I Was Just Sitting Here Thinking Sarah McGee, 2014-10-07 Sandra Jones had a plan. Step One, get back from Álfheimr (again). Step Two, Sit back and enjoy a quiet, peaceful life with her family. The world, however, had other plans. The death of Drew Gilmore, for one. As the violence ripples around her, can she avoid being pulled into the maelstrom that stems from this seemingly inconsequential event? Stick (it to The) Man Adam Wallace, 2019-01-11 Vulcan Toscadero's parents are the most important people in the world to him. When they die in extremely bizarre circumstances, Vulcan has a decision to make. Does he live with the uncle he has never met before, his seemingly 1,000,000 year old grandparents, or Nathaniel Winston Jones the Third, Esquire, the richest man in town? It is a decision that will change Vulcan's life FOREVER ... well, not like forever forever, but at least till he's like 60 or something. With all illustrations in stick figure form, and filled with humour and action, Stick (it to the) Man is a book for reluctant and confident readers alike.

Stickmen 2 Peter Vegas, 2006 Crushed to discover at the tender age of seven that he didn't have

an aptitude for drawing, Peter Vegas decided to pour his heart and soul into perfecting the art of the humble stick figure. The result was the highly original and extremely funny Stickmen, which elevated everyone's favorite line drawings to a witty new level. Following up the huge success of this first collection, Peter Vegas has now put together Stickmen 2, once again featuring more than 100 inspired drawings with inventive dialogue. The result is an intriguing mix of visual puns, pop culture references and silly jokes that you can't help wanting to share. Who would have thought the stick man could do and say so much! Peter writes in his introduction: 'Welcome along to the second book. The first one was internationally acclaimed. When I say internationally acclaimed, I mean I sent my uncle Rod a copy. He liked it and he lives overseas. When my publisher said we were going to do a second book, I said cool. I have heaps of new stickman ideas lying around and mum needs a hip operation. Dive in and have a laugh. Have a few, we've sprinkled them liberally throughout the book.'

It's All Downhill From Here Lynn Johnston, 1987 Lynn Johnston relies on the normative nature of domestic chaos--contemporary living--to create this successful comic strip. The Patterson family episodes reflect many of our households--making us laugh at our own foibles. Illustrated.

The Red Dot Angry Stickman, 2020-07-03 We encourage you not to buy this book. It literally has the same red dot on every page. The red dot doesn't do anything, and yet the book beckons you to click the red dot -- in various ways no less -- for reasons we don't fully understand. But alas, it is what it is. And it is indeed what is it. And it never will be what it's not. It will always just be a medium sized red dot. A red dot with nothing to do and nowhere to be the red dot it always will be. (Seriously, we strongly encourage you not to buy this book.)
