Dead Stick Landing Daniel North, 2000-01-20 Harry Stant accepts a profitable charter flight contract in Phoenix, Arizona, and stumbles into an international crisis. Of course, Harry's friends know that he couldn't be involved in an assassination of a visiting Prince from an important oil supplying country at the Grand Canyon. No one knows of the hit that the President and his long-time friend, and Director of CIA, engineered. It was a feat of malignant stupidity since they did not have a firm grasp of the local political scenery and failed to recognize the popularity of the Iraqi Prince. Harry has neither experience nor interest in national politics, let alone international intrigue. His only concern is for the welfare of his kids and the monthly bills for his flying service. He accepts the help of a former student and FBI agent, Heather Northrop, to make a risky flying odyssey across the country to find the contents of a locker with the key to his innocence.

Don't Stick to Sports Derek Catsam, 2023-10-11

The intersection of sports and politics has been making headlines over the last few years, but the reality is that this clash has been going on for decades. This book examines the history of sports as a means to advance social change and connects that history to today's world.

South Carolina Basketball Sports Mystery Carole Marsh, 1994

Sporting Blackness Samantha N.

Sheppard, 2020-06-16 *Sporting Blackness* examines issues of race and representation in sports films, exploring what it means to embody, perform, play out, and contest blackness by representations of Black athletes on screen. By presenting new critical terms, Sheppard analyzes not only "skin in the game," or how racial representation shapes the genre's imagery, but also "skin in the genre," or the formal consequences of blackness on the sport film genre's modes, codes, and conventions. Through a rich interdisciplinary approach, Sheppard argues that representations of Black sporting bodies contain "critical muscle memories": embodied, kinesthetic, and cinematic histories that go beyond a film's plot to index, circulate, and reproduce broader narratives about Black sporting and non-sporting experiences in American society.

Basketball Jackie MacMullan, Rafe Bartholomew, Dan Klores, 2019-10-15 NEW YORK TIMES BESTSELLER • Inspired by a major ESPN film series, this is an extraordinary oral history of basketball—its eye-opening untold history, its profound deeper

meaning, its transformative influence on the world—as told through an unprecedented series of candid conversations with the game’s ultimate icons. This is the greatest love story never told. It has passion and heartbreak, triumph and betrayal. It is deeply intimate yet crosses oceans, upends lives and changes nations. This is the true story of basketball. It is the story of a Canadian invention that took over America, and the world. Of a supposed “white man’s sport” that became a way for people of color, women, and immigrants to claim a new place in society. Of a game that demands everything of those who love it, yet gives so much back in return. To tell this story, acclaimed journalists Jackie MacMullan, Rafe Bartholomew and Dan Klores embarked on a groundbreaking mission to interview a staggering lineup of basketball trailblazers. For the first time hundreds of legends, from Kobe, LeBron and Steph Curry to Magic Johnson, Dr. J and Jerry West, spoke movingly about their greatest passion. Former NBA commissioner David Stern and iconic coaches like Phil Jackson and Coach K opened up like never before. Those who shattered glass ceilings, from Bill Russell and Yao Ming to Cheryl Miller and Lisa Leslie, explained what it really took to lay claim to their place in the game. At once a definitive oral history and something far more revelatory and life affirming, *Basketball: A Love Story* is the defining untold oral history of how basketball came to be, and what it means to those who love it.

the Zany and Winning Antics of Two Elderly Coaches

Kirby Whitacre, 2022-08-23 When the priest-president of a financially-strapped, small Catholic college turns to two elderly coaches to resurrect his men's basketball program, the results are a zany combination of unorthodox recruiting and player hijinks. Doctorate in Death Jeffrey Raymond

Hansson, Jeffery Raymond Hansson, 2005-12 Doctorate in Death takes place in Las Cruces, a small city straddling the Chihuahuan desert and the Rio Grande Valley in southern New Mexico. Cultural anthropologist Dana Winfield receives a frantic phone call from Corey Watson, her top graduate student. There is something he desperately needs to tell her, but before he has a chance, he goes missing. Dana teams up with Travis Hitchcock, a handsome archaeologist and faculty friend, to solve the mystery of Corey's disappearance. Starting with only the torn page of a doctoral thesis found at a gas station and Travis' name scrawled on a piece of paper found in Corey's apartment, Dana and Travis slowly begin to put the clues together. But circumstances conspire against them as Travis becomes the victim of a vicious accusation engineered by unknown forces, and Dana, eager for a promotion, is pressured by unwanted sexual advances. As one mystery is solved, another reaches a shocking climax in the rugged back country. Travis is called upon to use his archaeological skills in a life-and-death situation, and he rediscovers feelings long buried in the desert sand.

The Basketball Diaries Jim Carroll, 1987-07-07

The urban classic coming-of-age story about sex, drugs, and basketball Jim Carroll grew up to become a renowned poet and punk rocker. But in

this memoir of the mid-1960s, set during his coming-of-age from 12 to 15, he was a rebellious teenager making a place and a name for himself on the unforgiving streets of New York City. During these years, he chronicled his experiences, and the result is a diary of unparalleled candor that conveys his alternately hilarious and terrifying teenage existence. Here is Carroll prowling New York City--playing basketball, hustling, stealing, getting high, getting hooked, and searching for something pure. The Basketball Diaries was the basis for the film of the same name starring Leonardo DiCaprio. I met him in 1970, and already he was pretty much universally recognized as the best poet of his generation. . . . The work was sophisticated and elegant. He had beauty. -- Patti Smith

Butler Basketball Legends Stan Sutton, 2018-07-11
The author of *The Curse of the Indy 500* takes to the court to showcase the celebrated Bulldogs who made their marks on college basketball. Although many fans think Butler University basketball took off with its back-to-back NCAA tournament appearances in 2010 and 2011, the Butler Bulldogs have a long history of tenaciously outplaying larger and better-known teams. In *Butler Basketball Legends*, veteran sports writer Stan Sutton profiles the legacy of the Butler University basketball program and the coaches, players, and fans who give it heart. Sutton takes readers behind the scenes to meet Butler's legendary stars and hear their stories, including

players like Darnell Archey, Gordon Hayward, Matt Howard, and Mike Green, and unforgettable coaches like Thad Matta and Brad Stevens, and of course, Tony Hinkle. For 41 years Mr. Hinkle was the cornerstone of the athletics department and built a winning basketball program around small guards, short but stout centers, and players other coaches thought inadequate, leading Butler to over 550 victories. From the fabled feats of past teams all the way up to the first season of new head coach LaVall Jordan, Butler Basketball Legends is a must-read for all who love the game.

I Watched Football Early the Day I Died: The Lost Ed Wood Frank Leahy Screenplay W. Paul Apel, What does Frank Leahy, the legendary win-at-all-costs hall of fame Notre Dame football coach have in common with infamous cross-dressing, counterculture B-movie filmmaker Ed Wood, once voted “worst director of all time”? Ed Wood wrote a screenplay about him. And it’s possibly the most confounding entry on the cult director’s otherwise sci-fi, horror and pornography-filled résumé. For years, there have only been two known connections between Ed Wood and football: the fact that he hated it, and the fact that he was watching it on the last day of his life. So how did an underdog who wore his quirks on his (angora) sleeve end up writing about Knute Rockne’s macho protégé? And does Wood’s irrepressible personality and unique style make it into Leahy’s life story? Find out the answers to these questions and more as Ed Wood expert W. Paul Apel takes you on a personally guided tour of the never-produced, lost-and-now-found screenplay by Edward D. Wood, Jr.: The Frank

Leahy Legend.

When Basketball Was Jewish Douglas

Stark, 2017-09-01 In the 2015–16 NBA season, the Jewish presence in the league was largely confined to Adam Silver, the commissioner; David Blatt, the coach of the Cleveland Cavaliers; and Omri Casspi, a player for the Sacramento Kings. Basketball, however, was once referred to as a Jewish sport. Shortly after the game was invented at the end of the nineteenth century, it spread throughout the country and became particularly popular among Jewish immigrant children in northeastern cities because it could easily be played in an urban setting. Many of basketball's early stars were Jewish, including Shikey Gotthoffer, Sonny Hertzberg, Nat Holman, Red Klotz, Dolph Schayes, Moe Spahn, and Max Zaslofsky. In this oral history collection, Douglas Stark chronicles Jewish basketball throughout the twentieth century, focusing on 1900 to 1960. As told by the prominent voices of twenty people who played, coached, and refereed it, these conversations shed light on what it means to be a Jew and on how the game evolved from its humble origins to the sport enjoyed worldwide by billions of fans today. The game's development, changes in style, rise in popularity, and national emergence after World War II are narrated by men reliving their youth, when basketball was a game they played for the love of it. When Basketball Was Jewish reveals, as no previous book has, the evolving role of Jews in basketball and illuminates their contributions to American Jewish history as well as basketball history.

Slang Paul Dickson, 2006-10-09 An updated, categorically arranged dictionary of American slang and popular culture features more than ten thousand entries that cover such topics as the Internet, extreme sports, the drug culture, politics, entertainment, business, and more, along with introductory narratives and sidebars that reveal how terms and phrases relate to the subcultures that spawned them.
