum wage America of the 1980s, where opportunities are few and situations are precarious. Sometimes funny but always honest, Shufflers is a grand tour of a world in plain sight, a world in which no one hopes to travel. Danny lives on the outskirts of society, traveling randomly from New York to Alaska to Colorado to San Francisco and beyond, often cold and hungry, sometimes drunk and always struggling to survive. To get by he works

as a ski lift operator, fry shack manager, jackhammer operator, and any other jobs he can get his hands on. Along the way, he learns about resilience and fortitude from the usually invisible characters who populate the outskirts of our world. Danny is trying to make a path to something better and avoid becoming just one more shuffler. Reviews: Frank Haberle is a storyteller's storyteller - down-to-earth, subtle, humble, but confident when it counts. In Shufflers he blends experience, craft, wisdom and wit to put forth a collection of tales that will move you emotionally when you read it- and mean even more to you after you read it.-John McCaffrey, Author, Two-Syllable Men and Book of Ash I love Frank Haberle's stories and will dive into a new one any chance I can get-face first, off a cliff, without looking. I know I will land knee-deep in nostalgic music and memorable events, then swim around in painful regrets surrounded by beautiful imagery I can't shake--and I will just lie there floating happy. Open this collection anywhere and become an instant fan.-Milda DeVoe, Author and Founding Executive Director of Pen Parentis I yearn for a world that embraces eccentrics and perhaps deems them prophets. Shufflers, introduces us to folks now faded into crevices -the Stickmans, Cashtown Annies, and T-Shirt Ladies who continue to struggle with dignity in a divided 21c America. Frank Haberle's skillfully rendered stories remind us to pay attention to damaged individuals, renew our capacities to have spontaneous experiences, and remember the what-the-hellishness of youth.-Lori Kent, Hunter College and Founder of Code Vert Arts

**Draw to Win** Dan Roam, 2016-09-13 Get ready for the ultimate crash course in communicating and solving problems through simple pictures. Thirty-two thousand years ago, your many-times-great-grandparents Oog and Aag drew pictures on the wall of a cave. They had an innate need to communicate, but no written language. So they found an easy and natural way to share their thoughts and stories. Today, after so many years when speaking and writing dominated, we're back in another highly visual age. About 90 percent of everything shared online is now visual—selfies, GIFs, smartphone videos, and more. This explosion of communication through pictures isn't a millennial-driven fad; it's as natural as those lines first drawn by Oog and Aag. Just turbo-charged by the latest technology. And yet over the past twenty years, as I've taught people from Fortune 500 CEOs to White House staffers how to harness the power of imagery, the biggest objection I've always heard is, But I can't draw! Trust me, you can. You don't need to be da Vinci to be an outstanding visual thinker and communicator. The most effective drawings are the simplest, and you can get good at those in three minutes. In this little book, I'll teach you how to use seven basic shapes to explain just about anything to just about anyone. If you've read my previous books, you'll see one or two familiar tools here, along with a bunch of new tools you can start using right away. If you're new to my approach—welcome! Get ready to work smarter, communicate more clearly, and get better at whatever you do, just by picking up a pen. Get ready to draw to win.

**Understand Your Dreams Now** Doug Addison, 2013 I took the essence of my years of dream interpretation training and what I look for as a dream expert. I also found a way to teach people that would allow them to catch on quickly through an accelerated dream learning process. Doug Addison Spiritual dream interpretation could possibly help you meet your future spouse, make the right business decisions at work, learn the calling of your children, see what may take place ahead of time, or even be at the right place at the right time! Understand Your Dreams Now is a crash course in dream interpretation drawn from decades of classroom and real world experience. It contains everything you need to get started, including a dream dictionary. In this concise book you will learn to: - Get your dream's meaning quickly with pinpoint accuracy. - Develop your ability to hear God through your dreams and daily life. - Recognize which dreams are important and in need of interpretation. - Discover destiny dreams and life-calling dreams. - Effectively deal with nightmares to get a positive outcome. - Track and journal your dreams for future application. - Discern the symbolic meaning behind zombies, vampires, and other dark images. - Find out the meaning of flying dreams, being chased, teeth coming loose, and more. Although not all dreams are from God, quite often God guides us through dreams. For most of us, the most important thing to discover is the purpose of a dream, not just its meaning. Only then will we know how we should respond to it. This book will help you do just that.

Maelstrom Peter Watts, 2009-01-06 Second in the Riffers Trilogy, Hugo Award-winning author Peter Watts' Maelstrom is a terrifying explosion of cyberpunk noir. This is the way the world ends: A nuclear strike on a deep sea vent. The target was an ancient microbe—voracious enough to drive the whole biosphere to extinction—and a handful of amphibious humans called riffers who'd inadvertently released it from three billion years of solitary confinement. The resulting tsunami killed millions. It's not as though there was a choice: saving the world excuses almost any degree of collateral damage. Unless, of course, you miss the target. Now North America's west coast lies in ruins. Millions of refugees rally around a mythical figure mysteriously risen from the deep sea. A world already wobbling towards collapse barely notices the spread of one more blight along its shores. And buried in the seething fast-forward jungle that use to be called Internet, something vast and inhuman reaches out to a woman with empty white eyes and machinery in her chest. A woman driven by rage, and incubating Armageddon. Her name is Lenie Clarke. She's a riffer. She's not nearly as dead as everyone thinks. And the whole damn world is collateral damage as far as she's concerned. . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Pancho Bandito and the Avocado Desperadoes Mike Sundy, 2021-04-03 Action. Adventure. Guacamole. Pancho Bandito and the Avocado Desperadoes is an epic tall tale with crop-robbing bandits, mythical mysteries, and big secrets

about Pancho's past. Ride along with heroic Pancho and the Amarillo Armadillo as they seek an ancient weapon to defend a helpless town against the menacing El Pico and his gang of greedy desperadoes. Pancho Bandito and the Avocado Desperadoes is a tall tale children's picture book. This Western kid's book is full of exciting action & adventure related to Olmec mythology. The playful language and gorgeous landscapes make it a right rollickin' read for grown-ups and young'uns alike, but it's especially beloved by kids ages 6-8. Share the fun with your own whippersnappers!

*What Color Is Your Parachute?* 1988 Richard Nelson Bolles, 1988 Because of the willingness of Richard Bolles to constantly revise and update this phenomenally popular guide to job-hunting and career-changing, once more a book is produced that keeps pace with unique changes in society, and once more earns the name trusted. Features a new cover design.

**Singing from Scratch** Michael Graves, 2015-03-19 How to sing book for absolute beginners and pros alike written by a professional performer with 30 plus years of actual experience singing and teaching. This is a READ and DO book with 61 practical drills specifically designed to get fast unshakable results. This is NOT a fluff book with useless filler, or a tiny pamphlet written by a human book mill with no real experience as a performer, only to be passed off as a legitimate instructional book. The author, Michael Graves, is an accomplished performer/singer and vocal coach. See the author's page link under the title for more information about Michael and the book's

website for video clips of recent performances. As the title suggests, *Singing From Scratch* starts with building the foundation of the foundation for any singer by uncovering the 'It Factor' and goes on to prove that the 'It Factor' is something everyone possesses, but is simply undeveloped. Then, in an easy to follow, systematic, interactive and fun manner, the reader develops the ability to not only sing, but to sing as well as any pro. If you have been told you are 'tone deaf', understand that there is no such thing. You can sing. This book will show you how. If you are an accomplished singer looking to improve your ability and sing better, the information and drills in this book will do just that. And the book doesn't stand alone. The website for the book provides additional support in the form of instructional videos, audio samples, and a blog written by the author as well as links to his podcast. *Singing From Scratch* and all ancillary works are based on the Conceptual Singing Method . A proven vocal instruction method developed by Michael Graves.

**Hung Up** Kristen Tracy, 2014-03-04 Can you fall in love with a voice? This witty romance, told entirely through phone calls, chronicles the tale of a wrong number gone right. It all started with a wrong number. The voicemails Lucy left on James's phone were meant for someone else—someone who used to have James's digits. But then when James finally answers and the two start to talk, a unique bond forms between the two teens. Gradually Lucy and James begin to understand each other on a deeper level than anyone else in their

lives. But when James wants to meet in person, Lucy is strangely resistant. And when her secret is revealed, he'll understand why...

*You'll Be the Death of Me* Karen M. McManus, 2024-01-30 #1 NEW YORK TIMES BESTSELLER • From the critically acclaimed author of *One of Us Is Lying* comes another pulse-pounding thriller. It's Ferris Bueller's Day Off with murder when three old friends relive an epic ditch day, and it goes horribly—and fatally—wrong. Ivy, Mateo, and Cal used to be close. Now all they have in common is Carlton High and the beginning of a very bad day. Type A Ivy lost a student council election to the class clown, and now she has to face the school, humiliated. Heartthrob Mateo is burned out from working two jobs since his family's business failed. And outsider Cal just got stood up . . . again. So when the three unexpectedly run into each other, they decide to avoid their problems by ditching. Just the three of them, like old times. Except they've barely left the parking lot before they run out of things to say. . . . until they spot another Carlton High student skipping

school—and follow him to the scene of his own murder. In one chance move, their day turns from dull to deadly. And it's about to get worse. It turns out Ivy, Mateo, and Cal still have some things in common...like a connection to the dead kid. And they're all hiding something. Could it be that their chance reconnection wasn't by chance after all? Look for the third book in the One of Us Is Lying series--One of Us Is Back!

White Stag Kara Barbieri, 2019-01-08 White Stag, the first book in a brutally stunning series by Kara Barbieri, involves a young girl who finds herself becoming more monster than human and must uncover dangerous truths about who she is and the place that has become her home. A Wattpad break out star with over a million reads! Now expanded, revised and available in print and eBook. As the last child in a family of daughters, seventeen-year-old Janneke was raised to be the male heir. While her sisters were becoming wives and mothers, she was taught to hunt, track, and fight. On the day her village was burned to the ground, Janneke—as the only survivor—was taken captive by the malicious Lydian and eventually sent to work for his nephew Soren. Janneke's survival in the court of merciless monsters has come at the cost of her connection to the human world. And when the Goblin King's death ignites an ancient hunt for the next king, Soren senses an opportunity for her to finally fully accept the ways of the brutal Permafrost. But every action he takes to bring her deeper into his world only shows him that a little humanity isn't bad—especially when it comes to those you care about. Through

every battle they survive, Janneke's loyalty to Soren deepens. After dangerous truths are revealed, Janneke must choose between holding on or letting go of her last connections to a world she no longer belongs to. She must make the right choice to save the only thing keeping both worlds from crumbling.

Something Missing Matthew Dicks, 2009-07-14 The story of an obsessive-compulsive housebreaker whose every waking moment is jam-packed with finicky clockwork ritual--the kind of intense micro-planning that might have made even Napoleon back off...Matthew Dicks has created an unforgettable character that will have you torn between wanting to throttle him--or adopt him. --Alan Bradley, author of the New York Times bestselling Flavia de Luce novels A career criminal with OCD tendencies and a savant-like genius for bringing order to his crime scenes, Martin considers himself one of the best. After all, he's been able to steal from the same people for years on end--virtually undetected. Of course, this could also be because of his unique business model--taking only items that will go unnoticed by the homeowner. After all, who would notice a missing roll of toilet paper here, a half-used bottle of maple syrup there, or even a rarely used piece of china buried deep within a dusty cabinet? Even though he's never met these homeowners, spending hours in their houses, looking through their photo albums and reading their journals, he feels like he knows them. So Martin decides to meddle more in their lives--playing the part of a rather odd guardian angel--even though it means

breaking many of his neurotic rules. In this hilarious, suspenseful and often profound novel about a man used to planning every second of his life, Martin comes to realize that life is much better lived on the edge (at least some of the time).
